PCAs are **open spaces** that provide **agricultural, natural resource, scenic, recreational, and/or ecological values** and ecosystem functions. These areas are identified through consensus by local jurisdictions and park/open space districts as lands in need of protection due to pressure from urban development or other factors.

★ \$11.95 million provided in 1<sup>st</sup> round 2013 OBAG (One Bay Area Grant)

★ \$16.4 million will be available for 2<sup>nd</sup> round in 2018

San Francisco Bay Trail

and the Bay Area Ridge Trail

are both designated PCA's.

# Measure AA

The San Francisco Bay Clean Water, Pollution Prevention and Habitat Restoration Measure

Passed by Bay Area voters in 2016, Measure AA is a \$12/year parcel tax raising approximately \$25 million annually for twenty years to fund shoreline projects that will protect and restore San Francisco Bay.

# Regional Measure 3 (RM3)

Currently a spot bill, **SB 595** would raise bridge tolls around the region in an amount yet to be determined. If passed by the voters in 2018 or beyond, the SF Bay Trail is a likely beneficiary due to its ability to provide non-motorized transportation options.
