The California Department of Parks and Recreation (State Parks) North Coast Redwood District will be preparing a General Plan Amendment for the Mill Creek Unit of Del Norte Coast Redwoods State Park. State Parks invites you to provide specific comments on the scope of issues or topics to be addressed in the General Plan Amendment.
If there is information which you believe should be incorporated into the general plan amendment, please identify what the data is and the person we should contact about it. We are also interested in learning about interesting stories/experiences within the park (i.e., wildlife encounters or special/unusual events). Thank you!
