This list was constructed in accordance with Title 13 California Code of Regulations (CCR) Sections 2412 & 2415 Air Resources Board (CARB) regulations adopted pursuant to Health and Safety Code (HSC) Sections 39601 & 43013. It will be updated periodically, and you may contact CARB at (800) 242-4450 for more information.

Pursuant to Title 13 CCR Section 2415, vehicles that meet the emission standards in Section 2412(b) [Green Sticker] are not subject to the riding season restrictions noted. Model year 2003 through 2021 off-road motorcycles and ATVs that are certified pursuant to section 2412(c)(1)(B) [Red Sticker] are permitted\* to operate in the public areas designated for OHV use noted, only during the applicable riding seasons noted. **Effective January 1, 2025, these motorcycles and ATVs are permitted\* to operate year-round in public areas designated for OHV use unless otherwise restricted by the designated Public Land Management Agency.**

\* 'permit' to operate is subject to a currently valid vehicle identification or registration device (CVC 38010 & 38020).
