### Park Rules and Regulations

You are responsible for knowing park rules and regulations. All provisions of the California Vehicle Code are enforced. A copy may be found at: [www.dmv.ca.gov/pubs/vctop/vc/vc.htm](http://www.dmv.ca.gov/pubs/vctop/vc/vc.htm). If you have questions, please contact park staff at: (831) 637-3874.

The term OHV means off-highway vehicle. Any motor vehicle operated off-highway is an OHV. A highway licensed vehicle is an OHV when operated off of the highway. Vehicles having green and red stickers are OHVs.

**ALCOHOL:** Open container and DUI laws apply off-highway just as they do on-highway. Don't drink and drive. Alcohol is only allowed in your campsite.

**ATV LAWS:** There are laws which apply specifically to the operation of ATVs only. (For more complete information please see reverse page.)

**DOGS:** Dogs must be kept on a leash at all times. Please pick up after your dog.

**NIGHT OHV OPERATION:** Operation of OHVs is not allowed at night. Hours of operation are from sunrise to sunset.

**NOISE EMISSIONS:** The law limits noise emissions from all OHVs. Noise emissions for most OHVs are limited to not more than 96 dBA when measured from a distance of 20 inches using standardized test procedures. For more detailed information, go to: [www.ohv.parks.ca.gov/noise\\_emissions](http://www.ohv.parks.ca.gov/noise_emissions).

**REACH AND OPERATE ALL CONTROLS:** All operators of off-highway vehicles must be able to reach and operate all controls.

**RED STICKER RIDING SEASON:** Red sticker vehicles are not allowed to operate in the SVRA from June 1<sup>st</sup> - September 30<sup>th</sup>. These dates are established by the California Air Resources Board (CARB) and are subject to change. Please call the park for updated information.

**REGISTRATION:** When operating an OHV, you must display either a license plate or an OHV sticker. OHV stickers include "Green Stickers," "Red Stickers," California Nonresident OHV Use Permits, and OHV stickers from states that have an OHV program.

**SPEED:** Please follow posted speed limits throughout the park. In developed areas, keep speeds to 15 mph or less. Never drive faster than is safe for conditions.

**SPARK ARRESTERS:** All vehicles operating off-highway must be equipped with either a street legal muffler or a spark arrester maintained in effective working order.

**SUSPENDED OR REVOKED LICENSE:** Anyone whose driving privileges have been suspended or revoked is prohibited from operating any motor vehicle, on- or off-highway.

**VEGETATION:** It is never legal to drive or ride over vegetation. Always stay on established trails.

Locations in park are representations. Actual locations of some features may vary over time as a result of weather, maintenance, and other factors. Observe all signage, and use appropriate caution when traveling through the park.
