

Plan Recommendations:

- MT #1. Red Corral
Issue: Limited visitor access.
Rec: Provide trailhead parking and amenities Red Corral location.
- MT #2. Knobcone Pt Rd
Issue: Improve administrative/ emergency access to Morgan Territory.
Rec: Work with landowners to establish easement between Morgan Territory, and Southgate, including connections to Curry Cave Rd, Knobcone Point Rd, and Riggs Canyon Rd.
- MT #3. Morgan Creek Rd.
Issue: Steep road in riparian zone causing erosion and creek sedimentation.
Rec: 1) Road to trail conversion from int. of Morgan Ridge and Old Finley southwest to int. with Jeremiah Cr Trl. 2) Remove road between Jeremiah Creek Trl and Highland Ridge Rd.
- MT #4. Jeremiah Creek Trail.
Issue: Unsustainable route.
Recommendation: Remove trail and re-route.
- MT #5. Old Finley Rd to Morgan Cr Rd.
Issue: Desired loop trail connection.
Rec: Provide new trail connection between Old Finley Rd and Morgan Cr Rd.
- MT #6. Jackass Cyn - Tassajara Cr Trl
Issue: Desired loop trail.
Rec: Create a multi-use connection from Riggs Canyon Rd-2 to Tassajara Creek Trl-1 (northern portion extended southwest to northeast). Conduct change-in-use for Tassajara Creek Trl-1 (northern portion extended southwest to northeast) prior to development of this recommendation. This connection will create a multi-use loop using Riggs Canyon Rd / Tassajara Cr Trl (northern portion extended southwest to northeast), Highland Ridge Rd and the other roads located in the Morgan Territory area.
- MT #7. Jackass Cyn - Oyster Pt Trl
Issue: Lack of trail connectivity.
Rec: Design a sustainable route connecting Jackass Trl and Oyster Point Trl. Remove / Rehabilitate existing non-system route. Install interpretive signage at the end of Jackass Canyon Trl to educate visitors about the natural and cultural resources of the site.
- MT #8. Tassajara Cr Trl - Riggs Cyn Rd.

Rec: Designate existing non-system route as system route to formalize multiple loop trail opportunities.
- MT #9. Finley Rd Terminus.

Rec: Develop trailhead with 30-40 car parking lot, and staging area. Install restroom and interpretive panels.
