MAP	DESCRIPTION
Kenna	"Map of California Redwood Park, The Big Basin, Santa Cruz County, California" by John E. Pope, (1912) dedicated to Rev. Robert E. Kenna S.J.
Vallengca	"Administrative Area and Big Basin Redwood Park" by Roberto Vallengca, March 3, 1937
DJW	"California Redwood State Park, Developed Area Big Basin" by DJW Plate Block: "United States Department of the Interior, National Park Service, Cooperating with California Division of State Parks" This map, without signatures, is believed to show existing conditions in June 1940. It is apparently a draft of a map dated "June 1940, revised July 1941" by "BDH", titled: "Big Basin Redwoods State Park, Administration Area, Showing main features of Opal Creek Plateau". The DJW map may also be related to DPR drawing 738, showing "Roads, Trails, and Developed Areas" in the entire park at that time, "revised October 1940", by "LHP" and unsigned.
BDH	Dated "June 1940, Revised July 1941" "Big Basin Redwoods State Park, Administration Area, Showing main features of Opal Creek Plateau" This map, without signatures, is believed to show existing conditions in June 1941. It is apparently a revision of the original undated map by DJW, listed in the previous section above. It is also labeled "IIAA2b" in the lower right corner.
