**STAFF REPORT:** Grants and Cooperative Agreements Program  
**STAFF:** Jenn Grady, Grants Manager  
**SUBJECT:** Grants Program Update

---

**Summary**

Update on the status of the Grants and Cooperative Agreements Program (Grants Program).

**Discussion**

**Public Resources Code (PRC) 5090.23(b)**

PRC 5090.23(b) states in part: *The meetings (Talking about the minimum four Commission meetings) shall include a public meeting, before the beginning of each grant program cycle to collect public input concerning the program, recommendations for program improvements, and specific project needs for the system.*

This meeting and grants report will serve to meet our statutory requirement of allowing the public to provide their input.

The OHMVR Division is utilizing this meeting to welcome input from both the Commission and the public. Our next grant cycle begins in January 2024; additionally, in 2024, we anticipate working on another regulatory change package to propose revisions to the Grants Program regulations. This is the opportune time for the Commission and the public to provide valuable feedback on how our program may improve. Once all input is received from this meeting, the Division will carefully review, consider and analyze all input to ensure applicability and adherence to statutory requirements. Any changes made will be provided in future grant reports.
