

## Miscellaneous Fee Increases

### **New Information**

Effective with the vehicle registration fees due January 1, 2009, and after, the fees shown on the attached list have increased. Programming will calculate the new fees.

### **Background**

As of January 1, 2005, and every January 1 thereafter, fee amounts fluctuate when the California Consumer Price Index for the prior year is \$0.50 or greater. The fees shown on the attachment will change due to a fluctuation in the Consumer Price Index.
