6. DPR's Audits Office may conduct an audit. The GRANTEE is required to keep all PROJECT records for five years following the final GRANT payment.

End of the Contract Performance Period – Long Term Public Use

7. The CONTRACT PERFORMANCE PERIOD will be shown on your CONTRACT. By signing the CONTRACT, the GRANTEE agrees to the CONTRACT provisions including *Section I. Use of Facilities* found on page 8. The duration of the CONTRACT PERFORMANCE PERIOD depends on the GRANT amount:
 - GRANT amount less than \$100,000: July 1, 2017 through June 30, 2037.
 - GRANT amount \$100,000 or greater: July 1, 2017 through June 30, 2047.

I. RECITALS

1. This AGREEMENT is entered into between the California Department of Parks and Recreation (hereinafter referred to as "GRANTOR," or "STATE") and _____ (hereinafter referred to as "GRANTEE").
2. The California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act of 2002 authorizes STATE to award grants to eligible entities for the purpose of Sections 5096.600 through 5096.683 43 of the Public Resources Code.
3. Pursuant to the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act of 2002, STATE is authorized to oversee and manage grants to eligible entities for the purposes stated within its provisions. Funding for this grant program was made available through the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act of 2002.
4. The STATE hereby grants to GRANTEE a sum (hereinafter referred to as "GRANT MONIES") not to exceed _____ Dollars (\$_____), subject to the terms and conditions of this AGREEMENT, the GUIDES, any legislation applicable to the ACT, and the APPLICATION.
5. In consideration thereof GRANTEE agrees to abide by the terms and conditions of this AGREEMENT as well as the provisions of the ACT. GRANTEE acknowledges that the GRANT MONIES are not a gift or a donation.
6. In addition to the terms and conditions of this AGREEMENT, the parties agree that the terms and conditions contained in the documents set forth below are hereby incorporated into and made part of this AGREEMENT.
 - a. The GRANT ADMINISTRATION GUIDE;
 - b. The APPLICATION GUIDE;
 - c. The submitted APPLICATION.

II. GENERAL PROVISIONS

A. Definitions

As used in this AGREEMENT, the following words shall have the following meanings:

1. The term "ACT" means the statutory basis for these grant programs.
2. The term "APPLICATION" means the individual project application packet for a grant pursuant to the enabling legislation and/or grant program process guide requirements.
3. The term "CONTRACT PERFORMANCE PERIOD" means the period of time described in Section 1 of this AGREEMENT.
4. The term "COMPETITIVE GRANT PROGRAM" means the Outdoor Environmental Education Facilities Grant.
5. The term "DEVELOPMENT" means capital improvements to real property by means of construction of permanent or fixed features of the property.
6. The term "GRANT PERFORMANCE PERIOD" means the period of time described in the contract face sheet during which eligible costs can be charged to the grant and which begins on the date of appropriation and ends on the fund liquidation date.

7. The term “GRANT SCOPE” means the items listed in the GRANT SCOPE/Cost Estimate Form found in the APPLICATION.
8. The term “GUIDES” means the documents identified as the “Application Guide for the Outdoor Environmental Education Facilities Grant Program” and the “Grant Administration Guide for the Outdoor Environmental Education Facilities Program.” The GUIDES provide the procedures and policies controlling the administration of the grant.
9. The term “PROPERTY” refers to every parcel of property to which grant funds will be used for the development and/or acquisition thereof.
10. The term “PROJECT TERMINATION” refers to the non-completion of a GRANT SCOPE.

B. Project Execution

1. Subject to the availability of GRANT MONIES in the ACT, the STATE hereby grants to the GRANTEE a sum of money not to exceed the amount stated in Section I of this AGREEMENT, in consideration of, and on condition that, the sum be expended only in carrying out the purposes set forth in the GRANT SCOPE, and under the terms and conditions set forth in this AGREEMENT.

The GRANTEE shall assume the obligation to furnish any additional funds that may be necessary to complete the GRANT SCOPE.

2. After STATE has approved the APPLICATION, all changes and alterations to the GRANT SCOPE must be first approved in writing by the STATE. GRANTEE’S failure to comply with this provision may be construed as a breach of the terms of the AGREEMENT and result in the termination of the project.

To maintain the integrity of the COMPETITIVE GRANT PROGRAM, the GRANTEE agrees that any project changes or alterations which deviate from the intent of the project selection criteria provided by the GRANTEE in the original competitive APPLICATION must be submitted in writing to the STATE for prior approval.

3. The GRANTEE shall complete the GRANT SCOPE in accordance with the time of the GRANT PERFORMANCE PERIOD set forth in the contract face sheet, and under the terms and conditions of this contract.
4. The GRANTEE shall comply with the California Environmental Quality Act (Public Resources Code, Section 21000, et seq., Title 14, California Code of Regulations, Section 15000 et seq.).
5. The GRANTEE shall at all times comply with all applicable current laws and regulations affecting ACQUISITION and DEVELOPMENT projects, including, but not limited to, legal requirements for construction contracts, building codes, health and safety codes, and laws and codes pertaining to individuals with disabilities, including but not limited to the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) and the California Unruh Act (California Civil Code §51 et seq.)
6. If the GRANT SCOPE includes ACQUISITION of real property, the GRANTEE agrees to comply at all times with all applicable State and local laws or ordinances affecting relocation and real property ACQUISITION.

7. GRANTEE agrees that lands acquired with GRANT MONIES shall not be acquired through the use of eminent domain.

C. Project Costs

1. GRANTEE agrees to abide by the GUIDES, as they may be updated by the STATE from time to time.
2. GRANTEE acknowledges that the STATE may make reasonable changes to its procedures as set forth in the GUIDES. If the STATE makes any changes to its procedures and guidelines, STATE agrees to notify GRANTEE within a reasonable time of such update.

D. Project Administration

1. If GRANT MONIES are advanced, the advanced funds shall be placed in an interest bearing account until expended. Advanced funds must be spent within six months from the date of receipt, unless the STATE waives this requirement in writing. Interest earned on the advanced funds shall be used on the project as approved by the STATE. If GRANT MONIES are advanced and not expended, the unused portion of the grant and any interest earned shall be returned to the STATE within 60 days after project completion or end of the GRANT PERFORMANCE PERIOD whichever is earlier.
2. The GRANTEE shall submit written project status reports within 30 calendar days after the STATE has made a request for a project status report. The GRANTEE shall also provide the STATE a report showing total final project expenditures within 60 days of project completion or the end of the GRANT PERFORMANCE PERIOD, whichever is earlier. The GRANT PERFORMANCE PERIOD is identified in the contract face sheet.
3. The STATE shall have the right to inspect all PROPERTY or facilities acquired and/or developed pursuant to this contract and the GRANTEE shall make said PROPERTY available for inspection upon 24 hours' notice from the STATE.
4. The GRANTEE and the STATE agree that if the GRANT SCOPE includes DEVELOPMENT, final payment to Grantee may not be made until the work described in the GRANT SCOPE is complete.
5. Any grant funds that have not been expended by the GRANTEE under the terms of this contract shall revert to the STATE.

E. Project Termination

1. In the event of non-completion of a GRANT SCOPE, the STATE may request the return of any grant funds advanced or reimbursed to the Grantee. Any grant funds that have not been expended by the GRANTEE shall revert or be returned to the STATE.
2. Unless the provisions of this AGREEMENT provide otherwise, after encumbrance, this contract may be rescinded, modified or amended only by mutual written agreement between the GRANTEE and the STATE, unless the provisions of this AGREEMENT provide that mutual agreement is not required.
3. Failure by the GRANTEE to comply with any of the terms of this AGREEMENT as well as any other grant contracts, specified or general, that GRANTEE has entered into with

STATE, may be cause for suspension of all obligations of the STATE unless the STATE determines that such failure was due to no fault of the GRANTEE. In such case, STATE may reimburse GRANTEE for eligible costs properly incurred in performance of this AGREEMENT despite non-performance of the GRANTEE. To qualify for such reimbursement, GRANTEE shall mitigate its losses to the best of its ability.

4. Because the benefit to be derived by the STATE, from the full compliance by the GRANTEE with the terms of this contract, is the preservation, protection and net increase in the quantity and quality of parks, public recreation facilities, opportunities and/or historical resources available to the people of the State of California and because such benefit exceeds to an immeasurable and unascertainable extent, the amount of money furnished by the STATE by way of GRANT MONIES under the provisions of this contract, the GRANTEE agrees that payment by the GRANTEE to the STATE of an amount equal to the amount of the GRANT MONIES disbursed under this AGREEMENT by the STATE would be inadequate compensation to the STATE for any breach by the GRANTEE of this AGREEMENT. The GRANTEE further agrees therefore, that in addition to compensatory damages, the appropriate remedy in the event of a breach of this AGREEMENT by the GRANTEE shall be the specific performance of this contract, unless otherwise agreed to by the STATE.

F. Budget Contingency Clause

For purposes of this program, if funding for any fiscal year is reduced or deleted by the State Budget Act, executive order, the legislature, or by any other provision of statute, the STATE shall have the option to either cancel this contract with no liability occurring to the STATE, or offer a contract amendment to GRANTEE to reflect a reduced grant amount. This Paragraph shall not require the mutual agreement of the parties.

G. Indemnity

1. The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this contract except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.
2. To the fullest extent of the law, the GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses and liability costs arising out of the DEVELOPMENT, construction, operation or maintenance of the PROPERTY described as the project or GRANT SCOPE which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the STATE shall bear its own litigation costs, expenses, and attorney's fees.

4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.
5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses and liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

H. Financial Records

1. The GRANTEE shall maintain satisfactory financial accounts, documents and records for the project and GRANT SCOPE and to make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following project and GRANT SCOPE termination or final payment, whichever is later.
2. The GRANTEE shall keep such records as the STATE shall prescribe, including records which fully disclose (a) the disposition of the proceeds of STATE funding assistance, (b) the total cost of the project and GRANT SCOPE in connection with such assistance that is given or used, (c) the amount and nature of that portion of the GRANT SCOPE and project cost supplied by other sources, and (d) any other such records that will facilitate an effective audit.
3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this contract or matters related thereto during GRANTEE'S regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this contract. Such accounts, documents, and records shall be retained by the GRANTEE for 5 years following final payment.
4. The GRANTEE shall use a generally accepted accounting system.

I. Use of Facilities

1. The GRANTEE agrees to operate and maintain any PROPERTY developed with the GRANT MONIES for the duration of the CONTRACT PERFORMANCE PERIOD.
2. The GRANTEE agrees that during the CONTRACT PERFORMANCE PERIOD, any income earned by the GRANTEE from a STATE approved non-recreational use of the project shall be used for recreational purposes at the project, or, if approved by the STATE, for recreational purposes within the GRANTEE'S jurisdiction.
3. All facilities shall have operating hours consistent with the times proposed in the APPLICATION and be open to members of the public in accordance with the project selection criteria in the APPLICATION, unless otherwise granted permission by the State and except as noted under the special provisions of this AGREEMENT or under provisions of the enabling legislation and/or grant program.

4. The GRANTEE agrees that for the duration of the CONTRACT PERFORMANCE PERIOD, any PROPERTY developed with GRANT MONIES under this AGREEMENT shall be used only for the purposes of the grant and consistent with the GRANT SCOPE referenced in the APPLICATION unless prior written approval is given by the STATE.
5. The GRANTEE agrees to use any PROPERTY developed with GRANT MONIES under this AGREEMENT only for the purposes of the grant and no other use, sale, or other disposition shall be permitted except as authorized by a specific act of the legislature in which event the PROPERTY shall be replaced by the GRANTEE with PROPERTY of equivalent value and usefulness as determined by STATE.
6. The PROPERTY developed may be transferred to another eligible entity only if the successor entity assumes the obligations imposed under this AGREEMENT and with written approval of the STATE.
7. Any real PROPERTY (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the State of California, acting through the DPR, or its successor, provided that such approval shall not be unreasonably withheld as long as the purposes for which the Grant was awarded are maintained. Any such permission that is granted does not make DPR a guarantor or a surety for any debt or mitigation, nor does it waive DPR's rights to enforce performance under the Grant Contract.
8. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint or other notice of the initiation of such proceedings.

J. Nondiscrimination

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, creed, color, national origin, age, religion, ancestry, sexual orientation, disability, medical condition, or marital status in the use of a specific facility included in the GRANT SCOPE.
2. The GRANTEE shall not discriminate against any person on the basis of residence, and shall not apply differences in admission or other fees on the basis of residence. Fees shall be reasonable and not unduly prevent use by economically disadvantaged members of the public.

K. Severability

If any provision of this AGREEMENT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the AGREEMENT which can be given effect without the invalid provision or application, and to this end the provisions of this contract are severable.

L. Liability

STATE assumes no responsibility for assuring the safety of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this AGREEMENT to review, inspect and approve the GRANT SCOPE and any final plans of implementation

shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.

M. Assignability

Without the written consent of the STATE, the GRANTEE'S interest in and responsibilities under this AGREEMENT shall not be assignable by the GRANTEE either in whole or in part. Any attempts by GRANTEE to make such an assignment are void.

N. Section Headings

The headings and captions of the various sections of this AGREEMENT have been inserted only for the purpose of convenience and are not a part of this AGREEMENT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this AGREEMENT.

O. Waiver

Any failure by a party to enforce its rights under this AGREEMENT, in the event of a breach, shall *not* be construed as a waiver of said rights; and the waiver of any breach under this AGREEMENT shall *not* be construed as a waiver of any subsequent breach.

I. WHEREAS, [formal name of Grantee] (hereinafter referred to as “Owner(s)”) is/are recorded owner(s) of the real property described in Exhibit A, attached and incorporated herein by reference (hereinafter referred to as the “Property”); and

II. WHEREAS, the California Department of Parks and Recreation (hereinafter referred to as “DPR”) is a public agency created and existing under the authority of section 5001 of the California Public Resources Code (hereinafter referred to as the “PRC”). And

III. WHEREAS, Owner(s) (or Grantee) applied to DPR for grant funds available pursuant to the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act of 2002 for improvements on the Property; and

IV. WHEREAS, on (enter date), DPR’s Office of Grants and Local Services conditionally approved Grant [project number], (hereinafter referred to as “Grant”) for improvements on the Property, subject to, among other conditions, recordation of this Deed Restriction on the Property; and

V. WHEREAS, but for the imposition of the Deed Restriction condition of the Grant, the Grant would not be consistent with the public purposes of the Outdoor Environmental Facilities Grant Program and the funds that are the subject of the Grant could therefore not have been granted; and

VI. WHEREAS, Owner(s) has/have elected to comply with the Deed Restriction of the Grant, so as to enable Owner(s), to receive the Grant funds and perform the work described in the Grant;

NOW, THEREFORE, in consideration of the issuance of the Grant funds by DPR, the undersigned Owner(s) for himself/herself/themselves and for his/her/their heirs, assigns, and successors-in-interest, hereby irrevocably covenant(s) with DPR that the condition of the grant (set forth at paragraph(s) 1 through 5 and in Exhibit B hereto) shall at all times on and after the date on which this Deed Restriction is recorded constitute for all purposes covenants, conditions and restrictions on the use and enjoyment of the Property that are hereby attached to the deed to the Property as fully effective components thereof.

2. RIGHT OF ENTRY. DPR or its agent or employees may enter onto the Property at times reasonably acceptable to Owner(s) to ascertain whether the use restrictions set forth above are being observed.

3. REMEDIES. Any act, conveyance, contract, or authorization by Owner(s) whether written or oral which uses or would cause to be used or would permit use of the Property contrary to the terms of this Deed Restriction will be deemed a violation and a breach

hereof. DPR may pursue any and all available legal and/or equitable remedies to enforce the terms and conditions of this Deed Restriction up to and including a lien sale of the Property. In the event of a breach, any forbearance on the part of DPR to enforce the terms and provisions hereof shall not be deemed a waiver of enforcement rights regarding such breach, or any subsequent breach.

Scope Change Requests

To maintain the integrity of the competitive grant award process, a SCOPE CHANGE request will be carefully evaluated and must be approved by OGALS in writing (see CONTRACT provision B.2.). This includes removal or addition of, or significant modification to, the scope items listed in the original GRANT SCOPE/Cost Estimate Form. OGALS discourages proposals that eliminate or greatly reduce a PROJECT'S recreational use or capacity.

Therefore, SCOPE CHANGE proposals must include the documents listed below. Any revised documents must satisfy the requirements described in the Application Checklist in the Application Guide for the related program. In addition, each document must include a revision date on the top right corner.

1. A proposal letter signed by the AUTHORIZED REPRESENTATIVE. Contact your PROJECT OFFICER to confirm the information that must be included in the letter. The type of information varies based on the proposed SCOPE CHANGE. In general you will need to include:
 - A description of the proposed SCOPE CHANGE, including a comparison between the original GRANT SCOPE and the proposed GRANT SCOPE'S range of recreational opportunities, projected number of users, and projected operating hours.
 - An explanation of why the scope change is necessary.
 - A comparison of the community based planning process used, if applicable, to develop the original GRANT SCOPE and the proposed GRANT SCOPE.
 - If the requested SCOPE CHANGE is due to an unforeseen shortage of funds, provide information about your attempts to obtain funding from other local, state, federal, or private sources to complete the original GRANT SCOPE.
2. A revised GRANT SCOPE/Cost Estimate Form.
3. A new CEQA Compliance Certification Form if the change involves adding a scope item not covered by the existing CEQA Compliance Certification Form.
4. A revised site plan showing the addition, removal, or modification of the scope item(s).

Fidelity Bond (For Non-profit GRANTEES only)

Non-profit GRANTEES must provide a copy of a current Fidelity Bond policy to their PROJECT OFFICERS before any payment requests can be approved by OGALS.

The premium for a Fidelity Bond is an ELIGIBLE COST.

A Fidelity Bond provides insurance covering fraudulent acts of GRANTEES' employees, volunteers, officers, and directors. The GRANTEE is the insured party. DPR must be named as a Third Party Loss Payee, i.e., the same as a mortgage company on a home loan. The DPR address is: State of California, Dept. of Parks and Recreation, P.O. Box 942896, Sacramento, CA 94296-0001, Attn: Office of Grants and Local Services.

Coverage must be at least equal to the GRANT amount. Fidelity Bond insurance must be kept current for at least six months after the date of the final GRANT payment.

GRANTEES may obtain the Fidelity Bond through a general liability carrier, a major casualty insurance carrier, or a bonds specialty company. A list of Fidelity Bond frequently asked questions is available on the OGALS web site at www.parks.ca.gov/grants

Three-Bid Process (For Non-profit GRANTEES only)

Non-profit GRANTEES must attempt to obtain three bids before awarding a contract on a GRANT-funded PROJECT for services (greater than \$5,000), and for construction work (greater than \$25,000), thus ensuring state funds are spent responsibly.

Process:

1. Non-profit GRANTEE attempts to obtain three bids for services (greater than \$5,000) and for construction work (greater than \$25,000).
2. To ensure that bidders understand the required PROJECT elements, the non-profit GRANTEE provides each bidder (potential contractor) the same written invitation for bid describing the PROJECT work to be performed based on “Best Value” factors, and the required PROJECT elements based on the Grant Scope/Cost Estimate Form, and concept level site plan.
3. Solicit bids by contacting at least three potential contractors or by invitation for bids advertising, or a combination of both methods.

The non-profit GRANTEE’s Board of Directors evaluates the bids to determine which contractor will provide the “best value” and will meet PROJECT requirements. “Best value” should be determined by price, quality of materials, equipment, and workmanship. The evaluation process must ensure no conflict of interest between the contractor and the non-profit GRANTEE’s Board of Directors. The non-profit GRANTEE’s Board of Directors need not necessarily accept the lowest bid, but a reasonable justification for the decision should be recorded in writing.

4. The Board of Directors selects a contractor and awards a contract.
5. For audit purposes, the GRANTEE keeps records of Steps 1 – 4 above.

Waiver of Three-Bid Requirement

The non-profit GRANTEE may request a waiver of the three-bid process requirement. To request a waiver, the GRANTEE must send a written request to the PROJECT OFFICER assigned to the grant PROJECT and explain why a waiver is required.

ELIGIBLE AND INELIGIBLE COSTS

NON-CONSTRUCTION COSTS include expenses incurred prior to ground breaking, as well as costs associated with grant administration. No more than 25% of the GRANT amount may be spent on NON-CONSTRUCTION COSTS. Additionally, if the Grantee committed match for this project, these costs are not eligible for REIMBURSEMENT.

ELIGIBLE CONSTRUCTION COSTS

Up to 100% of GRANT Amount
(Only within the PROJECT SITE)

EXAMPLES

- **Site preparation, grading, demo**
- **Installation of natural turf or other surface**
- **Purchase and installation of permanent equipment:** i.e., sprinkler systems, software (as part of a new system), basketball standards, backstops, goal posts, field lighting.
- **Construction supplies and materials:** may be drawn from central stock if claimed costs are no higher than supplies or materials purchased elsewhere.
- **Construction equipment owned by GRANTEE:** may be charged to the GRANT for each use. Rental rates published by the California Department of Transportation may be used as a guide. For audit purposes, a report or source document must describe the work performed, indicate the hours used, relate the use to the GRANT SCOPE, and must be signed by the operator or supervisor.
- **Construction equipment rented or purchased by GRANTEE:** whichever is the most economical use of grant funds. For purchased equipment, the GRANT will pay for the rental price equivalent in proportion to the time the purchased equipment is used on the GRANT SCOPE (Rental rates published by the California Department of Transportation may be used as a guide). The GRANT will pay for the total cost of the equipment if the purchase price is less than the rental price equivalent. Any funds earned by the GRANTEE from the sale of equipment purchased with the GRANT must be spent on the PROJECT.
- **Construction management:** i.e., scheduling mobilization, directing equipment, materials, construction personnel, site inspections
- **Employee services:** for direct costs related to construction. Time and attendance records must be maintained as charges are incurred, recording the actual time spent on the PROJECT, and describing the specific work. Salary and wages must be calculated according to the GRANTEE'S wage and salary scales, and may include benefits. For more information see the accounting rules for employee services explained in the GRANT ADMINISTRATION GUIDE.

GRANT PAYMENTS

This section is organized by the three types of payments:

- ADVANCE payments (see below)
- REIMBURSEMENT payments (see page 25)
- Final payment (see page 26)

GRANT payments before the final payment may not exceed 80% of the GRANT amount. 20% of the GRANT amount is retained for the final payment as a REIMBURSEMENT.

The GRANTEE should group costs together to avoid frequent payment requests. Payment requests greater than \$10,000 are encouraged.

Payment requests are processed through the State Controller's Office and are mailed to the GRANTEE approximately six weeks from the date the request is approved by OGALS.

OGALS will not approve payment requests if they do not meet the requirements described in this GRANT ADMINISTRATION GUIDE.

Advance Payments

ADVANCE payments are made at the discretion of OGALS. OGALS considers ADVANCE payments as a privilege and reserves the right to disapprove ADVANCE payments.

There are two types of ADVANCE payments: NON-CONSTRUCTION ADVANCE and CONSTRUCTION ADVANCE

NON-CONSTRUCTION ADVANCE

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
NON-CONSTRUCTION ADVANCE(s) up to 25% of GRANT amount	After the GRANT CONTRACT has been ENCUMBERED	<ul style="list-style-type: none"> • Payment Request Form • Payment Schedule and reason (see page 25) • Deed Restriction (if the land is owned by GRANTEE) • Fidelity bond for non-profit GRANTEES

CONSTRUCTION ADVANCE

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
ADVANCE(s) up to 50% of GRANT amount	After the GRANT CONTRACT has been ENCUMBERED, and construction will commence during the next six months	<ul style="list-style-type: none"> • Payment Request Form • Payment Schedule and Reason (see page 25) • Copy of signed construction contract and a notice to proceed (between GRANTEE and contractor). If this not applicable, state on the Payment Schedule that GRANTEE's own employees will perform the construction. • Deed Restriction (if the land is owned by GRANTEE) • Fidelity bond for non-profit GRANTEES

Payment Schedule and Reason

A payment schedule is required for an ADVANCE. The payment schedule must provide the following information:

- A month by month estimate, up to six months, showing the anticipated amount needed.
- To which entity the GRANTEE will pay using the ADVANCED funds (FORCE ACCOUNT or name of contractors).
- An explanation about why an ADVANCE is needed, instead of requesting a REIMBURSEMENT after the GRANTEE incurs the costs.

Six Month Advance Period -- Documenting expenditure of advanced funds and interest

GRANT funds ADVANCED and any interest earned, must be spent on ELIGIBLE COSTS within six months and documented on the Grant Expenditure Form. All invoices and contracts pursuant to which payments are made shall be made available to OGALS on demand.

Six Month Advance Period -- Returning Unexpended Advanced Funds or Interest

The balance of unspent GRANT funds must be returned to OGALS no later than thirty days after the end of the six month ADVANCE period. OGALS will then return the GRANT funds to the CONTRACT balance. OGALS cannot return interest to the CONTRACT balance.

- If interest was earned on the ADVANCED funds, spend the interest on ELIGIBLE COSTS, and return the unspent GRANT funds to OGALS.

Subsequent Advances

A Grant Expenditure Form documenting expenditure of the total amount of previously ADVANCED funds plus interest must be provided to OGALS before additional payments can be approved.

- This requirement may be waived in cases where a PROJECT requires timely payments to contractors, and the remaining balance of unspent ADVANCED funds cannot cover the next PROJECT payment. The following items are required to request a waiver:
 1. A letter to the PROJECT OFFICER, signed by the AUTHORIZED REPRESENTATIVE, explaining why the waiver is needed.
 2. A Grant Expenditure Form documenting that the majority of ADVANCED funds have been spent.
 3. A payment schedule with a month by month estimate showing the anticipated amount needed including the unspent balance of previously ADVANCED funds, along with the additional requested ADVANCE.

Reimbursement Payments

There are two types of REIMBURSEMENT payments before the final payment, NON-CONSTRUCTION REIMBURSEMENT and CONSTRUCTION REIMBURSEMENT.

NON-CONSTRUCTION REIMBURSEMENT

Payment Type	When to Request	Document to Send to PROJECT OFFICER
NON-CONSTRUCTION REIMBURSEMENT(s) up to 25% of GRANT amount	After the CONTRACT has been ENCUMBERED	<ul style="list-style-type: none"> • Payment Request Form • Grant Expenditure Form • Deed Restriction (if the land is owned by GRANTEE) • Fidelity Bond for non-profit GRANTEES.

CONSTRUCTION REIMBURSEMENT

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
REIMBURSEMENT of up to 80% of GRANT amount before final payment	After the CONTRACT is ENCUMBERED and the GRANTEE incurred costs for work related to the GRANT SCOPE	<ul style="list-style-type: none"> • Payment Request Form • Grant Expenditure Form • Construction progress photos • Deed Restriction (if the land is owned by GRANTEE) • Fidelity Bond for non-profit GRANTEES.

Final Payments

For the recommended deadline to request a final payment, see page 1, item 5.

The final payment (20% retention of the GRANT amount) will be processed after PROJECT COMPLETION and the following is approved by OGALS:

1. Approval of the GRANT COMPLETION PACKET (see page 30) and additional required documents in the charts below.
2. Site inspection by the PROJECT OFFICER to verify PROJECT COMPLETION.

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
Final reimbursement (20% retention of GRANT amount)	After the GRANTEE completes the GRANT SCOPE	<ul style="list-style-type: none"> • GRANT COMPLETION PACKET • Deed Restriction (if the land is owned by GRANTEE) • Fidelity bond for non-profit GRANTEES.
