Maintenance Recommendations

BULL CREEK - NORTHEAST

Legend:

- ▬▬▬ Unsustainable. Remove, Reconstruct/Re-Engineer, and/or Reroute
- ▬▬▬ Sustainable with Reconstruction/ Re-engineering
- ▬▬▬ Sustainable with Maintenance
- ••••• Non-system route
- ○ User-created Trail Intersections. Remove Trail and Rehabilitate Vegetation.

Note: Recommendations are made by road or trail segment. Segment recommendations may apply to only a portion of the segment (e.g. a road with a "Remove, Reconstruct/Reengineer, and Reroute" recommendation may include locations within the trail segment requiring maintenance, locations requiring reconstruction/reengineering, and locations requiring reroutes).
