SUBJECT: Law Enforcement Update

Summary

In response to the Off-Highway Motor Vehicle Recreation (OHMVR) Commission's request for law enforcement statistics, this report details reported law enforcement activities at the nine State Vehicular Recreation Areas (SVRAs) operated by California State Parks.

The statistics detailed in this report are specific to off-highway vehicle (OHV) recreation and may include some crimes and violations that are required to be reported to the California Department of Justice (DOJ) on an annual basis. There are also statistics in this report that are not reportable to DOJ but have a bearing on SVRA operation, such as medical response.

The statistics included in this report from all SVRAs, with the exception of Oceano Dunes, were gathered from January 1, 2019 to approximately June 30, 2019.
