

Cuyamaca Rancho State Park – General Plan
Public Meeting #1 – at Viejas Casino Dream Catcher Showroom, October 3, 2012
Workshop Portion
Recorded Written Comments

Station #4 – “Facilities Post-it”

Purpose:

- Find out: Desired additional facilities and improvements

Instructions:

- On Post-it notes, write the name of new or improved facilities that you would like to have at the park and post them on the park map in the location corresponding to the proposed facility.

Written Comments Recorded:

	FACILITY TYPE	LOCATION [FR-Fire Road]	USER GROUP
GENERAL			
Disregard Indian sites & allow park to be used by tax payers			
Keep facilities that are already established, open & man them			

Don't forget...this park is not just for horse riders & mt. bikes.
It is to preserve & protect the ecosystems

Would like more benches & spontaneous rest stops

Water: non-potable is fine

New horse facilities - Hitching posts

Non-Paid parking

Burnt Pine Trail?

Paved bike lanes into Julian, Descanso & Mt. Laguna

Hwy 79

complete & acquire Hempel Property

Extend park to include wilderness & watershed

Southern End?

Repair all the broken stuff

water filter

Snow play park

Hual-cu-cuish

Fix shower heads in \$850k restrooms & water run to drain

Los Vaqueros
