STAFF REPORT: Grants and Cooperative Agreements Program
STAFF: Sixto J. Fernandez, Grants Manager
SUBJECT: Grants Program Update

Summary

As required by the regulations governing the Grants and Cooperative Agreements Program, the 2018/19 grants cycle began with the opening of the application process on January 14, 2019. Workshops were held the week of January 7, 2019, in Pomona and Redding, California.

Discussion

On June 3, 2019, applicants submitted their final applications. During the months of June and July, the OHMVR Division staff, in coordination with other departmental subject matter experts, reviewed and verified all applications. Per program regulations, the Intent to Award was posted on the OHMVR Division website on August 5, 2019. The posting of the Intent to Award started the 30-calendar day appeal period. If there are no appeals, awards will become final on September 5, 2019. The Intent to Award information can be accessed at the OHMVR Division website: ohv.parks.ca.gov.

Once the awards become final, the Grant Administrators will work with the successful applicants to prepare agreements for the projects.
