1	More trails open to mountain bikes.	Nov 7, 2012 2:46 PM
2	Singletrack trail maintenance for mtn biking was very lacking especially in the west mesa area. There was so much blow-down that riding was marginal at best. Had to carry bike over and under fallen trees. Have ridden/hiked all over Cuyamac Rancho for many years but last time out was a real turn-off, unfortunately. Ride Laguna mtns mostly now.	Nov 7, 2012 2:11 PM
3	More Mountain Biking trail access	Nov 7, 2012 10:24 AM
4	Open more trails to mountain biking	Nov 4, 2012 9:17 PM
5	More mountain bike access to more trails would be nice.	Nov 4, 2012 7:54 AM
6	I'm a mountain biker so trails we can ride are appreciated. :-)	Nov 3, 2012 1:27 PM
7	Would love to see more mountain biking opportunities/trails. There is a large community of mountain bikers that are very focused on preserving park lands and multi use areas for all. Providing more opportunities for them to use the park will only add to the overall base of supporters and park users.	Nov 3, 2012 11:17 AM
8	I would like more trails to be open to mountain bikes. Also, I believe the park service should keep key building clear of brush to help protect them from fires. We were very sad when the visitors center burned down and for years I asked why they let the brush grow so high right next to the historic stone building.	Nov 3, 2012 6:27 AM
9	more mountain biking trails.	Nov 2, 2012 10:55 AM
10	MORE TRAIL EXCESS FOR MOUNTAIN BIKING	Nov 2, 2012 9:28 AM
11	more trail access for mountain biking, please	Nov 2, 2012 8:05 AM
12	Singletrack bike accessible trails. Trails which are fun to ride unlike the recently graded fern flat. A single track connector from soapstone to milk farm road would be great. The grand loop is a ride I use as a litmus test for my fitness but my ride last weekend was disappointing with the graded roads and the descent down north middle peak was a mess. That trail could be curvy with bermed turns and be super fun but the trail condition was poor. I am willing to put my muscles where my mouth is for trail building if I get info from SDMBA.	Nov 2, 2012 7:45 AM
13	Horse Day and overnight camping	Nov 2, 2012 7:43 AM
14	I come to the park to mountain bike, I would love to see more trails open and much appreciate the portapotty at the sweet water parking lot.	Nov 2, 2012 3:48 AM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

15	More mountain bike trails please!	Nov 1, 2012 6:59 PM
16	I would love to see more singletrack/mountain biking trails!	Nov 1, 2012 7:32 AM
17	More mountain biking on single-track trails. Better (independent trail) access to the lower section of stonewall peak for rock climbing.	Oct 31, 2012 8:48 PM
18	more single track trails for mountain biking. Fewer closed trails!	Oct 31, 2012 6:34 PM
19	More trails open to Bikes	Oct 31, 2012 2:57 PM
20	Make trails accessible to mountain bikes and dogs.	Oct 31, 2012 2:21 PM
21	Open more trails to mountain bikers	Oct 31, 2012 11:21 AM
22	Program for younger children (under the age of 7). iPad app for CRSP education. For an example, see the Pocket Zoo app: <a href="http://tinyhearts.com/pocketzoo">http://tinyhearts.com/pocketzoo</a>	Oct 31, 2012 10:46 AM
23	Mountain bike trail, please. More!!	Oct 31, 2012 10:25 AM
24	Wider selection of mountain bike trails and allow barbless fly fisherman to return fish to the lake.	Oct 31, 2012 8:39 AM
25	More mountain biking opportunities, particularly singletrack trails.	Oct 31, 2012 7:49 AM
26	Reopen trails to mountain bikers. There is favoritism towards horseback riding on the single track portions. This doesn't seem right Mountain bikers have to ride mostly on fire road sections. Mount Laguna is more Mountain Bike Friendly.	Oct 31, 2012 7:47 AM
27	Sledding areas and more trails accessible to mountain biking. Mountain biking is a great way to explore the park while including our kids and physical activity as part of the experience. I also wish hunting would be allowed in the more remote areas of the park.	Oct 31, 2012 7:32 AM
28	more mountain biking/hiking trails	Oct 31, 2012 7:31 AM
29	I mountain bike and hike. In general, I have found the number of trails close to mountain biking to be very disappointing, though I want to salute recent improvements in this regard. Mountain bikers are willing to do a lot of work to help maintain trails, but it still seems like we are second class citizens compared to horses. I feel like we can all get along just find and support each other. I can only hope the trend of opening trails to bikers continues.	Oct 31, 2012 7:13 AM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

30	open more trails to mountain bikes	Oct 31, 2012 7:12 AM
31	Allow dogs leashed of course	Oct 31, 2012 6:58 AM
32	More bike specific or multi-use trails.	Oct 31, 2012 6:46 AM
33	More mt biking singletrack	Oct 31, 2012 6:38 AM
34	As a mountain biker and hiker, I look for places with good multi-use trail systems. Some of the trails at Cuyamaca seemed to be based on older routes that didn't plan for sustainable trail maintenance, and as a result sections of trail were in poor condition. Water does more damage to trails in our soils than traffic does. Realigning sections of trail to improve drainage would improve the trails and reduce maintenance in the long term.	Oct 31, 2012 6:27 AM
35	Please add more mountain biking trails.	Oct 31, 2012 6:10 AM
36	Need more cycling trails.	Oct 31, 2012 5:57 AM
37	More mountain bike trails.	Oct 31, 2012 5:03 AM
38	Increased trail access for mountain biking.	Oct 30, 2012 10:16 PM
39	Open additional trails for mountain biking	Oct 30, 2012 10:11 PM
40	I don't need anything except trails. I don't want to see money spent on facilities for lazy people. More trails for mountain biking and more trail maintenance (i.e. clearing downed trees and trim overgrowing brush from trails.	Oct 30, 2012 9:45 PM
41	More trails open for mountain biking, please! The existing trails are good, more would be great. Especially enjoy the loop north of Green Valley Fire Road - nice job there.	Oct 30, 2012 9:15 PM
42	Keep adding and maintaining multi-use trails that include Mtn. Bikes. Rebuild the old stone house museum that burned in the fire.	Oct 30, 2012 9:10 PM
43	We need more mountainbiking trails!!	Oct 30, 2012 7:12 PM
44	More high quality singletrack trails available for mountain biking is the most important factor for open space and parks to me and my main purpose for visiting and supporting them.	Oct 30, 2012 6:30 PM
45	Please support a connection to the Trans County Trail and other hiking opportunities. Please work to reopen Green	Oct 30, 2012 3:20 PM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	Valley Campground.	
46	I would like to see a replacement horse camp in the north end of the park (for Los Caballos), permanent (not temporary) equestrian parking at Hual Cu Cuish/old Boy Scout camp, free parking at trail heads large enough for horse trailers, day use parking at Green Valley, trails in Tulloch property, never allow bicycles on Upper Descanso Creek Trail, keep Green Valley horse camp open year round. Thank you	Oct 30, 2012 10:15 AM
47	Please continue to develop trails suitable to share with mtn bikes. It's a growing community!	Oct 30, 2012 10:02 AM
48	Increase availability of trail access to mountain bikes. The SP is making excellent progress along those lines, please continue.	Oct 29, 2012 1:33 PM
49	More equestrian activities such as more organized trail rides	Oct 26, 2012 2:55 PM
50	Keep and expand all equestrian facilities and trails.	Oct 26, 2012 1:35 PM
51	A STORE,A ZIP LINE,A RIVER,CLOTHING OPTION HIKING AREA,EXPAND CAMPFIRE PROGRAMS	Oct 24, 2012 6:06 PM
52	Clean up Stonewall Mine area; it should not be a dumping ground for old park materials or have storage containers and trailers. remove the Horse camp from Stonewall Mine. Improve signs along trails so it is easier to identify tails at junctions. Make the School camp clean up their area on Upper Green Valley Trail. Eliminate Arroyo Seco Primitive camp and restore to natural setting.	Oct 19, 2012 1:19 PM
53	Quit charging to park at Merigan Trailhead. People resent being charged for something that has always been free! They also park all over the surrounding roads sometimes causing problems for the residents.	Oct 14, 2012 6:26 AM
54	Keep it wild.	Oct 9, 2012 9:08 AM
55	My primary hobby is mountain biking and as such I would like to see more of the trails designated as multi-use and opened to everyone. I am not really concerned with camping facilities and other brick and mortar related services; I typically park at a trailhead, spend the day riding my bike and enjoying the outdoors, get back in my car and head home.	Oct 5, 2012 6:14 AM
56	More open trails to mountain bikes... Horses welcome, but no bikes... Really.. I volunteer to help maintain these trails.. then I have to walk back down to trail head and see the mountain biking not allowed signs.. very discouraging... =(	Oct 3, 2012 6:11 PM
57	horse camp in Descanso at Merigan staging area	Oct 3, 2012 6:08 PM
58	camping	Oct 3, 2012 5:54 PM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

59	Less wilderness area and more multi use trails.	Oct 3, 2012 5:54 PM
60	more nature and/or guided hikes	Oct 3, 2012 4:58 PM
61	more horse camp sites	Oct 3, 2012 4:49 PM
62	Additional horse camp grounds	Oct 3, 2012 4:48 PM
63	I would like for more interactive signage. As the park is coming back after the fire, much is changing. It would be interesting to have signs explaining what is happening/what is growing, etc. Also, I would like to have an opportunity to do more fitness activities in the park/ perhaps having a zip line ( I can hear Bob Hillis screaming now, Haha!)	Oct 3, 2012 4:48 PM
64	More bike trails and access	Oct 2, 2012 9:19 PM
65	I am cyclist and Mountain Biker. I would love to see more of the trails opened up to bikers so that we can enjoy the beauty of Cuyamaca State Park along with the hikers and equestrian riders	Oct 2, 2012 2:49 PM
66	Equestrian users need education on how to share trails. As a mountain biker, I've received grief from equestrian users while riding on very clearly marked multiple use trails along Highway 79.	Oct 2, 2012 1:28 PM
67	* Add day use equestrian parking area in field in front of Green Valley area - so that we could hook up and ride with friends who are camping, giving another access point for equestrian staging. * Make Hual Cu Cuish permanent equestrian staging area - add day use picnic area, keep park maintenance trash out of the parking/pavement area. Find another place to dump trash rather than in equestrian facilities (like Los Caballos...) * Use Sweco Trail Machine by trained volunteers as it was without incident - Doing trails by hand uses up volunteers, takes too long, is unnecessary when the park has a trail machine to do much of the work - preserves the assets of the park, one of the charges of the state park system. * Reduce the charge for parking in trail heads; keep cost of annual/day pass in alignment with the Adventure Pass so that our community, families/seniors/individuals/everyone can enjoy the park - do not close people out with unreasonable fees and inability to pay with a credit/debit card. * Facilitate visitors experiences rather than discouraging visitors. One way is noted in the fees. Another is to provide up to date information through news/online resources regarding park facilities. * Do not close Green Valley camping and day use - meant as a year round camping area. Especially do not alternate closures of campgrounds. That would be a design for driving users out of the park - as have inconsistent opening and closing of facilities, lack of ability to make reservations when facilities (like Green Valley equestrian camp loop) are open. * Utilize good business practices; facilitate relationships with various community user groups; foster support through using the trail machine (purchased with community funds); support the terrific volunteer network VIP and CRSPiA who keep this park open, provide services and financial support. Some superintendents have done excellent in that regard, others don't have it as a priority. * Upper Descanso Creek Trail should be removed from the list under consideration as a multi-use trail. There are dangerous conditions including poor or no line of sight in areas	Oct 2, 2012 12:54 PM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

with sheer drop offs. Putting bicycles on that trail would be irresponsible at the least and unconscionable for sure. \* Set up interpretive experiences at highly sensitive cultural areas in order to preserve them, enhance their educational value, and facilitate interaction with visitors, rather than closing them off which makes them vulnerable to those who would do harm (steal/deface). \* Set a priority of this wonderful park, in the backyard of San Diego, as a place for people to Re-Create. Place more of a priority on encouraging people to come, relax, enjoy, hike, bike, ride, sit by a stream, look at plants/birds/animals - increase access. If people connect personally to the park, they benefit personally and the park benefits from their support.

68	Horse van parking at Green Valley	Oct 2, 2012 11:45 AM
69	More trails for mountain biking.	Oct 2, 2012 10:22 AM
70	Really appreciate the great multi-use hike, bike, run, and equestrian trails. Hope more trails can become multi-use in the future to improve the Park experience through better connectivity and options for more single track trails.	Oct 1, 2012 9:34 PM
71	Use State Inmate Crews from La Cima to Perform Trail Maintenance.	Oct 1, 2012 8:07 PM
72	Open more trails to mountain bikes.	Oct 1, 2012 2:15 PM
73	Many more miles of quality, sustainable, shared-use trails that allow mountain bikes. Partnership with San Diego Mountain Biking Association to design, construct and maintain shared use trails that allow mountain bikes.	Sep 30, 2012 8:00 PM
74	Increase the number of mountain bike trails	Sep 29, 2012 8:42 PM
75	More trails open to MTB users.	Sep 28, 2012 11:18 AM
76	More mountain bike single track trails.	Sep 27, 2012 2:34 PM
77	Open more/all of the trails to mountain bikes. I realize some have been opened lately. More *new* multi use trails (trails, not just fire/access roads)	Sep 27, 2012 10:47 AM
78	More singletrack trails that are open for Mountain Bikes!	Sep 27, 2012 10:10 AM
79	More singletrack trails open for miultiuse/mountain biking	Sep 27, 2012 10:06 AM
80	I'm a mountain biker, and I love having access to Cuyamaca. Keep up the good work, and continue to open multi-use trails!	Sep 27, 2012 10:06 AM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

81	More singeltrack for Bikes Open up more trails to Bikes	Sep 27, 2012 10:05 AM
82	I would like to see all trails open to mountain biking unless there is a specific, logical, and scientifically based reason the trail should not be open to mountain biking.	Sep 27, 2012 10:03 AM
83	Would like to see more singletrack opened to bikes. Good progress being made so far.	Sep 27, 2012 10:01 AM
84	The lady who checked us in was very knowledgeable and helpful.I believe her name was Dawn.	Sep 27, 2012 8:55 AM
85	Don't charge for day use parking outside the campgrounds. Families with children need a free place to visit. We already pay takes for the park.	Sep 26, 2012 7:00 PM
86	Do you offer visitors guided hikes? If not, would you be interested in a volunteer group, something like the San Diego Natural History Museum Canyoneers,doing that? I am active in the CA Native Plant Society and maybe we could work with the park to do something like that.	Sep 26, 2012 6:21 PM
87	Lowet The 8\$ fee to use the ttails	Sep 26, 2012 7:39 AM
88	Would like more kids programs,we often take our grand kids to the lake (fishing) and on short hikes. We don't camp, since we live so close. We greatly miss the museum that burned down. There are not enough rangers.	Sep 24, 2012 2:40 PM
89	guided trail rides	Sep 21, 2012 5:41 PM
90	We have hiking trails, horse trails, bike trails how about off road supervised trails?	Sep 21, 2012 7:04 AM
91	I would love to be able to bring my dog to the park!!!	Sep 20, 2012 8:52 AM
92	We would like for the Park to place a little more importance on opening the Park trails. Since the fire the bushes that replaced the trees need to be cut back.	Sep 19, 2012 10:16 AM
93	Bring back individual horse camping. We used to camp at Los Cabalos all the time before the fire. We have a big motorhome and the Green Valley sites are not big enough.	Sep 19, 2012 7:35 AM
94	Use trail machine regularly to improve park trails. Keep trash out of Hual Cu Cuish parking area. Don't charge so much for day parking, have credit/debit card option to pay, have reasonably priced (see Adventure Pass rates) annual pass. Improve "marketing" of the Park so that potential users know that facilities are open.	Sep 18, 2012 1:36 PM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

Do not alternate closed camping areas - see note above.  
Keep Green Valley area open year round.  
Hual Cu Cuish permanently open, provide day use facility for picnicking.  
Take Upper Descanso Creek Trail off the list for future access to bicycles.

95	Please create an access, equestrian trail from fire road (south end) to horse camp w/out riding on asphalt.	Sep 17, 2012 9:10 PM
96	LOVE this place! Been going there for 35 years, as a child and now with my own kids	Sep 17, 2012 5:05 PM
97	Improve roads, additional parking, maintain all the trails better, improve some of the camping sights	Sep 17, 2012 10:24 AM
98	The greater the horseback activities the better it would be; especially horse packing	Sep 17, 2012 6:33 AM
99	More horse facilities	Sep 16, 2012 2:29 PM
100	Construct the promised horse camp in Descanso	Sep 16, 2012 1:27 PM
101	I am a horseback rider and feel the trails are wonderful, trail maintenance is good and parking (at the bridge) works. I also ride out from friends houses that are nearby.	Sep 16, 2012 7:39 AM
102	I recently heard that you were going to start charging to park at Sweetwater Bridge trailhead. My feeling is if you are NOT going to put in permanent bathrooms, we should NOT have to pay to park. Last year you started charging \$8 to park at Merrigan Trailhead, now people park their vehicles along the roadside (Viejas Blvd) because it is TOO much to charge \$8 per car to park in a dirt lot, with port-a-potties. I think that the park system needs to re-evaluate how much they are charging people, especially for what they are getting in return.	Sep 15, 2012 7:44 PM
103	YES, give us back the family equestrian campground that was closed because of the fire! Been to the somewhat new one on the south end, but it is a long way to go pulling a horse trailer on mtn roads! Right now there is just the group site on the north end of the park. We really MISS the family site.	Sep 15, 2012 6:52 PM
104	Can't think of any right now.	Sep 14, 2012 11:33 AM
105	fine as it is	Sep 14, 2012 8:52 AM
106	Equestrian trails and camping. The current group camp is out of most riders price range, and the facilities leave you away from your horses and tightly bunched up. It take away from that feeling of camping in the great outdoors when you are parked next to another rig.	Sep 13, 2012 6:51 PM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

107	Provide horse rides in order to see more of the park than can be comfortably hiked.	Sep 13, 2012 1:54 PM
108	I wish the horse camp area would reopen some where with in the park.	Sep 13, 2012 1:32 PM
109	Day use at the Mack Ranch, it should be used.	Sep 13, 2012 1:24 PM
110	Greater TRAIL SAFTEY! Bike traffic on single track trails is unsafe due to SPEED, POOR SIGHT LINES, & operator expectations that pedestrians step into the weeds or brush so the bike operators don't have to STOP or YEILD! As a class of visitors, bike operators present themselves as unable to read your "YEILD" admonitions!	Sep 13, 2012 9:51 AM
111	Keep the park open. Please don't close it.	Sep 13, 2012 8:58 AM
112	Horse camp near the old Los Caballos similar to the old Los Caballos, not a group camp.	Sep 13, 2012 8:18 AM
113	Do not charge excessive day parking fees	Sep 13, 2012 7:36 AM

(and safer) if horse trailers can park in the lot, not on the street to avoid the \$8 charge.

123	Free parking! More free parking areas - especially near trailheads.	Sep 12, 2012 12:39 PM
124	Qualifying statement. I am a member of PVMR, my Park activities all related to horse riding. I ride out of Merrigans ranch, so no check in required, and also Sweetwater bridge. My day trips, mostly during the week, are all great, trails in mostly navigable conditions, thank you for your efforts. I would like to see the property on Hwy 79 at the south end of the Park developed for horse related camping and parking for day trips. Thank you	Sep 12, 2012 11:50 AM
125	Motorhome camping with hookups, motorized trails, more mountainbike access.	Sep 12, 2012 9:40 AM
126	Day fee parking needs to be affordable. \$ 3 to \$ 5dollars. \$8 is extreme. People avoid designated fee areas so Park loses money and fee paying users pay for none paying folks.	Sep 12, 2012 8:10 AM

131	Wildflower walks, birding walks, long guided hikes	Sep 11, 2012 10:47 AM
132	Some large groups were very noisy late at night (after 1am), camp host should post and enforce quiet time. Many campers did not mind their children running through people's camp site or doing unsafe things, bathrooms were really filthy and low on supplies, people were washing at and flooding the faucet stations instead of washing at their own camp sites, as has been suggested in the past and everywhere else I have camped. It's been 25 years since I camped here, the facility upgrades are nice, if maintained. Thanks!	Sep 8, 2012 9:12 PM
133	We had very loud neighbors on the Friday night. People were up until 3:30 am, drinking, cursing loudly. It would be nice if the camp hosts could have quieted them.	Sep 7, 2012 9:24 PM
134	Giving some Survival Classes in the parks would be awesome!	Sep 7, 2012 11:11 AM
135	Keep green valley falls open. We had reservations at Paso Picacho for a girl scout group as green valley was closed.	Sep 7, 2012 10:25 AM

**Page 6, Q11. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	Green Valley Falls is much more pleasant and there is more there to keep the girls entertained, especially on a hot day. We found out later that Green Valley Falls had reopened.	
136	Horse camping important. Trails passable is important. I spend \$100-\$200/year to help fund State Parks, as well as CRSPiA because I ride horses at Cuyamaca weekly.	Sep 7, 2012 10:24 AM
137	Make it more dog friendly.	Sep 7, 2012 10:10 AM
138	Just a trash can at Green Valley Falls, at the Falls area, so I can pick up all the trash that others leave behind. I also want to say that Green Valley Falls looks the best I have ever seen it, and I've been coming up there for past 42 years. Thanks!!!	Sep 7, 2012 10:03 AM
139	very nice park family & I enjoy the area, been coming here for 30 plus years love it! maybe \$20 fee for camping would be a better deal!	Sep 7, 2012 9:47 AM
140	We have enjoyed our visits to cuyamaca, keep up the good work	Sep 7, 2012 8:11 AM
141	The rangers were extremely unpleasant and unhelpful. The website was misleading so trying to clarify with the ranger the information we had received led to them threatening us with tickets. Your website needs to be more clear that ONLY two cars are allowed at the site and that cars must pay extra as its not included in site fee.	Sep 7, 2012 7:49 AM
142	On the last day trip my family took to Green Valley Falls, another group of people brought thier dog to the water area and did not supervise the animal, and consequently, it fell and hurt itself. I would like to see that the park rules are enforced. I have seen dogs down at the falls numerous times and not only is it unhygenic, it is rude to the other people enjoying the area. As a dog owner myself, I feel it is irresponsible to bring a pet down there.	Sep 7, 2012 7:44 AM
143	Lake Henshaw was nice. Palomar State Park and Doane Pond were terrible. Cuyamaca and green valley falls are amazing!	Sep 7, 2012 6:44 AM

2	more mountain bike trails for adults and children. We take our kids biking at Paso Picacho, and it would be nice to have more of the near-by trails open to bikes. I can see not having the upper part of Stonewall Peak trail open though.	Oct 31, 2012 11:12 AM
3	I would like to see all of the trails open to bicycles and more areas of the Park open to Mountain Bike riders.	Oct 31, 2012 6:38 AM
4	More mtb trails.	Oct 30, 2012 9:19 PM
5	Open up more Mountain biking trails in the state park instead of being relegated to Fire Roads. Fire roads are not trails!	Oct 30, 2012 11:16 AM

18	The joke of your Fema funded \$850,000 restrooms at Los Vaq are horrendous! Try taking a shower and your clothes hanging get wet and then you have to scrape the water into the drains afterword! Mold is building! The floors need to be floated to drain ccorrectly and shower heads need to be moved to the sidewalls! But use a private local plumber, or even local volunteers, NOT FEMA!!!!!!	Oct 24, 2012 10:51 AM
19	Improved manuer removal system at the horse camps. Copu the system at Vern Whittaker.	Oct 3, 2012 6:23 PM
20	Fly traps at horse camp. Minor grading to make some of the problematic sites easier to get into with a rig. Trails are really overgrown. Overall, though, it's geat!!	Oct 3, 2012 6:23 PM
21	More shade for the horses at horse camps, especially Green Valley Falls, water closer to corrals and no parking fees at Sweetwater parking.	Oct 3, 2012 6:14 PM
22	We lost Los Caballos, you put in horse camping in Green valley falls which we appreciate but the sites are ill equip to handle big rigs except for the handicap and sites 3, 5. Only the handicap sites are level, the rest are not. You closed the park early and tried to open it up very late in the summer, only the determination of the ranger supervisor (the one that is retiring) got the park open. Green valley horse site were completely over grown, we would be unable to see rattle snakes, the corrals loaded with red ant mounds. At Los Varqueros, the rebuilt showers were POORLY designed, not adjustable for different height of people, etc. We riders rent out Los Varqueros at 550.00 a night, we volunteer for mounted patrol, we leave the group camp better than how we found it. Do NOT charge for parking at the sweet water bridge, riders cannot afford to pay for parking at Merriman as it is.	Oct 3, 2012 6:02 PM

	<p>young children. The thoroughly enjoyed their time. We plan on coming back again next year with friends. Regarding the restrooms. They were fine when cleaned but very quickly became a mess. If some bathrooms were labeled "men" and "women" it might help. Also if there were sinks on the outside of the toilet area so people could brush their teeth, wash their hands and face, without having to wait in line it would be helpful. Might keep the restrooms a bit cleaner as well.</p>	
30	<p>Sites with large enough flat &amp; level areas to allow all occupants of a 4-person tent (7' x 15') to spend a restful night would be a big improvement.</p>	Sep 30, 2012 2:46 PM
31	<p>Keep ALL horse facilities (Green Vly) open &amp; for more than just ONE month! Also clear the trails so passage of HORSES is accessible (log the trails). Ticks were awful this year; we combed literally dozens off the horses' legs in May because the trails were overgrown. Showers in Green Vly horse camp need to be hosed out more regularly as they're very dirty.</p>	Sep 29, 2012 7:49 AM
32	<p>We go to th park to escape the fireworks for our dogs. In our city, fireworks are illegal but this is not well enforced... So we escape. More dog friendly references to activities in the area would be helpful. Unfortunately, on our last stay at your lovely tinderbox park, the group of campers in tents did set off a few fireworks which was clearly memorable for us. Park staff immediately addressed it. This was 4th of July so the park and its surroundings were VERY likely to be dangerous if fire or fireworks were set off. The staff did a good job at addressing the issue. My suggestion would be to warn people of the fire danger of fireworks (missed by this group for whatever reason) and if necessary increase fines (and \$ for the park) as well as protecting the remainder of the public if this should happen again. Just a few thoughts. Otherwise the stay was good, albeit hot.</p>	Sep 28, 2012 7:59 PM

61	There were no cleaning products in the bathrooms, and yet we are supposed to clean the bathrooms which were not in good shape to begin with. There needs to be some clear policy on this in signage in each stall, because not many people use the handicapped bathroom in a horse camp. The patrolling ranger, manure removers, and trash people neglected to close the gate at the entrance, so there were many people driving through the camp. When we have been there before, the gate has been kept closed by everyone and we had a feeling of security.	Sep 24, 2012 2:44 PM
62	Maybe add a little general store, so you don't have to drip into town.	Sep 24, 2012 2:18 PM

	was a great hike, but it was a bit disappointing to finally get to the top and find construction equipment and almost no where to rest to enjoy the view. it was kind of junky, and with other people already there ahead of us crowded into one of the few places to rest, it felt like the only thing to do was snap a picture and start heading back down the trail.	
71	Both days we visited the falls there was a large group of college kids with boombox and beer monopolizing one of the falls. There is a large fallen tree off to the side and up high and they were getting high and then climbing this log. It marred an otherwise nice vacation. Apparently this is an ongoing issue so I would advise rangers to visit the falls a few times throughout the day. We asked them to turn music off but they just turned it down.	Sep 24, 2012 12:52 PM

75	No, but the cabins could use some upkeep. One side of our cabin (Cedar) had huge gaps and seemed like it was falling apart. For the price of the cabin, you would expect it to be kept up.	Sep 24, 2012 12:36 PM

83	On the iphone app for Reserve America (which you may or may not have any say), it would be nice to see photos of the sites and maybe some kind of indication if the site is good for multiple smaller tents, or bigger tents. We were with a family with an extra large tent, and with our tent we weren't able to use the fire pit.	Sep 19, 2012 7:12 PM
84	I would like to see more shade for the horses in every horse site. Also the water is not conducive to the average size 50ft hose. The bathrooms should have soap in this day and age of flu virus. I do love the horse trails of Cuyamaca.	Sep 19, 2012 6:54 PM

91	We loved the park and the rangers were absolutely fantastic. However, the woman that checked us in seemed almost put out upon our arrival and was very unfriendly. This experience was the same for all of 10 families in our party that checked-in. The folks at the check-in are the public's first impression and need to be trained appropriately. Again the rangers were some of the best I've seen and I camp quite a bit at State Parks. Feel free to call me if you would like more information	Sep 19, 2012 7:44 AM
92	The campgrounds were very uncomfortable. There were foxtails everywhere which got into my dogs paws which got infected. I had various jackets ruined with foxtails that won't come out of our fleeces. I will not camp there again but may go to the lake at the campgrounds.	Sep 18, 2012 8:28 PM

95	Would like to see another horse camp built in the north end of the park, the new Green Valley is not the best for camping. Need more level sites. The best riding we feel is in the north end. After loosing Los C. we miss this site and area for camping. Would be nice if group camp were not so expensive and could also be used for some camping to local folks for 2 or 3 nights. When the LFR group stays we all chip in and clean all the restrooms and area's surrounding corrals and all...leaving only the trash & manure to be hauld out...with not much else for the park service to do...	Sep 18, 2012 6:34 PM
96	Just wanted to comment that we love the horse facilities and love the fact that a park like this still exists where you can gather with friends and horses and have a wonderful relaxing week and still be only a couple of hours from home. Our horses enjoy it too. We love the wildlife and are happy that the vegetation is coming back after the fire a decade ago.	Sep 18, 2012 5:54 PM
97	The gathering was a 30th birthday for my daughter. We had a scavenger hunt in the park and everyone had a blast. It's a good site to fan out from if you want to do lots of activities while you are camping. Nice to come home after a long day, take a shower and enjoy one another around the campfire! 102	I've been to this park and others in the vicinity several times. However, this time the bathrooms were extremely dirty, ranger station was out of ice and firewood, dumpsters were overflowing, and camp sites were not checked from the previous occupants. The rangers were also unfriendly, but who could blame them since they had to look for alternate employment while the parks temporarily shut down.  I understand the state budget cuts are impacting these areas, but I would rather pay more for camping and day use fees	Sep 18, 2012 9:38 AM

103	As a woman without weapon, I would like to know someone was staying on the grounds in case of emergency. This past summer I brought a friend and her daughter on a weekday. Our stay was wonderfully quiet. I did not see one Park representative. I know we (the state)don't have \$. Maybe phone booths near bathrooms???? An emergency contact for help. Most cell phones don't work at Pasa Picacho specifically. Thanks, love the park.	Sep 18, 2012 9:08 AM
104	The restroom by camp site 35 and 37 are always a mess. It seems to be the most used since it is close to the day parking. Need another restroom for day use so that campers have a cleaner restroom. Toilet paper is always out in this restroom, there is toilet paper and trash on floor and it is wet a muddy from the showers.	Sep 18, 2012 8:12 AM

107	I would have been nice to know of the lack of shade in the site we camped on. Thankfully we decided ahead of time to only stay one night. Otherwise, we would have been very uncomfortable during the following day. Also, with how high camping fees in state parks are, I don't understand why the restrooms are not stocked with hand soap. 134	I camped Cuyamaca Rancho State Park during the summer of 2012. Upon check-in, I was NOT satisfied whatsoever. The reservation was under MY NAME and MY NAME ONLY. Our guest staying with us arrived 30 minutes prior to our checking in. My guests were NOT on the reservation. The park rangers/staff allowed my guests to check-in w/ not confirmed paperwork, no parking fee etc. I find that process a complete joke. The fact that the rangers allowed people who could've been strangers, check-in, not pay parking fees and pass the fee on to me is/was ridiculous. While we worked it out with our guests, the bottom line is, the Rangers should ask for paperwork by everyone checking in. If the guests are not on the paperwork, charge them for parking! When we brought this up to the Rangers, they didn't care. That process needs to change~!!!!!!!!!!!!	Sep 17, 2012 1:49 PM
135	We were at Los Vaqueros Group Camp. My complaints involve security and lack of information at check-in. Check-In person suggested that we shut the gate at the road, but even having shut the gate, many vehicles not in our group drove into our camp to look around. We had kids playing and riding bikes around the camp and on road out to entrance and the stranger-danger/traffic was a safety concern. Also, a number of hikers and horseback riders used the restrooms during the weekend---restrooms we were responsible for cleaning at the end of the weekend. I would have preferred being given a key to use over the weekend rather than leaving them open for anyone to use. Also, a pair of Mounted Patrol riders came into our camp for lunch one afternoon---just rode right into the middle and tied up. It wouldn't have been such a big deal if they'd tied up on the far side, but their horses pawed and dug up the dirt around the hitch posts, sending dust through camp ... and we had to clean up the manure they left behind. They should have asked, they should have cleaned up after themselves and not left it for us to do. I paid over \$500/night and had hoped for a more secure camp. If I do it again, I'll put up a sign at entrance gate stating only Logan Group, no lookyloos, and I'll ask for a key to bathroom, especially since I waited around after checkout time to turn it over to an employee (didn't want to leave the clean bathrooms unattended). Overall, a good experience, but security and bathroom keys are issues.	Sep 17, 2012 1:48 PM

162	It was a brief visit. I don't feel I can make helpful suggestions based on my limited time there. I know it's nature and you can't do anything about it, but when we stayed our campsite was covered with ants (some red that stung when they bit you). We couldn't go without closed toe shoes. We also had bees that would come and not leave you alone (they would follow you around). | 177 | Yes, we camped with our two horses at green valley. One of our horses caught his nose on the s ring for the opening chain on the corral and we had to rush home on Sunday and have his nose stitched. I also heard of another horse with similar experience just not as bad. You should repalce the s hooks with smaller s hooks or clips to prevent this from happening. Horses are always messing around with chains so this will likely happen again. Also, in a few of the campsites the water is too far away. Need to bring water to each site. We are volunteers for San Diego County Park and Recreation and Daley Ranch. |  |

| 182 | We were snowed in and the park rangers couldn't or wouldn't help us. We had to try and push out our vehicles ourselves. It was very difficult and my wife's car sustained a little damage. It would have been easy for the ranger and her backhoe to pull us out, but she didn't do anything even when we pleaded with her.   | Sep 10, 2012 11:04 AM                        |
| 183 | A new day use area for equestrian parking and restroom/picnic facilites. We rarely come for day use because we get hassled by the park rangers if we come back from a long ride and just want to rest for 20 or 30 minutes before packing up and heading out. Most of us riders would gladly pay a day use fee. I feel I can only really enjoy riding in the park right now by getting a campsite which is great but time is limited for me to come up for an extended stay.  | Sep 10, 2012 10:44 AM                        |

| 185 | My only feedback is that I felt like it was not clear when I made the reservation how much parking would cost. It was a while ago that we visited, but I recall seeing different information on your website and on my reservation confirmation, so I was confused. Everything else was great though and we will definitely return one day.   | Sep 10, 2012 9:55 AM                         |

187	The ranger was driving very fast in the park. She almost hit the young children.	Sep 10, 2012 9:30 AM
188	We did have what seemed to be a homeless person. He was defiantly with mental issues. The Staff reacted well to the situation. We also had a breakdown which maintenance was very helpful with finding help	Sep 10, 2012 8:48 AM
189	Priced high - extra fee for a visitng car is not appropriate.	Sep 10, 2012 8:17 AM
190	Recommend periodic leveling of the provided campsite tables and cleaning out of the fire rings. Had a great time and family did too. Will definetly be back!	Sep 10, 2012 8:10 AM
191	On the last two questions, I don't know if high numbers are good or bad. Anyway, I love both paso picacho and green valley. You could probably improve the rest rooms at green valley a little, but other than that, it's perfect.	Sep 10, 2012 7:57 AM
192	Keep the park open for all to enjoy.	Sep 10, 2012 7:53 AM
193	Not an additional activity but would like to comment on the red ants. I know it is nature but we had to move campsites as they were all over the site we originally reserved. We inspected a few others before we found one without them.	Sep 10, 2012 7:45 AM
194	There could be more water outlets in the horse camp area (which is where I camped). Also, there were quite a lot of high weeds, and there were so many rattlesnakes on the trail it made me wonder how many were in the weeds in the campground.	Sep 10, 2012 7:38 AM
195	I miss the ranger-hosted campfires that I remember enjoying as a kid.	Sep 10, 2012 7:38 AM
196	More space between camp sites.	Sep 10, 2012 7:35 AM
197	Allow dogs on trails	Sep 10, 2012 6:14 AM
198	The Jr. Ranger activities was excellent for my Nephews! The information and the manner it was given was captivating the younger audience. You could see the parents (or guardians) standing in the back ground also enjoying the show. Anything to help this program would be great! We found out about the morning activity the night before. Attending the morning activity, we quickly wished we had come up the morning before and attended before our stay.	Sep 9, 2012 10:32 PM
199	I'd like to see the old boy scout camp become useful again. If we could use it for equestrian day riding or even an overnight for individuals [vs. lg groups] camping, I would LOVE it.	Sep 9, 2012 8:18 PM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	Since the other horse camp closed it has become difficult to enjoy the park as much as we were before the fires. Thank you for asking, Lisa	
200	More group activities like rangers working with the kids or fun activities like scavenger hunts or nature and shows or movie night at amphitheater or even karaoke contest between campers at amphitheater.	Sep 9, 2012 6:07 PM
201	can we have at least one campground in all of san diego county that allows pets on the trail? oh wow, she can be on the campsite and the paved road.....my dog loves hiking. But we have to drive all the way up to mammoth lakes to do it.	Sep 9, 2012 5:59 PM
202	Allow dogs. We probably will not go back and will choose non state parks that will allow us to bring our family dog. Even on a leash our dog was not welcome In the park.	Sep 9, 2012 2:22 PM
203	At Green Valley Campgrounds the trees need to be trimmed up so horse trailers can pass sately.	Sep 9, 2012 1:46 PM
204	Great park, I look forward to returning soon with a larger group.	Sep 9, 2012 1:42 PM
205	Nightly Ranger campfire talks. Not everyone has weekends off. About local animals, trees, artifacts, insects, birds, waterways. Question and answer time.	Sep 9, 2012 12:39 PM
206	Restrictions on loud music, ie: playing music from car radio at night, would have improved our experience.	Sep 9, 2012 9:23 AM
207	Keep doing what you are doing.	Sep 9, 2012 7:44 AM
208	The parks are perfect we need to keep it open for everyone to enjoy. We always have a great time when we visit. Thank you!	Sep 9, 2012 1:54 AM
209	It would be nice if the camp hosts could sell ice. We stayed at Paso Picacho, which does advertise that they sell ice, but it was during mid-week, and there was no attendant available during our stay to actually sell the ice.	Sep 8, 2012 11:44 PM
210	More Camping spots, it is an awesome area that is always booked.	Sep 8, 2012 9:49 PM
211	we were on an overnight back packing trip, we enjoyed ourselves but the ranger did not really know much about the trails. she was nice and tried to be helpful.	Sep 8, 2012 9:15 PM
212	Can you open up paso pacacho?	Sep 8, 2012 6:57 PM

214	We always stay in the Los Vaqueros Group Horse Camp, It would be nice to have the Park activities posted in the Ramada, some are posted but not were current.	Sep 8, 2012 4:10 PM
215	We don't have children, so as long as we have privacy and quiet, we're happy campers!	Sep 8, 2012 3:36 PM
216	Security patrol after 10PM. Several sites are not observing "Quiet Time", loud music and loud conversations till 1:00 AM.	Sep 8, 2012 1:28 PM
217	We camped with 2 horses. The trails were rockier than expected and made trail riding harder on the horses. We had to turn around early than expected because the horses were sore from stepping on rocks.  Overall the facilities were great and the woman at check in was fantastic and knew the trails and how long they would take on her horse.	Sep 8, 2012 12:26 PM
218	GV horse camp was a wonderful experience. Website very difficult to find right page and information	Sep 8, 2012 11:41 AM
219	I loved when a volunteer walked around with animal pelts to show the kids. He talked to the children about environmental issues, protecting animals, plants, etc. I love when authority figures educate my kids and others on the importance of picking up litter, etc. (environmental ethics) I also love the nature hike we went on at a visit to the park.	Sep 8, 2012 10:33 AM
220	No, we are always completely satisfied.	Sep 8, 2012 9:02 AM
221	I ranked the above based on 1 being the most satisfied/important and 6 being the least satisfied/ important	Sep 8, 2012 8:35 AM
222	Rangers cleaned the restrooms daily, however, no TP as day wore on.	Sep 8, 2012 7:54 AM
223	I was very disappointed to find that there wasn't a campfire the weekend we made our reservations... This might be something you should list on your website so when making reservations, people know and are not disappointed.	Sep 8, 2012 6:56 AM
224	On the website and by phone it is important to inform that the vehicle fee (also firewood and ice) is by check or cash only. The worst part of our camping trip was not having enough cash and being far away from a bank.	Sep 8, 2012 6:35 AM
225	Management needs to be sure all employees are on the same page with park rules. I came horse camping 3 times and each time there were different procedures for extra car parking. I found this frustrating and it showed a clear lack of communication and employee training. All employees were very nice and they did enforce what they thought the rule	Sep 8, 2012 4:52 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

was. Each employee handled our extra vehicle different this again was frustrating

226	Unfortunately there is always those campers who insist on playing their car radios very loud - We were forced to listen to an entire baseball game blaring from car speakers for 3 hours, this happended the last time we were there too, I wish there were a way to more strictly enforce rules regarding music etc. We were awoken early in the morning with spanish music blasting away - I finally took matters into my own hands and screamed at the top of my lungs to turn the music off. I was somewhat successful. I love cuyamaca - and enjoy the semi ruggedness of the camp site - I would hate to see RV hookups made available - It's a great place because one doesn't have to endure those monster RV's and their generators. Thanks for keeping it open another summer. I hope and pray the State of Calif won't close it next year as they had proposed this year.	Sep 8, 2012 3:04 AM
227	No	Sep 7, 2012 10:33 PM
228	cheap firewood, more shade Park was in better condition than I expected with all the tree issues lately and fire damage- good work!	Sep 7, 2012 10:33 PM
229	Rangers need to patrol campground after 10 PM. They seem not to care... Too many loud parties goping on till after midnight. I had a lot of kids in my grouond, not good!!!	Sep 7, 2012 9:41 PM
230	would like better signage on trails with visual maps that note 'you are here'	Sep 7, 2012 9:04 PM
231	A human being around besides myself would have been nice. I felt very unsafe in my campsite. No ranger at the kiosk on arrival, no camp hostess, no other campers in the loop I was in. I came alone, but expected someone else would be there camping. Knowing there are mountain lions around made it a bit eerie.	Sep 7, 2012 8:49 PM
232	I horse camp and with very few facilities available to us equestrians we treasure Cuyamaca as our special place. I only wish the fees weren't so high, we would use it more often. We need our regular campground back so not to have to pay for the group camp each time. Otherwise I love it and always have.	Sep 7, 2012 8:31 PM
233	Excellent experience overall for all ages. Park staff all outstanding. We had some concerns re: dogs on trails and altercations between campsites over dogs.	Sep 7, 2012 8:30 PM
234	It'd be great if you could have granite springs open all year around. Just remove the trash bin have people pack theirs out and lock the toilets or tell people to bring their own TP?	Sep 7, 2012 8:15 PM
235	We noticed the amphitheater at Paso Picacho has been not used and is overgrown with weeds/etc. What a shame! We	Sep 7, 2012 8:13 PM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	all had to sit at many picnic tables in the day-visitor area for very good bird program and it was hard for the presenters to direct their talk to everybody :(	
236	The check-in ranger was slightly rude and confused. Rangers should not all be scheduled to go home at 3:00 when check-in time begins. No one was around except to collect money once a day, so no one was there to be helpful...just to be bossy and to get money.	Sep 7, 2012 6:02 PM
237	educational ranger-hosted talks in the evenings at least during summer	Sep 7, 2012 5:58 PM
238	I would like to be consider as a host at the park.	Sep 7, 2012 5:53 PM
239	More information on hiking in the day and night	Sep 7, 2012 5:50 PM
240	I was very happy with the horse camp, Green Valley. Thank you!	Sep 7, 2012 5:48 PM
241	better signage on the trails;ie difficulty levels for both humans and horses. steep/rocky narrow etc	Sep 7, 2012 5:41 PM
242	Campfire singalongs	Sep 7, 2012 5:30 PM
243	We have never found any children's activities or educational camp fire available. This is something we would like to see.	Sep 7, 2012 5:05 PM
244	Please staff rangers that can enforce noise curfews and review these rules with guests at check-in.	Sep 7, 2012 5:00 PM
245	We are so thrilled to have horse camping opportunities in the park once again. I have been coming here since the 1970's when I was a kid with my family and now I get to experience it with my children. We do both horse camping and regular camping in the park. Keep up the great work!	Sep 7, 2012 4:25 PM
246	The park host need to do a better job monitoring the noise of other campers. Across from my site was a family reunion of 60 people. They constantly played extremely loud music, were very loud with their voices till past midnite and at one point even used a power saw to cut up a log. The first night at 11:30pm I politely asked them to please keep down the noise as we were trying to sleep. I had to ask them again at 12:15 as they were still being very loud and obnoxious. The 2nd night there even louder. At 8:30 I had to go to the host and have the ranger called to ask them to turn down their two very loud sound systems. The ranger showed up and they turned off their music. Soon again they started back up and their voices were even louder. I had to go back to the host and have the rangers called again. It took the ranger 20 min to show up so in the meantime I walked over to ask them to keep their noise level down as my young kids and wife were trying to sleep. They quickly accused me of being a complainer and told me I should go to a holiday inn, go home..be anywhere but here. They started to get violent with me but fortunately the rangers showed up and handled the situation. They were considering arresting one of the memebers of the group. After the rangers left I felt I should stay up as I want	Sep 7, 2012 4:17 PM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	sure if the situation would be safe for my family. I had restless night but no further incidents. The whole night they continued to let their dog bark and make derogatory comments about me. They basically ruined our camping experience. Apparently other people complain. We were unfortunately about 30 feet from the groups gathering point and dealt with them all weekend. The rangers did a good job but the host I feel could have been more proactive.	
247	Would like to see more children's activities. We've never done any at this park	Sep 7, 2012 4:12 PM
248	there were some campers across from us that were up until 3am playing live music drumming and singing loudly and there were no Park Rangers to be found until the next morning.	Sep 7, 2012 2:59 PM
249	Add more bathroom/shower facilities.	Sep 7, 2012 2:46 PM
250	It would be nice to have more educational events for kids.	Sep 7, 2012 2:37 PM
251	No. We were there camping with our horses. Very nice park and grounds for us and the horses. We had LOTS of fun! A bit expensive though. If it were less expensive, we would definitely go camping more often.	Sep 7, 2012 2:15 PM
252	Thank you for reopening the Horse Campground at Green Valley Cuyumaca!!	Sep 7, 2012 1:50 PM
253	the blond male (18-21 yr. old) at the Cuyumaca lake rental office tried to rip me off after a purchase. He shortchanged me & when I pointed it out, he got real nervous and issued me the correct change. I bought a pond net for 11 bucks.	Sep 7, 2012 1:48 PM

256	Allow dogs on hiking trails Open more trails to mountain biking	Sep 7, 2012 1:32 PM
257	I don't mind paying a little higher than average prices for camping as long as I know it is going to the park and not some third party taking the reservations.	Sep 7, 2012 1:21 PM
258	Children's playground or pool would be great. We live this campground. It is a wonderful community asset.	Sep 7, 2012 1:14 PM
259	Loud music is the only negative that I can think of. Late afternoon to late at night and then again in the morning. Not sure how you would go about policing that, but it is annoying, but doesn't stop me from asking them to turn it down. Great to	Sep 7, 2012 12:15 PM

263	Re-open Arroyo Seco primitive camp. Designate more sites for pack in only trail or primitive camps.	Sep 7, 2012 11:39 AM
264	love it as is!	Sep 7, 2012 11:37 AM
265	It would be great to have a large swimming hole at this park. Or, a large pond towards the top where campers could fish. This is always a good thing for kids to do.	Sep 7, 2012 11:26 AM
266	Everything was great!	Sep 7, 2012 11:18 AM
267	Hook ups! so we don't have to use out loud generator. Thanx!	Sep 7, 2012 11:15 AM
268	It would be very nice if leashed dogs were allowed on the trails. I won't go back for day hikes because I can't bring my dogs.	Sep 7, 2012 11:04 AM
269	If i have preregistrated and paid for the visit why would I need to park and wait in a line to register? Seems that is redoing and doesn't seem worthwhile to take the time to pre-register. Just my opinion, also the person in the booth could be a little more aware of customer relations and less caustic	Sep 7, 2012 11:01 AM
270	This was my first visit at the park and we had a great time. I loved the campsites, the restrooms were clean, and the area is beautiful! The only suggestion I would make is maybe more information on the various hikes in the area. The online map is hard to read and there is not a lot of information on the difficulty of the hikes or the scenery.	Sep 7, 2012 10:58 AM
271	Please make the rounds later at night. Our neighbors made lots of noise and used bad language well into the night(2am!) Also, we noticed a group walking to the falls with a pitbull. Maybe someone could enforce the rule of no dogs on the trails. That is the reason we did not bring our own dog.	Sep 7, 2012 10:58 AM
272	Adding a hand soap dispenser to the restrooms	Sep 7, 2012 10:54 AM
273	A water slide! Okay I'm kidding.	Sep 7, 2012 10:49 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	I tried to buy firewood around 10pm but there was no one around to sell it (obviously, that's late!) but it would be awesome to have it available for purchase more readily. Maybe I just shouldn't be loading more wood on the fire that late?	
274	a swimming pool --- a playground --- more shade	Sep 7, 2012 10:38 AM
275	More Park Ranger activities for the kids.	Sep 7, 2012 10:36 AM
276	Evening ranger presentations are always enjoyable.	Sep 7, 2012 10:30 AM
277	it would be nice to get the nature den up and running again as a cabin rental and to provide ice within the campground	Sep 7, 2012 10:27 AM

279	too many rowdy drunk people at night. it's not prohibition times any more but regulate to create a more family friendly atmosphere.	Sep 7, 2012 10:21 AM
280	Yes. Ranger walk-thrus! My son and I went camping to get away to some peace and quiet in the country. Instead, we had to listen to loud music, loud voices, and obnoxious language late into the evening. I should have sought out the Ranger. A drive through does not help as the Ranger is not going to hear the noise over the sound of his car engine. If was a frustrating evening. Thus, we left a day early and i am unlikely to return to Green Valley Falls, a place i have camped at 2 prior times.	Sep 7, 2012 10:20 AM
281	I enjoyed the park just as it is. Thank you all for providing us city dwellers with an opportunity to share in a wilderness/outdoor experience... I love this park!	Sep 7, 2012 10:13 AM
282	Don't know	Sep 7, 2012 10:05 AM
283	We had a great campout! The only thing would be to emphasize to campers to clean up after themselves in restroom and the leave no trace aspect of the outdoors!	Sep 7, 2012 9:51 AM
284	We go as equestrians. Trail maintenance is always a plus. Please keep the equestrian campgrounds open and available	Sep 7, 2012 9:46 AM
285	Make the showers free I didn't bring quarters with me so we couldn't shower the whole weekend. If u have to raise the rates a couple bucks that would be ok. But making us put quarters in to shower is wrong! Otherwise I love the park! Can't wait to come back!	Sep 7, 2012 9:44 AM
286	Keep the park open	Sep 7, 2012 9:41 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

	It is for the public	
287	I would really enjoy seeing more dog friendly trails in the park. I know there are a few but they are not clearly labeled so it is hard to determine which trails are dog acceptable.	Sep 7, 2012 9:41 AM
288	Better security. Had people camping next to us that were drunk and disorderly and making noise until 3AM.	Sep 7, 2012 9:33 AM
289	The staff was very understanding when we had an issue at our original site with fire ants and they switched us to another site. That other site, though, was quite close to the bathroom and we had a lot of people tromping through our site throughout the night.	Sep 7, 2012 9:29 AM
290	We horse camp. The last time there were a ton of ants in the shower and the timers for the lights were not correct in the bathrooms	Sep 7, 2012 9:18 AM
291	Open up the primitive campsite Arroyo Seco to backpacking, open more backpacking sites and do not concentrate on horse camping as much.	Sep 7, 2012 9:13 AM
292	In the past you've had a Saturday night presentation by a ranger at the common area fire pit and seating. That was always very enjoyable and well attended. Would like to see that started again if possible.	Sep 7, 2012 9:12 AM
293	I stayed at Paso Picacho campground and visited Green Valley Falls. It was a holiday weekend, and toward the afternoon there were people openly smoking pot at the upper falls area. I do not want to be around that so wished that the rangers were monitoring the falls area a little closer.	Sep 7, 2012 9:11 AM
294	the only reason I put a 5 instead of a six for "safety", was that there was a large group of lesbians in the site two over from us that were drunk the whole time, and they were making sexual gestures and flashing. I personally could care less, but I have two small children.	Sep 7, 2012 9:10 AM
295	One of the trails (airplane Mo) were VERY, VERY brushy and overgrown with many ticks. It would be nice to have it cleared as I will not go on that trail again as it is. I had to leave my trip early due to an injury but plan to return in Oct. 2012	Sep 7, 2012 9:07 AM
296	Maybe a small round exercising pen at the horse camp.	Sep 7, 2012 8:57 AM
297	Wasn't aware that there was a jr ranger program. had we known, we would have participated. campfire program would be nice.	Sep 7, 2012 8:50 AM

	bathrooms. Everything else is awesome, love Green Valley Horse Camp!!	
299	Near our campsite there were many campers that did not follow the quiet time rule. There were a couple of large groups that were loud until past midnight. I wish that the camp hosts had enforced the rules more.	Sep 7, 2012 8:47 AM
300	keep the park open!!!! :)	Sep 7, 2012 8:45 AM
301	I chose 1 on all my questions assuming one is the best. The directions did not say. I would like to see more nature walks or talks. I know Paso has the nature talk at night and I really enjoyed that I would like it if they had that at Green Valley. Also my mother is handicapped and has no way to the falls. It would be nice for her and others like her to see them.	Sep 7, 2012 8:43 AM
302	At other parks I was made more aware of the junior ranger program, in part because the rangers involved with it came through the park and announced it the evening before and an hour before. I know this is a lot for already busy rangers. However many campers with kids are unaware of the program and more posting may help increase participation in it.	Sep 7, 2012 8:38 AM
303	Paso Picacho is a nearly ideal campground; I plan to return many times.... ....and thank you for maintaining such a treasure under strained financial times.	Sep 7, 2012 8:37 AM
304	We were disappointed the museum wasn't open even though we were there during their 'open' posted hours.	Sep 7, 2012 8:35 AM
305	A dog friendly hiking trail	Sep 7, 2012 8:35 AM
306	We were not aware of any children's activities. That would have been nice since we had a 7 and 10 year old.	Sep 7, 2012 8:26 AM
307	More Junior Ranger programs and add a playground.	Sep 7, 2012 8:24 AM
308	We miss the beautiful forests of trees but we know you can't control that :)	Sep 7, 2012 8:24 AM
309	More water spigets. More shade.	Sep 7, 2012 8:23 AM
310	Being older adults, we go to experience the great outdoors, do a little hiking and enjoy the scenery. Also we enjoy the camp fires if they're allowed.	Sep 7, 2012 8:20 AM
311	My husband and I recently discovered this park and we had a wonderful experience at this park. We will definitely camp here again.	Sep 7, 2012 8:16 AM
312	community bonfire, some sort of entertainment...	Sep 7, 2012 8:15 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

313	Allowing dogs on trails (leashed of course) would be awesome. Our pup follows right behind us and stays on trail and we would love to go hiking and exploring, but we aren't going to leave her at the camp by herself. Other than that, we love it out there and plan on going back soon. Such a nice getaway thats actually close to town.	Sep 7, 2012 8:13 AM
314	This is a great park, I come here as often as I can. Usually the Springs Campsite is closed, so we were so happy that it was open! I wish it was open more often.It would be nice if tent camping was cheaper, but if the cost has to stay the same to keep the campsites/park open then I am okay with that!	Sep 7, 2012 8:13 AM
315	We park at the equestrian site Green Valley Falls. Very appreciative of being able to camp with my horse and enjoy the trails	Sep 7, 2012 8:13 AM
316	Lower Prices	Sep 7, 2012 8:11 AM
317	Had a great and will be back.	Sep 7, 2012 8:06 AM
318	The site had swarms of flies during all daylight hours. We couldn't leave the cabin unless we wanted to be swarmed with flies.	Sep 7, 2012 8:00 AM
319	I would have liked to be able to have taken my dog hiking on the non-wildrness designated trails like what I can do on Forest Service lands.	Sep 7, 2012 8:00 AM
320	night time activities like a ranger-led full-moon hike or something like that.	Sep 7, 2012 7:57 AM
321	Photography Hike would be a neat program.	Sep 7, 2012 7:55 AM
322	I would like to DELETE this activity from the park = Ranger came into our space and said we were supposed to check out. Our car tag & receipt showed we had another day but she would not check with booth to verify. WE WERE INSTRUCTED BY RANGER THAT WE HAD TO INTERRUPT OUR ACTIVITIES, DRIVE TO BOOTH AND FIGURE IT OUT. WE DISCOVERED RANGER HAD WRONG SPACE!! Booth contacted ranger via walkie/talkie to correct space. Why couldn't ranger verify space before making us drive to booth??? Very annoying!!!	Sep 7, 2012 7:47 AM
323	Nice park. Good experience. Friendly staff. The only reason I gave the cleanliness of the restrooms slightly lower is because they got slightly messy at times, but I think this was due to all the campers. They can make them messy very quickly.	Sep 7, 2012 7:46 AM
324	keeping the horse camps open and keeping trails maintained	Sep 7, 2012 7:43 AM
325	Electrical hook-ups in the horse camp for motorhomes & trailers.	Sep 7, 2012 7:42 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

326	too many foxtales...danger to our pets. Spoke with other campers and same complaint	Sep 7, 2012 7:40 AM
327	The GVF bathroom/shower facility located in the center close to site 36 is hard to keep clean, no matter how hard the rangers try. There probably needs to be another bathroom/shower facility closer to the falls area. That would help greatly.	Sep 7, 2012 7:40 AM
328	No	Sep 7, 2012 7:28 AM
329	More pet accessible hiking trails would be appreciated, but I understand that not all campers are courteous with their dogs. There was one creepy single neighbor that kept staring at our family. Otherwise, great experience! Very comfortable camping.	Sep 7, 2012 7:22 AM
330	More visitor center hours--weekday campers miss out!	Sep 7, 2012 7:22 AM
331	No additional activities - I camp at the group horse camp and it is wonderful!!	Sep 7, 2012 7:20 AM
332	teaching a customer service pack to all staff would be nice while most were courteous and kind, there is always the one that needs reminding of service with a smile, thanks, and yours sincerely, the shaws	Sep 7, 2012 7:20 AM
333	I wish dogs were allowed on the trails	Sep 7, 2012 7:18 AM
334	Organized activities aren't necessary for campers. I would suggest adding an opposing window or other cross-ventilation system for the cabins as they become too hot in the summer. Love the stoves for night time heat! Thanks.	Sep 7, 2012 7:17 AM
335	Access to the lake nearby should be advertised.  One issue encountered was that I had inadvertently reserved a "handicap" camping spot via email, which I did not recall doing. The staff gave me a hard time about it and gave me another spot saying they had the right to turn me around. I think the on-line reservation should more explicitly emphasize the handicap spots and the staff should be more courteous.	Sep 7, 2012 7:12 AM
336	Hiking events during the week	Sep 7, 2012 7:12 AM
337	Activities, even during the summer, are all geared to weekends only.	Sep 7, 2012 7:11 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

338	We were next to drinking young adults who were loud and vulgar. They did not respond to us, neighbors or the park ranger when we asked that they keep it down after 9:00 pm. The ranger only came once. It was the worst night of camping I ever experienced, not just us, but several around our site.	Sep 7, 2012 7:09 AM
339	Everything was nice - thank you. Especially: nice site, clean bathrooms, water spigots for campsites, recycling bins. If there were a night-time ranger program or kids program we would have gone to it (we were there Tues-Thurs night so maybe you have them on weekends?).	Sep 7, 2012 7:04 AM
340	For me not necessarily activities. I use the horse camp. Compared with the County parks that have hook-ups the state parks charge too much, no camp host and other facilities not great. Having said all that, I do love the park and don't want to see it closed.	Sep 7, 2012 7:04 AM
341	West side trail maintenance.	Sep 7, 2012 7:01 AM
342	Generators are a big problem at your park. I have used your park and enjoyed it for 20 years or more. Also I have never heard of any activities for kids and have had many kids visit. Getting out the message better that you have them would be good. Thanks.	Sep 7, 2012 6:58 AM
343	None at this time , but see you next year	Sep 7, 2012 6:58 AM
344	Docent Time on the trails, especially for equestrians who can cover a lot of the park in a weekend .	Sep 7, 2012 6:51 AM
345	It was good overall. I always like information with trail maps with elevation and distance marked, but I don't remember what was available at the park.	Sep 7, 2012 6:49 AM
346	The woman ranger in charge the weekend was completely rude and out of line. There is no reason of any kind for a ranger to ask who is with who and who is sleeping with who. Then to not let my family check in because she wanted to see IN PERSON as I pointed them out who was with who. This woman was extremely out of line. I talked to the volunteers and they were shocked by her actions and have asked me to report her. They said this was not the first time she has crossed the line like that. If whom ever reads this and wants more detail feel free to call.	Sep 7, 2012 6:47 AM
347	The bathrooms were clean in the AM, but by the end of the day, they were disgusting. This was my only dissatisfaction with our stay, and I would recommend a second cleaning at some point in the afternoon. Otherwise, great job!	Sep 7, 2012 6:47 AM
348	shower's I thought to be expensive and the water not very warm.	Sep 7, 2012 6:46 AM
349	We really like the campground and we'll be back again soon	Sep 7, 2012 6:46 AM

**Page 7, Q18. Are there additional activities we could add to this park that would improve your visitor experience? If so, please respond below.**

350 We were horsecamping. Having water available closer to corrals would have been nice. Reservation by computer was a nightmare, even though the worker was helpful and friendly (and sympathetic). But we had a wonderful time. Sep 7, 2012 6:46 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

1	Open more single track trails to mountain bikes.	Nov 7, 2012 2:50 PM
2	I would like to see a survey before a trail changes use...	Nov 7, 2012 11:59 AM
3	More access to trails for Mountain Bikes	Nov 7, 2012 10:35 AM
4	More effort is needed to reforest Middle Peak and Cuyamaca Mountain.	Nov 4, 2012 9:21 PM
5	I'm not so interested in tax money being spent on a bunch of unnecessary facilities and expensive staffing. Some very basic restrooms, minimal trash service, and trail maintenance are most important. Camping facilities should generate enough revenue to pay for themselves, and if not, either the facilities should be scaled back or the camping fee increased.	Nov 4, 2012 8:00 AM
6	My most favorite place to mountain bike. Just wish it was closer to my home:-)	Nov 3, 2012 1:44 PM
7	Great job overall with the park....it's a SoCal gem. Again, would love to see more opportunity for mountain biking/multi-use trails.	Nov 3, 2012 11:20 AM
8	We love the Cuyamaca State Park and the State Park System but wish they would open up more trails to mountain bikers. Possibly have mountain bike group sponsor more trails and keep them maintained for everyone.	Nov 3, 2012 6:31 AM
9	California state parks are over-priced when compared to neighboring states when it comes to RVs. They also offer less or no hookups, but charge more. In WA or OR state parks the cost with full hookups was \$20 to less than \$30 per day, similar ones in CA were \$35 with no hook ups.	Nov 2, 2012 11:02 AM
10	PARK IS BEAUTIFUL. WOULD LIKE MORE EXCESS	Nov 2, 2012 9:31 AM
11	I believe the Park is worthy of much more government support that it now receives.	Nov 2, 2012 8:10 AM
12	When my truck was broken into while riding at cuyamaca, the rangers were awesome in helping me vacuum out my truck and filing a report. Park could greatly benefit with more sustainable single track trails.	Nov 2, 2012 7:51 AM
13	We loved the park before the fire. We rode our horses in the summer and hiked in the winter. It was perfect the way it was. No need to do anything but keep it as it was.	Nov 2, 2012 7:46 AM
14	Thank you for all you do and I love riding at crsp, I would hope to see more trails open to us and I promise you we are a respectful group of riders, we always yield to horses and hikers!	Nov 2, 2012 3:53 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

15	We are so grateful to have the parks to go to. They keep us happy. When our city life becomes too noisy we escape to the parks and hike and camp as often and as long as possible.	Nov 1, 2012 8:15 AM
16	I really enjoy using your park so thank you!	Nov 1, 2012 7:35 AM
17	Please allow access to trails for multiple users, including mountain bikers and hikers.	Oct 31, 2012 2:31 PM
18	I've yet to have a negative experience in CRSP. You guys are doing an excellent job with the resources you have :)	Oct 31, 2012 11:24 AM
19	Thanks for opening up trails and maintaining trails for bikes. This is our favorite family activity while in the Cuyamaca area.	Oct 31, 2012 11:15 AM
20	Open more trails to mountain bikes.	Oct 31, 2012 10:50 AM
21	Love to see more trails for mountainbiking.	Oct 31, 2012 10:27 AM
22	Keep up the good work.	Oct 31, 2012 8:43 AM
23	I'd come more if there was more singletrack. The dirt roads you offer are OK, but not very exciting. It's a beautiful park and I'd love to spend more time exploring interesting trails.	Oct 31, 2012 7:52 AM
24	I love the park and visit it almost every other week when the weather is not hot. I'll be there this weekend again. I want to thank the park staff for their recent work with mountain bikers to make more trails accessible to all three user groups (horse, hike, bike). I really hope this trend continues, and am more than willing to put in sweat equity and monetary donations to make it happen.	Oct 31, 2012 7:17 AM
25	Love the park and its park rangers. The park rangers are spread too thin and need more support. Would also like to see more trails open to mountain bikes.	Oct 31, 2012 7:16 AM
26	Cuyamaca is an absolute jewel we love spending time in the park.	Oct 31, 2012 7:03 AM
27	We love Cuyamaca Rancho State Park!!!	Oct 31, 2012 6:41 AM
28	The state parks are gems that belong to us all. Please don't let one group of park users exclude other groups -- we can all enjoy the state parks.	Oct 31, 2012 6:31 AM
29	I'd like to see more bike trails and more dead fall removal.	Oct 31, 2012 6:07 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

30	Too much priority has been given to the equestrian use. Staging centers for equestrians is a waste of tax payer money. They are the only group that receives such "special" handling by most state agencies. I would like to see mountain bike users receive equally special treatment. We continue man hours for trail repairs and constriction. All we ask for in return is that we be treated equally. There should not be any trails that we are not allowed on. A mountain bike staging area that is equal to what the equestrians have would be nice as well n	Oct 31, 2012 5:09 AM
31	Used to be a frequent visitor, but since the fires, all the good trails were bulldozed into fire roads, and the riding/ outdoor experience plumeted. Without the old growth trees the park doesnt seem worth the trip out. But with some good trail implementation that INCLUDES ACCESS FOR MOUNTAIN BIKES and not just horses, this can be an amazing park once again!	Oct 30, 2012 10:26 PM
32	Single track trails should be open to bicycles by default; however, there is an unfair rule I've read that says bicycles are only allowed on roads by default and trails unless otherwise specified.	Oct 30, 2012 9:51 PM
33	Thanks for all your good work!	Oct 30, 2012 9:28 PM
34	Love the park and the people who make it happen.	Oct 30, 2012 9:18 PM
35	Please open more trails or build more multiuse/mountainbiking trails.	Oct 30, 2012 7:17 PM
36	I love this place and would visit much more with improved mountain bike trails. There has been a great improvement in the last 10 years but there are superior trials nearly everywhere else.	Oct 30, 2012 6:36 PM
37	We love the park and appreciate the incredible staff that care for it and volunteers.	Oct 30, 2012 3:22 PM
38	I would like to see trails open to Mountain bikes that are not on Wilderness land. More Multi-use trails!!	Oct 30, 2012 11:19 AM
39	Hopefully, you got the idea that I'm a horse riding person and would love to see any improvements in this area of activity.	Oct 30, 2012 10:18 AM
40	I am very happy with the current SP policy to try to open access to all users, irrespective of how they propel themselves along the trail. See, for example, the Change-in-Use EIR the SP system is developing. Cuyamaca Rancho SP has a great MTB loop, starting from Sweetwater or East Mesa parking and heading north and east. Maybe someday there might be more connections to Anza-Borrego and the USFS land to the east.	Oct 29, 2012 1:39 PM
41	The Rangers were very helpful. Had a great experience and enjoyed the trails.	Oct 29, 2012 9:32 AM
42	Please increase the horse trails.	Oct 28, 2012 11:05 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

43	I am a senior. I would like to visit Green Valley Equestrian more often, except I can go to a federal campground for 25% of the cost of state campgrounds.	Oct 27, 2012 3:50 PM
44	Love it. Still so sad from fires damage. Camping should be available year round at both campsites! There needs to be a way to contact park rangers late or middle of the night about loud partying campers. Not all cell phones have service in the campgrounds. Pay phones have been taken out and should be put back for emergencies. Thank You.	Oct 27, 2012 9:45 AM
45	We love it here, for our horse vacations, please keep up the good work!	Oct 27, 2012 8:51 AM
46	Cuyamaca has been one of my favorite state park experiences. I am disabled and unable to hike trails on foot anymore. My horses are "my feet". They allow me to enjoy the parks as I did before I became disabled. Please keep it open to equestrians.	Oct 27, 2012 7:55 AM
47	I love everything about it!	Oct 26, 2012 3:00 PM
48	Increase time that Green valley H-camp is open- Spring is the best time	Oct 26, 2012 10:35 AM
49	It is one of the greatest treasures in this country to have such a fabulous Park and Park System available for the public to enjoy...	Oct 26, 2012 6:12 AM
50	Please keep it opened to horses. We did not have the horses when we came but would like to take them next time	Oct 25, 2012 2:50 PM
51	I love all of the Parks and hope that we can keep them open forever!! It's wonderful to be able to go and enjoy nature up close!!! THANK YOU!!!	Oct 25, 2012 6:52 AM
52	I would like to see public comments when you change a trail use.	Oct 24, 2012 12:39 PM
53	Great staff	Oct 24, 2012 12:13 PM
54	Provide a better balance of cultural preservation and quality of accesses. Provide an equestrian family campground in the north end.... Improve Green Valley Equestrian parking aprons and approaches to each camp site for rigs to back or pull into with ease...sites are difficult for even small rigs.	Oct 24, 2012 12:03 PM
55	WE Love the Park it has been a huge part of our life	Oct 24, 2012 11:16 AM
56	Please do not set parking fees at the Bridge or any other day use parking areas. We pay for this park with taxes, which also pay your salaries. I have not used the Merrigan Trailhead since you put in the fees and you just drive us further into	Oct 24, 2012 11:03 AM

	the park to find free parking!?!?!?	
57	Keep the parks, and trails open to the public The parks are for the public Using the trails keep them open and maintained	Oct 24, 2012 10:45 AM
58	Provide better information about trails and place more trail signs out in the park. Remove all building remains from Camp Hual-Cu-Cuish and return it to a natural state. Remove all park trash from Stonewall Mine area; remove the storage container and horse camp, too. Provide better interpretation at Stonewall Mine day-use lot. Remove the primitive camp from Arroyo Seco area. Clean up the park along Upper Green Valley Trail at the School Camp; now, it is trashy. Remove trails from meadows and from archaeological sites where feasible.	Oct 19, 2012 1:29 PM
59	Keep up the great job!	Oct 18, 2012 9:14 AM
60	If you decide to discuss the development of the Merigan Trailhead more please notify the school and nearby residents especially those of us that live on Mizpah Lane and River Road so we have input!!!	Oct 14, 2012 6:31 AM
61	I think it's a shame that more hasn't been done to cut down and get rid of old burnt trees and brush. It's not only a fire hazard it's an eyesore.	Oct 7, 2012 5:27 PM
62	Great job! Keep the campsites open as long as possible each season, please.	Oct 3, 2012 6:25 PM
63	I would like to volunteer as an equestrian helper	Oct 3, 2012 6:18 PM
64	Allow the trail volunteers to use the trail machine which we helped to buy for the park thru crispa. Coldstream trail from the water trough north along the highway needs maintenance very badly. It is a great park, open it more to horse camping, we shouldn't have lost Los Caballos.	Oct 3, 2012 6:08 PM
65	I love the park, and would like to be able to ride my horse through the park, similar to those who can hike through the park. Adding a few strategically located day use area that allow 1 or 2 nights lay over for those riding through and an individual use camp ground for equestrians would add a lot to our beloved RCSP. Thank You for allowing me this time.	Oct 3, 2012 6:05 PM
66	I'm glad to see the attempts to reforest. Be careful in allowing mountain bikes on trails were speed and/or site distance issues can result in conflict.	Oct 3, 2012 6:01 PM
67	camps, horse camps, access, connected trails	Oct 3, 2012 6:00 PM

69	LOVE IT---ALWAYS HAVE morw horse camp--day use and trails please	Oct 3, 2012 4:55 PM
70	The idea of charging fees for day parking is inappropriate. The intent of the park system was to provide a place for all people. If you charge a fee, you are limiting access to only those with the money.	Oct 3, 2012 4:53 PM
71	I think the additional fee idea is not acceptable. It detracts from the purpose of the park. You are limiting the use to only those who can afford it. When parks were created, the idea was to preserve for everyone, not just those that have enough money.	Oct 3, 2012 4:51 PM
72	It's a treasure ... thank you for working hard to preserve it..	Oct 3, 2012 4:50 PM
73	the bridge at sweetwater is the only one that offers horse trailer parking for us!	Oct 3, 2012 4:49 PM
74	The Sweetwater bridge is the only trail head that has adequate horse trailer parking	Oct 3, 2012 4:49 PM
75	Need more bike trails	Oct 2, 2012 9:21 PM
76	Park closures are a sad loss to our state heritage. Opportunities are lost to enrich children's lives and create in them a love of nature and stewardship. Perhaps state parks could reach out to their local communities more to help offset maintenance work and costs.	Oct 2, 2012 9:11 PM
77	PLEASE INCLUDE MORE MOUNTAIN BIKING TRAILS IN FUTURE PARK PLANS	Oct 2, 2012 5:00 PM
78	There was a wildfire across the road. The horses' evacuation was very timely and organized. All of the camping items we had to leave there were still there the next day when we returned to reclaim them. Kudos to the rangers and staff!!! However, the refund was difficult to acquire for the night we were not able to stay for.	Oct 2, 2012 2:08 PM
79	Thanks for considering input from the users of the Park in updating the General Plan. This document warrants no favoritism which, by appearances in the selection of the Viejas site for the meeting, has already been lost....Very poor judgment or reflective of undue influence in the proceedings??	Oct 2, 2012 1:02 PM
80	I'm very concerned about loss of outdoor recreational opportunities that aren't "ball games". Nature's playground for all ages and abilities is the State Park system responsibility. Keep and improve access.	Oct 2, 2012 11:55 AM
81	Great job with the Park! Impressed with the amount of work that has gone into the trails. Glad to see more work is planned and that future multi-use trail routes are in the works! Awesome!	Oct 1, 2012 9:46 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

82	The park is very beautiful. I'd love to have the opportunity to see more of it by bike. MTB groups are willing and able to create and maintain trails.	Oct 1, 2012 2:18 PM
83	Stay exactly the same! The setup is perfect for a few days of casual camping.	Oct 1, 2012 10:30 AM
84	I have been visiting CRSP since 1986. It is really a gem in the area. Please maintain its rustic, camping, hiking outdoor experience and don't ruin it with over development and amenities for those who really aren't camping.	Oct 1, 2012 9:28 AM
85	The campsite was clean and shady and we had a great time. Thanks!	Oct 1, 2012 4:43 AM
86	Terrific park and beautiful scenery. Can't wait to return.	Sep 30, 2012 8:58 PM
87	A formal partnership with San Diego Mountain Biking Association will allow Cuyamaca Rancho State Park to provide more miles of sustainable, fun trails for hikers, equestrians & mountain bikers with minimal cost to the park. This in turn will allow the park to provide a better trail user experience.	Sep 30, 2012 8:07 PM
88	Cost of campsite with no hookups seemed high at \$30. I would be more willing to pay \$20 for no hookups and \$30 for hookups. :)	Sep 29, 2012 4:09 PM
89	Please just keep Green Vly HORSE camp open and for more than just one month/year. It'll become more popular if you manage it consistently well so we can rely on its being open so that we can plan our visits. Thank you.	Sep 29, 2012 7:57 AM
90	We as a family think it is important to get our kids out to state parks to go camping just like we did growing up. We will continue to tell our elected officials to fund state parks and campgrounds!!!	Sep 29, 2012 5:41 AM
91	Enforce no fireworks with stiffer fines and declaration/ posted notice in huge letters (or whatever works) at the gate.	Sep 28, 2012 8:04 PM
92	Loved the bathroom/shower facilities!	Sep 28, 2012 6:50 PM
93	I very much appreciate having trails open to mountain biking, thank you. Thru rider education on trail proper trail educate I believe more trails could be safely opened to MTB. Thank you again for all of the wonderful trails currently available for MTB activities in this beautiful park.	Sep 28, 2012 11:27 AM
94	Need more single track mountain bike trails. That's it. Everything else you do with your limited funds is great. Please keep up the good work and try to recruit your local mountain biking club or advocacy group to help you build more trails to save \$\$.	Sep 27, 2012 2:37 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

95	Donations, both monetary and volunteering are more likely to happen if particular interests are paid more attention to in the park. I.E. I am more likely to help/volunteer/donate when the park shows more interest in accomodating mountain bikers because this is why I usually come to Cuyamaca, including if I camp.	Sep 27, 2012 10:50 AM
96	Awesome place! Steve Boland is a great ambassador.	Sep 27, 2012 10:13 AM
97	Please open more trails to multiuse and mountainbiking. The biking community is more than willing to help on that.	Sep 27, 2012 10:12 AM
98	Please open more tails to Bikes	Sep 27, 2012 10:11 AM
99	I am a member of the San Diego Mountain Biking Association and am proud of our partnership with the park.	Sep 27, 2012 10:07 AM
100	Yes,cut the social services benefits the state pays out to get the money to keep the parks open!	Sep 27, 2012 9:01 AM
101	I'm glad there was an alternative campsite for #80 due to the red ants	Sep 27, 2012 7:08 AM
102	My family loves the paso picacho campground and look forward to camping there every year. Keep up the good work!	Sep 27, 2012 6:55 AM
103	The grounds needed weeding. Great staff. Could use better access to the trails from Green Valley Horse Camp.	Sep 26, 2012 11:42 PM
104	Very disappointed that the Parks have misled us about their financial situation. you should not be charging for parking, you just got a budget increase from the gov. \$8.00 is a lot to families, shame shame!	Sep 26, 2012 7:07 PM
105	This park is a treasure and needs the park staff to increase the understanding of the public about natural recovery, so it can recover from the Cedars fire of 2003.	Sep 26, 2012 6:28 PM
106	We camping at Gr Valley Falls Horsecamp a few months ago when the fire broke out & we had to evacuate. Very difficult in getting refund for the 2nd night that we couldn't stay & when finally rec'ed it (months later), the amount was incorrect. I had reserved 2 campsites under my name for two nights but only was reimbursed for 1 campsite 1 night. That was a little disappointing. Very difficult and lengthy process to get refund. Not user friendly at all.	Sep 26, 2012 4:30 PM
107	We love it!	Sep 26, 2012 12:19 PM
108	Thank you. It's a pleasure having the opportunity to enjoy the nature that surrounds us with our state/national parks.	Sep 25, 2012 10:01 PM
109	Yes, post signs so visiteres will know posion oak and post signs to warn visiteres of the sliperly rocks at the lower falls	Sep 25, 2012 9:02 PM

110	Supply a list of of cool attractions/scenery/activities to go out and locate while hiking and exploring	Sep 25, 2012 8:06 PM
111	My only real constructive criticism is that there was no toilet paper or soap at the bathroom for most of our weekend stay.	Sep 25, 2012 7:31 PM
112	We really enjoyed our stay. Thanks!	Sep 25, 2012 5:16 PM
113	The bathrooms at Paso Picacho were terribly dirty at all times. Also, the restrooms can be somewhat far from many of the campsites. Maybe some Porta potty restrooms in the areas not near the restrooms so campers don't have to walk so far at night time.	Sep 25, 2012 1:28 PM
114	First visit in 1957 for sixth grade camp. Sorry to see the fire damage. Time will heal.	Sep 25, 2012 12:40 PM
115	Ken the host was amazing!!	Sep 25, 2012 11:46 AM
116	we love cuyamaca and so sad when the camp ground at green valley is closed, even for day use. please keep park open all year for horseback riding	Sep 25, 2012 11:19 AM
117	please keep park open for horseback riding and camping	Sep 25, 2012 11:16 AM
118	Great place! Would love to come back!	Sep 25, 2012 10:50 AM
119	The staff is always very friendly and helpful.	Sep 25, 2012 10:37 AM
120	Please level the parking at the campsites so it's more RV friendly.	Sep 25, 2012 9:10 AM
121	Keep updated information on the web site when the camp is closing and when it is open.	Sep 25, 2012 7:50 AM
122	Everything was great! I would like to see the little museum open for kids to explore and maybe someone available for a guided hike to areas where wildlife can be seen...	Sep 25, 2012 7:19 AM
123	the Staff were very courteous. We appreciated the evening rove that were done.	Sep 25, 2012 6:31 AM
124	This park is one of my families favorites. We love visiting and hope this park remains open for years to come. Keep it up!	Sep 25, 2012 5:32 AM
125	it's a beautiful area	Sep 25, 2012 5:16 AM
126	My family and I were very impressed with the campground. If I'd of known of this campground before, this would of been	Sep 24, 2012 9:03 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

	my 1st choice for a campground every time.	
127	We love going there! The campsites have just the right amount of tree cover to make you feel private but not isolated, the bathrooms are well maintained, and the ability to visit other parks is awesome. Plus, we can bring dogs and have campfires. We really enjoyed it and will go again - we always come back eventually :D	Sep 24, 2012 9:01 PM
128	I LOVE IT!!!!	Sep 24, 2012 8:52 PM
129	Paso Picacho was one of my favorite campsites I've visited so far.	Sep 24, 2012 8:39 PM
130	My visits are always wonderful and the people staffing the areas are very friendly and helpful. Thank you all for the great work you do!	Sep 24, 2012 8:21 PM
131	We love it - please don't close our favorite campground!!!	Sep 24, 2012 8:02 PM
132	Would like to have had an evening campfire program.	Sep 24, 2012 7:41 PM
133	Make campsite more visitable on the website. The maps are very platino.	Sep 24, 2012 7:30 PM
134	dont like reserve america-	Sep 24, 2012 7:16 PM
135	My family loves camping at Paso Picacho campground - We love the campsite, location, view. It's clean and safe.	Sep 24, 2012 6:53 PM
136	KEEP IT GOING, DON'T HIDE ANY FUNDING, BE TRANSPARENT,	Sep 24, 2012 6:00 PM
137	thanks for making the survey! i hope it's useful and look forward to seeing how the information is acted upon!	Sep 24, 2012 5:02 PM
138	I would like greater emphasis placed on respect for quiet hours ie., from 10 pm - 8 am. Too noisy and the camps seem to be too close together!	Sep 24, 2012 3:50 PM
139	I love the staff. They are great. Thanks for always taking care of the bathrooms. Thank you for all your hard work. It's my favorite camping spot.	Sep 24, 2012 3:40 PM
140	Would prefer to stay in a cabin when we camp rather than a tent, but the prices of the cabins are too steep. Also, it would be nice if the cabins could sleep four, but not be bunkbeds.	Sep 24, 2012 3:21 PM
141	Weekends are horrible with rowdy, obnoxious campers that yell and party very late at night. More patrols are needed in	Sep 24, 2012 3:06 PM

	the camping area between 10 PM and 2 AM. Loud campers need to be cited and removed if needed.	
142	It's a beautiful place, but we can only afford to go there as a group once a year because of the extreme cost of Los Vaqueros. It would be great to have another option for group equestrian camping on the north end of the park.	Sep 24, 2012 2:51 PM
143	My family and I greatly value the State Park System. Maintaining the resource is extremely important to us.	Sep 24, 2012 2:42 PM
144	It's one of our favorites!!	Sep 24, 2012 2:33 PM
145	We love going camping here! Every year we book a trip just for my husband's birthday. The kids love it and we always have a great time. I have introduced so many of my friends to go camping here! We all love it.	Sep 24, 2012 2:21 PM
146	Overall good experience, except at check-in you do not accept atm/debit or credit cards to pay for extra car parking- had to drive all the way back to town to get cash!! Not happy about that at all!!	Sep 24, 2012 2:14 PM
147	Please consider talking to all park rangers about their attitude. People do not visit this park to cause problems , and if someone is breaking a rule they should remember to speak in a courteous, respectful tone. Talking to campers in a rude, Authoritative manner is not the way one earns respect.	Sep 24, 2012 2:12 PM
148	We enjoyed our stay. Thank you!	Sep 24, 2012 1:56 PM
149	Would like to see it open more during the year. Great horse camp!! Thanks	Sep 24, 2012 1:38 PM
150	Based on my first and only experience, I probably won't return for a future visit.	Sep 24, 2012 1:30 PM
151	The California State Park system is one of the best run. We take advantage of them as much as we can. Keep up the good work!	Sep 24, 2012 1:19 PM
152	We loved Cuyamaca Rancho for the most part. We did leave early because of the flies. There were so many flies everywhere!	Sep 24, 2012 1:15 PM
153	Too crowded.	Sep 24, 2012 1:13 PM
154	We will be back! Great first experience with friends at green valley. Suggestions on which sites are better for multiple tents would be helpful for first timers. We didn't realize our site was at the top of a slope with really only room for 2 med tents, but we made it work with 3. That's camping right!? ;)	Sep 24, 2012 1:13 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

155	I hope they have better shower system	Sep 24, 2012 1:09 PM
156	We love the Julian area and would spend more time there, but there is limited ways to stay cool in the summer	Sep 24, 2012 1:06 PM
157	I missed the last reservation I made due to error on my part. An e-mail reminder of upcoming reservations would be wonderful and save much heartache!!	Sep 24, 2012 1:03 PM
158	Hope the camp site provides more flat surface for setting up a tent at least one spot per site. Wasn't sure if we were allowed to raking the ground to make it flat so we just slept in a slope.	Sep 24, 2012 12:57 PM
159	see comment after activities question. i highly value tent campsites that still have some privacy from neighboring sites.	Sep 24, 2012 12:55 PM
160	I suggest that all visitors be advised that amplified music is not allowed in the campground. Both times we've gone camping in the last year this was the one thing that marred our visit. Otherwise, we enjoyed ourselves immensely!	Sep 24, 2012 12:55 PM
161	Nice close camping with quit serenity. Please don't close it down.	Sep 24, 2012 12:53 PM
162	We have been saddened by the limited dates for camp sites like Green Valley Falls and Granite Springs. We realize this is due to budget cuts, but it would be great if the sites could be open throughout the summer, and even into the fall.	Sep 24, 2012 12:49 PM
163	Thanks! Keep up the good work, preserving our natural resources is very important!	Sep 24, 2012 12:47 PM
164	The kids really enjoyed the junior ranger program. We appreciate all the volunteers who made it an amazing camping experience.	Sep 24, 2012 12:44 PM
165	I love all areas of the park.	Sep 24, 2012 12:40 PM
166	Great place. Thank you!	Sep 24, 2012 12:37 PM
167	really enjoyed the camping. Please keep equestrian camp open. Better marked trails and trail map would be nice.	Sep 24, 2012 7:02 AM
168	The cabins there very uncorfortables	Sep 23, 2012 8:48 PM
169	The road should be widened to accommodate adding bike lanes from Paso to the lake. This would attract more visitors to the area. It's beautiful and flat. It's a dangerous road otherwise.	Sep 22, 2012 6:54 PM
170	Other than price it was a very awesome place to go. Enjoyed it very much.	Sep 22, 2012 10:02 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

171	I loved the park and the staff was funny and helpful, all around a great experience!!! We will be back!!!	Sep 21, 2012 9:38 PM
172	Cuyamaca is one of the premier horse riding areas in So. Cal. I go there every chance I get even tho it is a 3 hour drive. The trails are wonderful. The only problem is trying to get enough people in the group camp because of the cost. We tried to reserve it as a fund raiser and it takes 17 people at \$150.00 each to break even for a 5 night stay.	Sep 21, 2012 5:05 PM
173	Keep our parks open for our use. More camping and parking needs to be offered.	Sep 21, 2012 11:31 AM
174	Los Caballos should be re-opened. There are alot of people that are against what happen to a camp that was there for so many years with no problems. Also nobody really knows for sure that the items found were not planted there. We saw where the Indians dismantled the camp ground. That was wrong if were not aloud on there then why can they go on the site and destroy evrything. That was out of line.	Sep 20, 2012 5:34 PM
175	For the too expensive, we live in AZ where similar sites are under \$20.00 a night.	Sep 20, 2012 5:23 PM
176	The shower heads need to spray the water further away from the wall. I had to practically lay against the wall to get the water on me and I'm only 5' 2".	Sep 20, 2012 3:22 PM
177	We love the Cuyamaca Rancho State Park and enjoy camping with our horses in this area. Please thank the staff and volunteers for their support.	Sep 20, 2012 2:33 PM
178	<p>A few thoughts:</p> <ul style="list-style-type: none"> <li>• Allow volunteers to use the trail machine as they did in the past</li> <li>• Make permanent the equestrian parking at Hual Cu Cuish (currently temporary status) and cleaned up with the addition of a picnic area,</li> <li>• Keep Green Valley area open all year round,</li> <li>• Charge less for trailhead parking and lower the annual pass cost to the same as the Adventure Pass,</li> <li>• Take Upper Descanso Trail off the list for potential bicycle use.</li> <li>• Extend trails and camping into the Tulloch ranch property adjacent to Cuyamaca</li> </ul> <p>• Allow dogs in the park</p>	Sep 20, 2012 8:52 AM
179	enjoy, would like to see more euine camps, really miss los caballos	Sep 20, 2012 7:48 AM
180	I love Rancho Cuyamaca State Park. It is an important part of California. We know many, many people that use it and they all love it. Please continue to preserve this state treasure. Try make the most improvements but keep up so that ours	Sep 19, 2012 10:09 PM

	and future generations can continue to enjoy this great place. Thank you.	
181	This is a beautiful park and I would like to volunteer as a mounted helper to aid in the goal of advocating conservation and education so that people continue to enjoy and respect the wonderful gift of our lovely park. Thank you, Laura	Sep 19, 2012 6:54 PM
182	I think it is one of the most beautiful and spiritual places that I know of! I started coming to Cuyamaca in 1957 as a Brownie, and eventually ended up living there for several years. I have seen it burn down 3 major times and watched it regrow two times and will hopefully live long enough to see it regrow the third time. Cuyamaca is my all time favorite place!!.	Sep 19, 2012 5:58 PM
183	My family greatly enjoys the memories we create camping and hiking in the state park, and I rely on the park for my solitude and spiritual renewal. Please work hard to keep these treasures protected and easily accessible for everyone!	Sep 19, 2012 4:31 PM
184	It's getting harder to reserve a group campsite due to the huge demand. It would be great to add more equestrian camping facilities.	Sep 19, 2012 4:31 PM
185	it would be nice to have the rangers go through camp thirty minutes or so after quite hours begin and get people to quite down.	Sep 19, 2012 4:01 PM
186	I usually travel to the central coast or Northern Cal for backwoods camping... never camped out here so I gave it a try. And had the best wildlife experience of my life: interacting with a mountain lion just after nightfall near the primitive campsite on the granite springs trail. This has been a great experience!	Sep 19, 2012 2:33 PM
187	need affordable fire wood	Sep 19, 2012 1:57 PM
188	Please focus on clearing the trails	Sep 19, 2012 10:16 AM
189	Please see my response regarding staff working at the check-in and performance of Park Rangers area on previous page. Feel free to call me as well.  )	Sep 19, 2012 7:44 AM
190	We stayed at Green valley, the grounds were horrible!	Sep 18, 2012 8:28 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

191	I grew up hiking in these mountains and hope that the area will remain as natural as possible as more access is allowed. I love our mountains!!!	Sep 18, 2012 8:05 PM
192	We are a family of four, and every year we camp -about 6X on average. We travel north to Tahoe, South to Cuyamaca, to Big Sur and many places in between. Keep the parks open, it's an experience every family should share.	Sep 18, 2012 7:31 PM
193	Would love to see more pines planted for future generations to enjoy	Sep 18, 2012 6:34 PM
194	love cuyamaca	Sep 18, 2012 6:13 PM
195	Love Cuyamaca Rancho State Park and want you to know that you do a great job of maintaining it and taking care of the trails. It's always a pleasure to visit and we can't wait to go back. We have enjoyed all of the equestrian parks we have visiting in CA and hope to see more.	Sep 18, 2012 5:54 PM
196	Thank you, our stay was quite pleasant and fun.	Sep 18, 2012 5:47 PM
197	Yes! Better management of noise/activity levels in a shared area is needed. Completely uncontrolled regarding quiet hours when I stayed, creating a horrible night of sleep both by people playing music/yelling late at night (up until 11:30pm) and people walking through my campground at 6:30am.	Sep 18, 2012 3:57 PM
198	It was a good site. A little cramped than most sites we've been to. A lot of bugs at both of our campsites this year! really didn't enjoy that aspect. The hikes are great, but would be better if the view WOW'd the group. Overall OK site. But we would choose Palomar over this site any day.	Sep 18, 2012 2:41 PM
199	You need to be more specific about fees because we were accused of parking more than the number of cars when the number that was posted was two. Also the check in was not very easy and there should have been people to check us in.	Sep 18, 2012 2:24 PM
200	The Park used to be a jewel in the State Park system with great relationships between the users, volunteers and park personnel, collaborating toward the benefit of the park. Current restrictions on volunteer activities has led to decline of trail conditions, despite the best efforts of the volunteers. Charging for parking at Sweetwater and Merigan with the funds in the State Park leads to upset users, making it difficult to get support for park needs.	Sep 18, 2012 1:36 PM
201	it is the one camp trip i love and look forward to just to drive thru when i am in the area is wonderful	Sep 18, 2012 12:28 PM
202	I liked the LACK of RVs in the park. I am a tent camper and appreciate being able to camp where not many RVs are spending their time.	Sep 18, 2012 11:17 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

203	have a great day!	Sep 18, 2012 9:48 AM
204	The condition of the parks is appalling. The trails are in horrible condition. \$35 a night to camp only is outrageous, especially because the campgrounds are in awful condition from overuse and lack of maintenance. The lack of staff to meet people and interpret the resource makes the parks seem like ghost towns--which I guess they are. I'm sorry Californians don't value their parks enough to assure they are taken care of like they should be.	Sep 18, 2012 9:23 AM
205	Love the park!	Sep 18, 2012 9:08 AM
206	Please make this place more dog friendly! I was very disappointed to have to stay on the streets walking my puppy. I know there would be far more visitors to the park if dogs were allowed on hiking trails. I would love to pay to use the park for day use if I could actually bring my dog along. For now I will head up to Laguna where they allow dogs. You should think about changing this policy please! Thanks!	Sep 18, 2012 8:27 AM
207	we are very grateful for the opportunity to enjoy the beauty of nature and our horses in the CA State Parks. It is something greatly anticipated each year and enriching to our lives. Thank You!	Sep 18, 2012 8:22 AM
208	At Los Vaqueros Equestrian Group camp the showers are pointed towards the door which makes for very poor drainage. All else is quite acceptable and enjoyed by everyone who attends our annual camp outs.	Sep 18, 2012 8:19 AM
209	The way the state fights fire and does forest management needs to be re evaluated	Sep 18, 2012 7:41 AM
210	Very user friendly reservation system!!!	Sep 18, 2012 6:03 AM
211	I'll be back	Sep 18, 2012 1:12 AM
212	\$30 per night is too expensive for my family! It should be cheaper off season \$15-\$20.	Sep 17, 2012 9:36 PM
213	Please, state all the fees clearly on your website. The additional vehicle day fee is not so obvious on the website. Should be better marked to avoid confusion upon check-in.	Sep 17, 2012 9:20 PM
214	More shade for the campsites. Enforcement of noise restrictions. Music ban. Hearing other campers music detracts from the camping experience.	Sep 17, 2012 9:16 PM
215	We have made and used grinding holes on our property. It doesn't make them sacred or so special that the area is deemed unusable. We ALL cook and prepare food...just in different ways at different times.	Sep 17, 2012 9:10 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

216	A very friendly environment. My kids grew up camping and always looking forward each year. I just wish the group site at Paso Picacho are open.	Sep 17, 2012 9:05 PM
217	I think California has done a good job so far balancing cuts at the parks and keeping so many parks open, I think fees should be raised at all parks if that is required to keep them open.  I do not believe the reservation system is fair, I have tried for many years to reserve sites at Silver Strand Beach at the beachfront sites and as soon as the system opens up for reservations they are taken already, some people must have unfair access to the reservations.	Sep 17, 2012 8:52 PM
218	Have a system that lets campers know when they could check out at. If their site isn't reserved, they could stay until after lunch.	Sep 17, 2012 8:50 PM
219	I go there to fish. I have stayed at Green Valley Falls and Lake Cuyamaca. One of the things that makes it so enjoyable are the staff members at the lake like Arlene,Rose amd sorry that I cannot remember all of their names...they even cleaned my fish for me....I love it there I will be back!	Sep 17, 2012 8:41 PM
220	I was disappointed in activadvantage being part of my registration process. They used my reservation credit card info to sneakily deduct 60 dollars from my bank account!!It was manipulative.	Sep 17, 2012 8:29 PM
221	I and the City of Compton Parks and Recreation Camping Clubs really enjoys visiting this site.	Sep 17, 2012 8:19 PM
222	We've really enjoyed Cuyamaca and the State Park system. Thank you.	Sep 17, 2012 7:54 PM
223	I took my son and five grandchildren. It was cold in early June, but they had fun!	Sep 17, 2012 7:47 PM

230	My family & I loved to see the rangers patrolling the grounds & loved that their was a camp host.	Sep 17, 2012 6:24 PM
231	I usually backpack. For me this park is WAY too crowded. For the tremendous crowd, you are doing a great job. I tried to camp in your Granite Springs area, but we were too late. So, the fact that you could put me up at all was great. It's great for families!! Keep up the good work. Keep encouraging your guest to leave no trace!! Thank you.	Sep 17, 2012 5:11 PM
232	You all are doing a great job! :)	Sep 17, 2012 5:05 PM
233	Glad the Cedar for spared it!	Sep 17, 2012 4:43 PM
234	We love using the state parks, our two favorite are Cuyamaca & San Simeon which we use on a regular basis. We have noticed there does not seem to be as much of a ranger presence I'm sure due to the budget. The ranger's presence do make a difference!	Sep 17, 2012 4:26 PM
235	Please keep it open! I love this park and have camped here annually since I was a teenager with youth camp 3 decades ago.	Sep 17, 2012 4:22 PM
236	Thanks for doing such a great job keeping the parks running. Kudos to all the staff!	Sep 17, 2012 4:19 PM
237	we really enjoyed our stay and found the facilities to be clean and well kept. Had a large noisy group right below us and it would have been nice if park rep would have asked them to quiet down after a certain hour.	Sep 17, 2012 4:05 PM
238	we equestrian's really do appreciate the state parks providing a safe riding trail system for us to enjoy	Sep 17, 2012 3:59 PM
239	Rangers/volunteers should "patrol" occasionally, especially on weekend evenings, and keep partying groups quieter.	Sep 17, 2012 3:54 PM
240	I love the State Parks, but prices for camping are just outrageous. Nearby campgrounds are \$15 a night for tent sites, and cabins are half the price a night WITH electricity. It prohibits my interest in camping at these facilities :(	Sep 17, 2012 3:54 PM

244	We really enjoyed our stay and the volunteers and rangers were fantastic. We hope to see the park grow back from the fire damage.	Sep 17, 2012 3:00 PM
245	Wonderful place!	Sep 17, 2012 2:50 PM
246	Fully enjoyed our experience, and camping there again this weekend!!	Sep 17, 2012 2:48 PM
247	Our camp site was next to a cabin. The cabin was filled with loud, young people who were drinking. My daughter and I were very uncomfortable using the restroom during the night. We did not feel safe. The ranger made them leave the next morning, but that was too late, in my opinion. The children also found a large, rusty machete in the bushes near the restroom. Very disconcerting!	Sep 17, 2012 2:47 PM
248	My family and friends enjoy Rancho Picacho and Green Valley very much. They are our favorite camping parks. We love walking the trails, in particular climbing Stonewall Peak. Thank you California Department of Parks and Recreation.	Sep 17, 2012 2:45 PM
249	I would like to see more staff and available camping along the coast, especially the San Diego area. Emma wood SB is no longer open to tent camping and that is disappointing. It's one of my favorite beaches to camp/surf at.	Sep 17, 2012 2:44 PM
250	I learned to love this park with my work with TMU. We do 1 to 2 service projects with TMU every year and our boys love it.	Sep 17, 2012 2:44 PM
251	Allow dogs on ALL trails. Dog owners should be responsible for their pets. (the statement that dogs might irritate wild life seems ridiculous to me) Responsible pet owners shouldn't be punished for those that are not.	Sep 17, 2012 2:23 PM
252	My family and I enjoyed this campsite. It was clean	Sep 17, 2012 2:22 PM
253	condition of the rest rooms seems to be inconsistent between different areas of the park. Some are not as clean or well stocked with TP it seems like. We also wish other campers didn't use the sinks for dish washing or (apparently) bathing.	Sep 17, 2012 2:21 PM

256	love it!	Sep 17, 2012 2:11 PM

269	I wish there was more remote camping. I'm from CO and if my buddies saw me camping like this, they wouldn't be able to stop laughing!	Sep 17, 2012 1:44 PM
270	I put my complaint in the wrong box. 2 loud big dogs, barking all day and night. Then they would upset a baby at the same site and the baby was crying all the time too. I reported it to the rangers but nothing changed. Bummer camping next to them.	Sep 17, 2012 1:35 PM

272	Cuyamaca State Park is vital to our community as a recreational destination. It provides beauty, history, nature and helps keep us healthy. All State Parks provide this space. With other agencies purchasing large land areas then closing them to the public State Parks are vital to communities in so many ways! Whether its peace of mind/relaxation; photography, hiking/riding/excercise State Parks are vitally important and Cuyamaca is our ONLY moutain space in So Cal. Please please allow more parking and camping areas. Limit biking as it is a very erosive activity. Thank you!	Sep 17, 2012 9:35 AM
273	Yes, I wish you never took down the older historic boyscout facitities near the mine. The parking just north of green valley park should have remained open. It is not good that parking only be inside park gates..... much more off highway parking should be available. We do not need more control, we need much less.	Sep 17, 2012 6:33 AM
274	I just hope they can stay open.	Sep 16, 2012 1:19 PM
275	This park seems to be underutilized. It seems a shame that most of it is only accessible to those who can hike or bike long distances or bring a horse ( not many of us, I know). I would like to see more camping areas which are improved but farther from the 79 than gv and pp.	Sep 16, 2012 12:31 PM
276	I think when you change a user status on a trail it should go to public comment for review..example Cold stream becoming a mountain bike trail.	Sep 16, 2012 10:30 AM
277	When selecting camp host, please be sure they are friendly people. You have always done this before but this year they were not friendly at all. Makes the difference. Thank you.	Sep 16, 2012 10:26 AM
278	I am concerned that charging for parking will eliminate family use of the park. Many people bring their children for a short visit and will have to rethink that decision due to budget. Some park visitors want to come just to watch the sunset.....shoud they have to pay?	Sep 16, 2012 7:39 AM
279	This park is the best thing in San Diego County. We must keep it open for everyone to enjoy.	Sep 16, 2012 6:42 AM
280	I camped at this park with my family since I was a baby. I now live near it and love hiking. So much of its beauty was lost from the Cedar Fire. I hope my grandchildren will be able to see the lush forest again. I miss the cedar trees along the highway.	Sep 16, 2012 6:07 AM
281	I love CRSP. I camp there a few times a year with my horse, but also head up often for day rides staging from the Sweetwater turnout. It will never be in my lifetime what it was before the fires, but is beautiful nevertheless. I am grateful to have it in "my own backyard!"	Sep 15, 2012 10:07 PM

283	I enjoy using the park and spend alot of time there riding my horse. I really think that if you are going to charge \$8 to park, that you should offer a reasonably priced yearly parking pass (i.e. the mountain adventure pass is \$35).	Sep 15, 2012 7:44 PM
284	We camped 4 or 5 times a year with our horses in the old family campground. My two girls grew up loving to go there with their horses and met many wonderful people that I know really miss the indiidual campsites. Please consider rebuilding something on the north side.	Sep 15, 2012 6:52 PM

289	I love the park, I wouldn't change anything that may negatively affect other qualities.	Sep 14, 2012 12:02 PM
290	I've heard that feral pigs have begun to be a problem in Cuyamaca Park. They're dangerous. What can be done? I love the park (Cuyamaca) and the entire California Park system. I want to be able to share my childhood camping and hiking experiences with my grandchildren. Please work to keep expenses down and the natural outdoor experience available. 293	The park is in good shape and a nice weekend get-a-way.	Sep 13, 2012 9:59 PM
294	I have had many wonderful experiences at California State parks. Unfortunately I now avoid them as they are significantly more expensive than comparable parks.	Sep 13, 2012 6:52 PM
295	As a working person, I often can't plan ahead for camping with my horse and it is a last minute thing. I would like to see a couple of corrals or camping spots left open for last minutes campers, where they could tie to the trailer at least, or have an overflow parking area. Thank you for your time and consideration with my needs and those of my fellow equestrians.	Sep 13, 2012 6:51 PM

298	<p>As one of the millions of the owners of the state parks,I resent the numerous signs which proclaim, "California State Park Property". IT IS NOT THE PROPERTY OF CALIFORNIA STATE PARKS! The signs would be more favorably and accurately viewed if they were to proclaim "These lands owned by the people of California". In small print the signs could add "managed by Califronia department of parks". Or, "Cared for by the public servants of California State Parks"</p> <p>Prohibitions against using modern equiptment to build and maintain safe trails are always ridiculous. These type of prohibitions RESULT in needless TRAIL DEGRADATION. Your creation of designated "wildnerness" areas seems intended to preclude the humans who own the land, who are the very folks for whom and by whom you are paid to serve!</p> <p>"FRONT LINE" hired hands at Cuyamaca, such as Bob Hillis, and Jack Shue of yesteryear, always reflect a consistently genuine attitude of service which this owner finds pleasing and exemplary. I only wish this attitude was more readily found at so called higher levels.</p>	Sep 13, 2012 9:51 AM
299	<p>I love our state park. Please don't close it.</p> <p>Sincerely, Otter Slocum</p>	Sep 13, 2012 8:58 AM
300	I enjoyed my recent hiking trip, however, the West Mesa Trail near the airplane monument and Japacha Spring is in dire need of trail clearing. There was thick brush that was sharp and scratched us up as we hiked the trail.	Sep 13, 2012 8:37 AM
301	As a former camp host I sincerely would not want to see a horse camp in Descanso. There are too many homes nearby. The are only two trails leading out and they are extremely steep and not safe for young kids or beginning riders (Dead Horse Trail and Suicide Hill.) The residents would be impacted by trailers especially disels that show up late at night to check-in not mention the Rvs. Noise carries in the valley and the voices and noise would truly affect the neighbors. The camp rule is quiet past 10 but I spent many a night having to ask people especially those partying to quiet down. It would not be fair to the quiet little community of Descanso to upset the quiet peace of this town. A horse camp needs to be as far away from homes as possible like it was at Los Caballos. 304	My only complaint is that some of the horse trails are way too rocky for the normal horse. I have too many friends that don't go because their horses feet get so sore. That's all!! Everything else is great!	Sep 13, 2012 7:04 AM
305	Continue to find the money in the State budget to keep the Park open.	Sep 13, 2012 6:15 AM
306	Maintain the trails much better	Sep 12, 2012 9:44 PM
307	Please keep improving visitor services and keep the campgrounds open. Public has the right to reasonable access all year long, stop the closures.	Sep 12, 2012 9:13 PM

309	don't expand too much keep the natural beauty as much as possible we love it	Sep 12, 2012 9:07 PM
310	Try to provide more parking. Institute an "Adventure Pass" type system for frequent visitors or day visitors that can be bought locally. Discourage "on street" parking at Merigan Day Use. Try to encourage using local contractors for work issues in the park. Have a more local approach to local communities, open forums, discussions, etc.	Sep 12, 2012 9:03 PM
311	Please offer overnight horse camping for smaller groups. Group camp limits friends and families that want horse camping facilities.	Sep 12, 2012 8:56 PM
312	State Parks are great. Cuyamaca Park has a great feel about it that was there before the fire, and is still there after the fire today. Clean up the dead wood and clear it out if there is too much on the ground in case another fire comes it's not if it's only when.	Sep 12, 2012 8:54 PM

321	Access to public lands is part of being an American. I love this park, always have, since my first visit in 1985. With the loss of Los Caballos I have appreciated the efforts of getting Green Valley open to equestrian camping. However, I really do not understand why the area near Stonewall Mine cannot be used for additional horse camping in the northern part of the park. It is already impacted and currently is used for storage. It is historic (white folks too) and could be a gem of a place. I appreciate the hard work by all of the staff and volunteers! I have had negative experiences from staff who seem to wish I wasn't there. I work in the public sector too and I know who pays my salary, the taxpayers and users of our resource. Thank you to Nedra and Bob for their tremendous work and support, along with their staff.	Sep 12, 2012 1:20 PM
322	I have lived and/or worked within a quarter mile of Cuyamaca State Park in Descanso for my entire career. I am currently on the Descanso Planning Group. I am disappointed to see increasing fees to park and hike, and the temporary and permanent closure of campgrounds. KEEP IT SIMPLE AND FREE.	Sep 12, 2012 12:39 PM
323	It's the best rural State Park available to us in the San Diego area.	Sep 12, 2012 12:25 PM
324	Just a request about the showers at the Vallecitos group camp - which are wonderful to have, by the way - but the way the shower heads are positioned and since the wall between the shower and dressing area does not go far enough across, there is no way to have a dry area to dress once the shower is done. The floor is wet all over - and pants, socks, anything that gets near the floor also gets wet as you are putting it on. My two cents - but really just LOVE having showers available...!	Sep 12, 2012 11:56 AM
325	I have no complaints whatsoever, as my day trips are during the week and I rarely run into anyone out there, which is most pleasurable for me and the small group I ride with. I generally don't ride in PVMR sponsored rides as they are too crowded for my comfort, but I support this group for their efforts to maintain and upgrade the Park facilities with you. Thank you	Sep 12, 2012 11:50 AM

327	there needs to be more informed and polite people who work within the parks. We kept getting attitude and mixed information from the rangers and the camp host was a pain to work with. FYI if there was other campgrounds in the area that had the same regulations we would definitely take our business away from the state parks.	Sep 12, 2012 11:42 AM
328	Would like to see more horse camping opportunities, specifically different areas to group camp in private groups at affordable prices.	Sep 12, 2012 11:19 AM
329	keep it open	Sep 12, 2012 11:08 AM
330	Park needs to be economically sustainable. More campgrounds equal greater income to park. Work with local businesses to promote park and facilities. Vegetation management is a MUST! Re-establish pine and cedar forests/habitats. Give greater connective access to forest service lands. Park system as a whole has been corrupted by preservation extremist and too much focus on acquisitions over quality management. Need more active management of our park lands.	Sep 12, 2012 9:40 AM
331	Merigan trail head parking fee is excessive and has significantly discouraged use of this access point.	Sep 12, 2012 8:59 AM
332	It is a really special place. The park system will find its way out of the mess they are in.	Sep 12, 2012 8:28 AM
333	I support a day use parking fee. I have annual pass. However, the day use fee of \$ 8 is too high. People avoid parking. Lower fee at Merigan to \$ 3 like Los Penisquitos and more will park and likely bring in more money.	Sep 12, 2012 8:10 AM
334	There should be more recognition for volunteers. People drive long distances to help maintain the trails on a monthly basis, for no money, and it's a hassle just to get the state parks volunteer (green) card that is only good for six months.	Sep 12, 2012 7:48 AM
335	I have a complaint about the reservation system...not just Reserve America but also the rangers at the entrance kiosk at Paso Picacho. We have camped there several times over the years (about once a year) and always go with a large group of friends (adults, kids & dogs). We usually rent three spaces and want them to be next to eachother obviously. A couple times, we have rented spaces that are next to a handicap space, and we have asked to rent that and have been told that you have to have a handicap placard and have the handicap person with you, which we completely understand. What is frustrating though is that once the campsite fills up, the rangers or Reserve America (I don't know which one) allows non-handicapped people to rent the space. So, even though we reserve our spaces several months in advance and request that space, we are told "no", but then someone can come in last-minute and reserve the space. That doesn't seem fair. I understand you want to keep it open for a true handicapped person, but then you should at least keep a waiting list of others that don't want it, and then offer it to one of them upon arrival. It's unfair that someone that didn't	Sep 11, 2012 11:08 PM

think ahead to make a reservation can just come in last minute and get a good spot. This has happened to us the last two times we have stayed at Paso Picacho. I even call the day before and ask if anyone doesn't rent the handicap space if we can switch one of our reservations to it, and I'm always told "no" by the rangers. But, then while we are camping there, we always see non-handicapped people ending up using the site. You need to keep better control on that. Either keep your policy of only letting handicapped people use those spaces, or have some sort of waiting list for them. But to just let a walk-in person have it because you are sold out when others asked months in advance for it, isn't right or fair.

336	It would be nice if the budget cuts do not affect the park system	Sep 11, 2012 10:09 PM
337	I accidentally added this info elsewhere in the survey. Sorry. We loved our hike!	Sep 11, 2012 9:23 PM
338	We run into people often from all over Calif who came to camp and ride with horses,	Sep 11, 2012 9:09 PM
339	People were washing their dishes in the sinks in the bathroom, so they were plugged with food remains. Signs indicating where to wash dishes would be helpful. Water spigots outside need to be marked clearly. Camp host should drive through campground at night and enforce the 10 p.m. quiet time.	Sep 11, 2012 8:16 PM
340	Review the wilderness boundaries. Not enough corridors. Mountain bikers are forced to climb highway 79 to enter the park from the south and from the north. It is difficult to ride through the park without subjecting yourself to death in the traffic.	Sep 11, 2012 7:50 PM
341	Would like to see leashed dogs allowed on trails. Please keep a large amount of poop bags available throughout whole campground.	Sep 11, 2012 6:07 PM
342	thank you.	Sep 11, 2012 6:00 PM
343	I've been camping in state parks since I was a young boy. They are some of our state's greatest natural treasures and should be kept accessible to all. Be more fiscally responsible managing the funds our legislature provides for this purpose. You failed to account for \$54,000,000.00? Really? That is grossly irresponsible if not criminal. Remember you serve the taxpayers of this state and it is an awesome responsibility.	Sep 11, 2012 5:40 PM
344	The no dogs on the trails will always keep me from coming back until that is corrected . Answer me this a 2000lbs horse can be on all the trails but a mountain bike can't something needs to change with the standards . This will bring more people back cause the place and people are worth it .	Sep 11, 2012 5:33 PM
345	This is my favorite place on the planet. Please keep it safe!	Sep 11, 2012 5:32 PM

348	Boy Scout Troop 777 does a beginner backpack in Cuyamaca every spring, hiking from Green Valley to Paso Picacho, spending the night there, then hiking Stonewall Peak the next morning. The trails and campground and routinely in terrific shape, and it is a great experience for everyone. That's why we keep coming back!	Sep 11, 2012 4:18 PM
349	I think it would be nice to see an Indian cultural and historical center at Los Caballos ;along with individual horsecamping sites	Sep 11, 2012 4:06 PM
350	We stayed at Green Valley, #76. Great site, and the staff was very friendly. Also appreciated having a water spigot at the site. Again, my only complaint is that the group at the adjacent campsite who arrived during the second day of our trip exceeded the 8-person maximum, and they were loud. We would've stayed another night if it weren't for that issue.	Sep 11, 2012 3:51 PM
351	great group of volunteers working the park trails	Sep 11, 2012 3:01 PM
352	I talk to many visitors in the Park and I hear same concern that it is always "booked" they can never get a reservation that's why I suggested a third camp ground perhaps more geared to motor homes and leave Paso and Green Valley a little more primitive. It is the closest Park to a very large city/county population and perhaps it is time to expand to better serve more of those people.	Sep 11, 2012 2:09 PM
353	THANK YOU for all you have done so far, and as long as this park is open. It is truly a gift.	Sep 11, 2012 1:03 PM

358	CRSP is an extremely valuable resource in San Diego County. It provides a place to get away, great trails, nice camping, and should be kept open and inexpensive for families to visit and camp. I can afford more now, but when I was a child visiting CRSP with my family we could not afford much and it provided us with a very important resource. That is one of	Sep 11, 2012 9:17 AM

368	Great Place Can't wait to come again next summer!	Sep 10, 2012 8:00 PM
369	The flies were so bad we had to get in the car and leave until nightfall. We have camped here 25 years & this was terrible. Was told the rangers don't clean up the horses dung but once a week. No one wants to go back.	Sep 10, 2012 7:57 PM
370	It is recovering well from the fires.	Sep 10, 2012 7:33 PM

373	The website reservation system was very misleading. Nowhere did it say that our campground required a two mile hike in. When we tried to switch to another campground they were all full and the ranger kind of treated u like we were stupid for not checking that in advance. How could we tell since it was not stated ANYWHERE on the website or reservation???	Sep 10, 2012 5:14 PM

374	The park is awesome justhope the funding holds out so we can camp for the whole season. Thanks, Dave Gordon	Sep 10, 2012 5:03 PM
375	We would like to reserve the Cyprus Cabin at Paso Picacho, but can not?? We have in the past (before the fires), but this one cabin is not available??	Sep 10, 2012 4:42 PM
376	The facilities are amazing.....the cabin was super nice....the bathroom/shower area was nice....I just wish that dogs (on a leash) were allowed on trails....I was not able to go on any trials because I couldn't leave my dog by himself	Sep 10, 2012 4:38 PM
377	The woman who checked me into the Paso Picacho campground was extremely rude. I accidentally reserved a handicap campsite online, and told her it was an honest mistake when she informed me of that. This was my first booking a reservation for the campground. She accused me of being dishonest and intentionally trying to take a handicap site. She also threatened that if I did it again, she wouldn't let me camp there. I don't think someone like her should be interacting with the public.	Sep 10, 2012 4:31 PM
378	Please keep the parks open - they're great!	Sep 10, 2012 12:52 PM
379	<p>Our experience was pretty great except for one thing that ruined it. Online it said to bring bedding for the cabins, but we at least expected that they had some sort of basic water-proof mattress (the kind you'd find in a dorm room). We had the worst sleep of our lives because of that and now my girlfriend doesn't want to come back in the future. If it was clearer online that the bunks were literally just plywood, we would have been more prepared and less disappointed.</p> <p>For the price we paid, we felt pretty let down. We love supporting the parks, but nearly \$100 for a plywood bunk is too much.</p> <p>We had a great stargazing experience though, and were pleasantly surprised with how easy check in was and how nice the bathrooms were! (although lights were burnt-out in some)</p>	Sep 10, 2012 12:23 PM
380	Please don't close any parks. If anything, create more opportunities to camp / hike / enjoy more areas!	Sep 10, 2012 12:07 PM
381	No	Sep 10, 2012 11:24 AM
382	Please keep the parks open.	Sep 10, 2012 11:04 AM
383	Love this park. It is beautiful and very unique with awesome trails. My husband and I travel all over horseback riding but this park by far has the best facilities and trails there is to offer.	Sep 10, 2012 10:44 AM

384	We were disappointed that there were no campfire ranger presentations at night. Also, as noted, better monitoring of noisy, drunk campers staying up all night.	Sep 10, 2012 10:19 AM
385	Went for a hike to Azalea Springs early in the morning but didn't make it all the way because of three mountain lions. Was very cool, a little scary, and definitely made the trip memorable! Had a great time and will probably be back next year.	Sep 10, 2012 10:05 AM
386	It is a very nice park. We will go back again.	Sep 10, 2012 9:30 AM
387	We love Cuyamaca Rancho State Park. However, on our more recent trip, they were a lot of campers who were very loud very late into the night. It was unusual - never happened before. But it was a bit annoying. We will return because we know this is not the park but just the group of campers that happened to be there at that time.	Sep 10, 2012 9:15 AM
388	Reservation system for high demand parks i.e. San Clemente State Park is frustrating to say the least. Has the state thought about a lottery where you would know ahead IF you were going to be able to get a site vs. logging on at 8AM along with thousands of others for a chance to get a week if you are really lucky OR a day here and 2 there. Moving a 5th wheel several times a week in and out of various sites is not a lot of fun! We have children and grand children in San Clemente so - it is a destination for a couple weeks each year.	Sep 10, 2012 8:48 AM
389	I wish the State Parks Department was less law enforcement-oriented and more natural and cultural resource-oriented.	Sep 10, 2012 8:33 AM
390	I appreciate the parks - however, \$30 night for a dirt lot and a toilet???	Sep 10, 2012 8:17 AM
391	Saw turkey for the first time and got to pet some horses on the trail. The kids loved it. A bird took the bar of butter off our picnic table so we will be sure to leave nothing out next time. A lot of red ants by our campsite; need method to clear them out.	Sep 10, 2012 8:10 AM
392	It was a wonderful experience and plan on visiting many times in the future. It would just be great if there were at least soap and paper towel dispensers in the restrooms.	Sep 10, 2012 7:55 AM
393	Mentioned the red ant issue prior as was not sure if there would be another opportunity to make a note of it. All else was great.	Sep 10, 2012 7:45 AM
394	Great experience	Sep 10, 2012 7:40 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

396	I love camping at Paso Picacho. I've got great memories of camping there as a kid and am now creating similar memories with my daughter. My only issues concern late-night noise when other campers get a little too boisterous after 10:00pm. But I hope budget cutbacks don't impact Paso Picacho.	Sep 10, 2012 7:38 AM
397	<p>My family stayed at Cuyamaca Rancho from August 2nd to August 5th. The park was great. We loved it and had a great time.</p> <p>The only thing I did not like was that there are no strict limits on how many people can stay in one camp site. A large family took up two camp sites next to us, with about 30 people. This causes a problem for the shower and bathroom lines. My wife and infant son had to wait 30 minutes to get into a shower because they were waiting behind a number of individuals from that family. The limits on campsite guests should be enforced particularly if the groups are significantly larger than what the campsite can support.. In other words, if there is a long line of people from multiple camp sites waiting for the showers it is understandable but one group taking over the park's services is unfair to all the other people who follow the group-size limits.</p>	Sep 10, 2012 7:29 AM
398	Make the campground and trails more pet friendly. We like to go on hikes, and we like to bring our dog, but the dog is not allowed on the trails. This causes us to takes hikes in shifts. The point is to spend time together?	Sep 10, 2012 6:14 AM

404	It's wonderful. Have lived in San Diego for 72 years. Kids and grandkids still come here. Too bad about the fires but glad things are coming back. Keep up the good work. Sorry about the budget cuts too. We can't afford big fancy resorts but we all love the outdoors.	Sep 9, 2012 12:39 PM
405	We really enjoy the state park system and feel it is important to keep them open and maintained.	Sep 9, 2012 9:23 AM

406	Thanks, love to visit California State Parks.	Sep 9, 2012 7:44 AM
407	Just glad these parks are open for everyone to enjoy	Sep 9, 2012 1:54 AM
408	KEEP THEM OPEN! WE PAY ALL OUR TAXES AND THE THOUGHT OF THESE GEMS GETTING CLOSED IS HORRIFYING. Generations of Americans have been brought up camping and the State would take that away?	Sep 8, 2012 9:49 PM
409	Please post and enforce a reasonable quiet time, 10pm? Multiple groups were playing loud music or talking loudly all night long until I asked them to quiet down after 1am. Camp host needs to speak to them, posting signs are usually enough. Facilities are more plush so perhaps too many go camping without knowing camp etiquettes.	Sep 8, 2012 9:12 PM
410	Keep up the great work!	Sep 8, 2012 6:57 PM
411	more dog friendly trails, not paved. burns their paws on most hot days..	Sep 8, 2012 6:07 PM

414	i think the state mismanages its vast natural resources, could profit more by running overnight stay camping more like a business, and increase services which would increase access for all by keeping sites open. i think the coastal campgrounds are too cheap, too difficult to reserve and often taken in advance by professional out of state or retired transient lifestyle campers at the expense of locals, there should be some reserved availability based on residency. reserve america is a bad system, please change it.	Sep 8, 2012 4:23 PM
415	We have been coming to Los Vaqueros Group Horse camp since 1969, we grew up at the camp our children have grown up at camp and our grandchildren are growing up there too. Please try to lower the price, it's worth it but in these times it is so difficult to afford, as well as securing the reservation. Be good to the Park Rangers they work hard Thank you for all you do!	Sep 8, 2012 4:10 PM
416	We hope Green Valley is kept open. This is our FAVORITE camping spot in this area and we try to come as often as we can!	Sep 8, 2012 3:36 PM
417	Please don't close down our campgrounds due to the budget! Many of us are willing to pay a few dollars extra per camping night in order to keep the campgrounds open.	Sep 8, 2012 3:13 PM

418	Better long term Facilities Management of infrastructure. Buildings, roads, camp sites, etc.	Sep 8, 2012 1:28 PM
419	I appreciate having the Green Valley Horse Camp and enjoyed my stay, and will be going again next month. However many friends loved Los Caballos and are reluctant to try the mostly rocky trails in the lower area of the park. Thank you for your work to provide a horse camp!	Sep 8, 2012 11:41 AM
420	It is ridiculous in the horse camp to have to wait outside the campground until precisely 2 oclock in order to drive in - we were there 15 minutes early and were told we had to wait - the park was empty - no one had been in our spot for days and the ranger(male, older man) was simply rude. The female employee who later helped us(not a ranger) was wonderful and kind. Maybe that ranger shouldn't be in a public position. Another later encounter with him was equally rude when we asked to extend our stay - I think in the interest of customer service - just like in hotels - if the space is vacant - let the camper in!	Sep 8, 2012 10:52 AM
421	We love camping and appreciate having a wonderful place to camp. Thanks for all you do to help the State Parks and to help preserve them for our children.	Sep 8, 2012 10:33 AM
422	I would just like say thank you to all the staff; my family and I are very greatful to you that we can experience nature in such a safe environment. There in no better and safer place for Stargazing than Cuyamaca Rancho State Park. :)	Sep 8, 2012 10:20 AM
423	I use this park often. I am disabled and this park has good facilities for me.	Sep 8, 2012 9:50 AM
424	We had a great experience at the park, EXCEPT for the very loud, intoxicated campers near our site. We had to get up, find the ranger's number, and call him at 3AM to ask the campers to quiet down. This was after several other campers had already asked them to be quiet. I wish there had been more ranger presence in the park earlier in the evening, like we've experienced in other parks. Quiet times are posted and printed on the map, but there was no enforcement until we finally called the ranger.	Sep 8, 2012 9:41 AM
425	It would be an incredible loss if the State of California is unable to maintain its State Parks.	Sep 8, 2012 9:02 AM
426	The only true negative experience was a couple of really loud, drunk groups that were loud all night. We had to ask them throughout the night to quiet down. We never saw a ranger or security telling them to be quiet. The next day when the ranger came by to collect a fee, we had to ask them to stop by during the night to keep the groups quiet. I usually see a lot more patols at all other campgrounds and the noise like that is never allowed.	Sep 8, 2012 8:35 AM

428	Please inform campers that all expenses paid to the park (car fee, firewood, ice) must be paid in cash and check only. We struggled to get enough cash and were too far from a bank.	Sep 8, 2012 6:35 AM
429	Please keep horse camps open. I loved watching the turkey chickie babys grow up this summer. I love riding up there its so beautiful.	Sep 8, 2012 4:52 AM
430	I would have liked some of the trails to be better maintained (i.e., over growth, etc.) and could have benefited from trail maps and online help... we had a great time though...	Sep 8, 2012 4:44 AM
431	I love the Calif. State Park System -I think you do an awesome job under terrible budget conditions - The staff is always great and the parks are always available and taken care of. I just wish the state of calif. would stop cutting your budgets and allow you to do the work you are so capable of doing. It's sad to still see big parts of Green Valley closed, because you don't have the money to rehabilitate the areas that were damaged in the fire.	Sep 8, 2012 3:04 AM

435	Rangers need to keep park visitors quiet after 10 PM or kick them out. I don't think they care... they drive around and never get out of their vehicles. I have kids in my scout group and it is not the best experience.	Sep 7, 2012 9:41 PM
436	i love the state park system and Cuyamaca Rancho!! My kids & I spent many, many weekends there when they were growing up. My visit this summer was a re-discovery of this beautiful place. Thank you.	Sep 7, 2012 9:10 PM
437	<p>We stayed for 5 days (Sunday to Friday) at Paso Picacho campground (site #8) in late July.</p> <p>The campground had a nice mix of tent campers &amp; trailer campers. It didn't feel like you were camping in a crowded parking lot filled with wall to wall trailers. Even though we camp in a trailer, we appreciated the restricted times for running generators, and the courtesy 'quiet times'. It made for more quality family time around the campfire. Paso Picacho reminded me a lot of the old equestrian campground at Cuyamaca that we used to camp in a few years back.</p> <p>A special thank you to the guys working at the site, who let us fill up our mountain bike tires using their compressor, you saved the day!!</p> <p>Quick a lovely campground, thanks.</p>	Sep 7, 2012 9:04 PM

438	When park personnel were on duty, they were very friendly. This park looks exactly the same as it did in the 70's, nothing has been done to improve it, such as making camp sites to accomodate larger camp vehicles as people own today. most sites are geared toward tent camping. Go to Riverside County and look at their beautiful state and county parks- there is no comparison.	Sep 7, 2012 8:49 PM
439	I love it and appreciate my tax dollars being spent on something I can actually approve of and see the results. It's a treasure to be preserved forever.	Sep 7, 2012 8:31 PM
440	We enjoy the State Park very much. If the prices had to be increased, it would be acceptable,providing there was some sliding fee for those on limited incomes.	Sep 7, 2012 8:16 PM
441	I really enjoy this park. It's my favorite in Southern California.	Sep 7, 2012 8:15 PM
442	Glad the parks are nearby!	Sep 7, 2012 8:13 PM
443	Fellow campers running their vehicles and and generators for hours at a time needs to addressed. We would have stayed our 3rd night, but we were getting sick of the smell from the diesel fuel. Also, campers playing their music too loud all day and night really stops us from camping at Cuyamaca again.The music echos throughout the whole campground. You need to have more enforcement.	Sep 7, 2012 7:55 PM
444	We have camped at Cuyamaca quite a few times over the years. We really enjoy the area.	Sep 7, 2012 7:52 PM
445	I love it.	Sep 7, 2012 7:05 PM
446	I have been enjoying the California State park system for the past 18 years. Our favorite location is Palomar Mountain Group sites. Green valley falls next and then Paso picacho. My family & friends love the camp grounds and feel they are in very nice shape. There is always room for improvement, but these campgrounds need very little.	Sep 7, 2012 6:14 PM
447	Very, very very glad & happy Green Valley campground stayed open!	Sep 7, 2012 6:04 PM
448	Soome of the trails and campsites could use a little clean-up and refurbishing but on the whole I will return 5-6 times a year as long as you KEEP IT OPEN! The 175-mile drive from Yuma AZ is worth it.	Sep 7, 2012 5:58 PM
449	My family and I enjoy it a lot camping.	Sep 7, 2012 5:53 PM
450	Cheaper price for campsites and firewood.	Sep 7, 2012 5:50 PM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

451	I love Cuyamaca!!!!	Sep 7, 2012 5:48 PM
452	I just wish there were a few more horse camps.if prices go up I will have to stop camping due to the costs of fuel and campsites' no deed to add a per horse charge.	Sep 7, 2012 5:41 PM
453	we enjoy it very much. thank you for all that you do!	Sep 7, 2012 5:05 PM
454	Need ranger presence at fire road falls. Digs in the waterfalls and rowdy people drinking alcohol. Not the best for me and my kid to experience nature.	Sep 7, 2012 4:51 PM
455	<p>We were concerned last Fall when our reservations at Green Valley Campground the last week of October were cancelled due to the park deciding to shut down early. The entire horse loop was booked which was guaranteed income for the park, yet two weeks were canceled and refunded. There are many horse campers that would be happy to provide the bathroom cleaning chores if it was simply a matter of staffing someone for that. I have to admit that the park rangers were great trying to find out if they could squeeze us in at the group camp or the volunteer corrals at Stonewall mine, but alas it wasn't to be. I think the real issue was with the company that did the reservation system for the parks. I have found often that they don't know when it is open or not, It was better when there was more local oversight by the parks department to the booking process(back in the 1980's).</p> <p>Also, it would be nice to have day-use access in that loop for riders that want to picnic as there are no corrals for day use at the sweetwater parking site. The old Los Caballos campground had a fabulous day use area and I would like to see something similar to that again somewhere in the southern end of the park. I have yet to check out the staging area at the north end of the park by the boyscout camp. keep up the great work!!!</p>	Sep 7, 2012 4:25 PM
456	I found the Paso P. campsites to be awfully close to one another and could use more space between sites. Also, there was so much noise from adjacent campsites one night it was impossible to sleep-It went on well up until midnight.	Sep 7, 2012 4:23 PM
457	Please see my above comment about our rude, loud and violent neighbors. They really made for a bad experience for me and my family.	Sep 7, 2012 4:17 PM
458	Our visit was an enjoyable experience, thanks!	Sep 7, 2012 4:15 PM
459	Please keep our parks open. The most frustrating part is that you have to use reserve America to book a site and things fill up so many months in Advance.	Sep 7, 2012 4:12 PM
460	I've been coming to Cuyamaca since I was a kid & love bringing my children here now! We had a great time over the 4th of July! The staff was awesome. The campsite was clean and well maintained. The bathrooms were immaculate! We will	Sep 7, 2012 3:40 PM

461	My only problem is with the reservation system. It's hard to navigate and this time I received wrong information and almost missed out on our family camping trip because of it.	Sep 7, 2012 3:18 PM
462	As an equestrian it is getting more and more difficult to find horsecamping and trails where we do not have to share with mountain bikers. Please create separate trails. Bikes and horses do not belong on the same trails. Equestrian activities have been around longer than the recent fad of mountain bikers and it poses a threat to both riders. We love camping at our state parks with our horsey families but for the safety of our animals create horse camps that are safe for both animal and rider, larger corrals, wider roads for larger rigs, hose bibs closer the corrals. We had to connect 4 hoses last time just to get water to our horses... Perhaps if things get tight solicit volunteers and donations... don't wait for the government to hand out monies for these improvements. We don't want to lose these previous state parks but they do not improvements.. thank you for allowing us to voice our opinions, it means a lot to us horsey people! :)	Sep 7, 2012 3:17 PM
463	I am grateful we have the State Park System and Cuyamaca Rancho State Park is a wonderful destination!	Sep 7, 2012 3:04 PM
464	See you again sometime.	Sep 7, 2012 2:46 PM
465	Cuyamaca State Park is a very valuable destination for horse owners. The equestrian campsites and trails are so appreciated!	Sep 7, 2012 2:46 PM
466	Loved it. Can't wait to come back. Having to pay for the second car to park is a little annoying.	Sep 7, 2012 2:37 PM
467	Keep it open and lower the overnight fees so more low income folks can enjoy our beautiful natural resources.	Sep 7, 2012 2:18 PM
468	Stay was not so pleasant due to noise from other campers. Would be nice if facility had ranger contact to assist with noise control late at night. Realize with campers comes noise which defeated the purpose of leaving the city - oh well!	Sep 7, 2012 2:17 PM
469	liked the fact the tent sites each had a water spigot.	Sep 7, 2012 1:48 PM
470	Thank you for the wonderful way I feel after spending a couple of days in your parks!	Sep 7, 2012 1:21 PM
471	We love the park system and Paso Picacho campground especially. We especially love the cleanliness of the restrooms. Keep up the great work!	Sep 7, 2012 1:14 PM

473	Love the park, wish there were more funds available so that some of the closed areas could be refurbished & opened.	Sep 7, 2012 12:28 PM
474	Sad that Cuyamaca forest isn't recovering better after the Cedar Fire, and disappointed that State Parks aren't better funded and appreciated	Sep 7, 2012 12:14 PM
475	It would be nice to have the horse camp open for longer period of time. Start earlier and stay open until nov.	Sep 7, 2012 11:53 AM
476	My fiance and I got engaged at the top of Cuyamaca Peak in November 2011! It is a very special place!	Sep 7, 2012 11:46 AM
477	I LOVE IT!!! I love horse camping there. Please keep it open!!	Sep 7, 2012 11:42 AM
478	I love Cuyamaca, the established camps are a little expensive but I can tell by the condition of the park that my money is being well used and therefore is not such a big deal. I wish there was more back country camping especially at Arroyo Seco so I can explore that side as in depth as I've explored the other side. I love the diversity of wildlife in the area and the staff is always stoked to be of service.	Sep 7, 2012 11:39 AM
479	keep Green Valley Falls open!	Sep 7, 2012 11:37 AM
480	Please don't close down!	Sep 7, 2012 11:15 AM
481	Please do not close, vote for a new Gov., Brown took us down once before and he's doing it again!	Sep 7, 2012 11:11 AM
482	WE were told to leave the part after our first day at Green Valley Falls as there was a fire across the street. We had reserved and paid for a second night. There was no refund to my credit card and I had to call on this matter. Then the person I spoke with at reserve america had no information about the fire and us being asked to leave. I feel this should have automatically been taken care of for us.	Sep 7, 2012 11:08 AM
483	It would be great if leashed dogs were allowed on the trails.	Sep 7, 2012 11:04 AM
484	Please make the rounds later at night. Our neighbors made lots of noise and used bad language well into the night(2am!) Also, we noticed a group walking to the falls with a pitbull. Maybe someone could enforce the rule of no dogs on the trails. That is the reason we did not bring our own dog.	Sep 7, 2012 10:58 AM
485	This is a beautiful park, and apparently well managed. restrooms were deplorable, stopped up and overflowing please fix. thank you	Sep 7, 2012 10:54 AM

487	The people at the check in station were great. My husband injured his arm unloading our horse and they were so nice and bandaged him up.	Sep 7, 2012 10:32 AM
488	Our family really loves the Green Valley Family Horse Camp. Thank you so much for getting it opened. Please,please keep it open.	Sep 7, 2012 10:30 AM
489	really grateful for the opportunity to enjoy nature in a safe and rustic enviornment	Sep 7, 2012 10:27 AM
490	Is there any way to use volunteers (individual, scout groups, etc.) to keep parks open and to tackle tasks that it's hard to find funding for? Eagle Scouts and Girl Scouts are always on the look-out for worthy projects to tackle to earn awards. Maybe individuals or church groups could help out in exchange for lodging/camp space?	Sep 7, 2012 10:25 AM
491	Please keep it open to equestrians year-round, even day-trips.	Sep 7, 2012 10:24 AM
492	Several of the campers could use a lesson in camping courtesy. Perhaps this could be a handout they receive when they check in. Things like not walking through other campsites, not messing up the bathroom, keeping the noise down, etc. As for the State Park System as a whole, I believe the nightly fees should be increased for the most demanded time periods. It is very difficult to make a reservation at many parks during Memorial Day or Labor Day weekend. Increasing the fees for these time periods would help the funding of the state parks budget.	Sep 7, 2012 10:23 AM
493	We camped at Green Valley Campground this time and thought to give it a try as we usually camp at Paso Picacho. On the first night, we went to a bathroom to get ready for the evening. In the men's room, someone had wiped feces on the toilet seat and left their waste in the toilet which filled the whole bathroom with a terrible stench and rendered that bathroom in my eyes, unusable the rest of my stay there. Although, this was an isolated incident, this type of behavior by inconsiderate campers ruin it for the rest of us.	Sep 7, 2012 10:22 AM
494	you guys have done a great job restoring since the fires. great to see nature again!	Sep 7, 2012 10:21 AM
495	Yes. I think the Rangers should 'walk the campsite grounds' and ask people to turn down their music. Also, be alert for drunken, obnoxious behavior. My son and I were exposed to a plethora of foul language words. It made for a frustrating evening/stay.	Sep 7, 2012 10:20 AM
496	Thanks! Great park. Wonderful asset for San Diego.	Sep 7, 2012 10:17 AM

	operational year round. Southern California is such a densely populated area these 2 State Parks are such a HUGE reason I choose to live here. I would MUCH RATHER see prisons closed and non-violent prisoners released to save CA budget money than to close a single State Park. Or layoff a handful of \$100,000.00 per year paper-pushing administrators rather than close a State Park...! SERIOUSLY!!! Priority check!	
498	Green Valley Falls is our favorite campground in Southern California. Thanks VERY much! We love it.	Sep 7, 2012 10:10 AM
499	Best southern California park I have visited. Falls are amazing	Sep 7, 2012 10:10 AM
500	The prices at GV horse camp are too expensive. If you lower them a bit you'll get more campers. Also the reservation site gives the wrong info about the price of two rigs in a site. The price we ended paying was way more than what we read and it was an expensive weekend.	Sep 7, 2012 10:05 AM
501	I just want to compliment the condition of the Falls area at Green Valley. It has never looked so good.	Sep 7, 2012 10:03 AM
502	You guys are doing a great job and we love supporting you.	Sep 7, 2012 10:01 AM
503	I've been going to Cuyamaca for years and love it. It was great to see the young saplings that have been planted to restore the forest that's been badly damaged by fires during my last visit. I miss the giant oaks that used to provide shade on the trails but still love the park and will be back soon. Thank you CRSP!!	Sep 7, 2012 9:52 AM
504	It is really a beautiful State Park and I am so grateful it is so close to home! It is truly a wonderful getaway for San Diegans and other visitors alike!	Sep 7, 2012 9:51 AM
505	cheaper camp sites!! leave camp sites open all year long?	Sep 7, 2012 9:47 AM
506	California State Parks are so important to the future generations of Californian. It is so important that they be open and available to our citizens. They all just have so much diversity and opportunity for learning, appreciating and enjoying the outdoors. Thank you	Sep 7, 2012 9:46 AM
507	Internet reservation website was not stable while booking. I ended up booking twice and had to cancel one of them due to website got locked up. This is not pleasant experience when I was charged for cancelling fee that I should not had to deal with.	Sep 7, 2012 9:45 AM
508	When we arrived our cabin was locked. Took a long time to find anyone to let us in. We were about to leave when a ranger was locked to let us in. Apparently no one knew we were coming and reservation was overlooked. In result we were questioned and checked several times.	Sep 7, 2012 9:44 AM

509	The parks are for the public to use, not to be closed. We need user friendly officials not environmentalists that close "our" land. The parks bring in income to the State.	Sep 7, 2012 9:41 AM
510	We had an awesome time and we love your camp grounds!	Sep 7, 2012 9:41 AM
511	My friend and I arrived around 1 and there was a ranger to greet us. Two of our other friends were meeting us later that afternoon. We had looked ahead and thought it was okay to have multiple vehicles as long as they were paid for (the information on the website is very unclear). When they both arrived (in separate cars) at 4, there was no ranger. They did not pay the extra car fee, because there is no sign that clearly states where to drop the fee. The next day we were shocked to find two tickets. One for the extra car, which we completely understood and paid right away, and one for \$70 for the third car. If you have a two car maximum, you need to post large signs on the campgrounds and website letting your campers know. We looked online and found no information that supported the two car rule. We felt cheated, and I'm not sure if I will return to your campgrounds, which I love and recommend to all my friends.	Sep 7, 2012 9:37 AM
512	Better security to keep unruly/loud campers in line.	Sep 7, 2012 9:33 AM
513	Very understanding and friendly staff.	Sep 7, 2012 9:29 AM
514	I would like it if my dogs would be able to join me on the trails. I don't understand why responsible dog owners have to leave their pets at home. People and horses are more destructive to natural habits than dogs are. Please look into changing this policy asap.	Sep 7, 2012 9:22 AM
515	Loving Green Valley Horse Camp..Need to advertise more so people know it is there. Many don't when we share where we camp. Also allow generator use before 10 am. We are up, got to the feed the horses :)	Sep 7, 2012 9:18 AM
516	We had a great time there. Would like it if the massive RVs weren't allowed to run their generators at 7am.	Sep 7, 2012 9:17 AM
517	Great park, but the parking fees are ridiculous.	Sep 7, 2012 9:16 AM
518	I observed very few new tree saplings in large burned areas of the park.	Sep 7, 2012 9:13 AM
519	All the staff at the camp site were so friendly and helpful! It was a great way to start out our camping trip!	Sep 7, 2012 9:13 AM

520	Glad to see it has come back after the wildfires a few years ago. It's always a pleasure to camp there and we've now brought others so that they can enjoy too.	Sep 7, 2012 9:12 AM
521	<p>This is one of my favorite parks to visit because of the diversity of the area. I love the trails surrounding Paso Picacho campground, and I love hanging out at Green Valley Falls. I enjoy eating at the little restaurant by Cuyamaca Lake as well as the restaurant in Descanso. It is also enjoyable to visit Julian after a weekend of camping at the park.</p> <p>My only complaint with the California State Park System is the inability of the camp hosts to monitor the noise level after 10:00 p.m. Every time we have been camping, we always have groups who are incredibly noisy and no one does anything about it. This has happened at San Jacinto SP, Cuyamaca Rancho SP, and Big Basin SP within the last year. In some cases, I think that boisterous, drunk and obnoxious people sneak into the campground after the rangers leave, party all night, and then leave before they can be charged for the campsite. This is what happened at Cuyamaca Rancho SP. My question is why don't the camp hosts do anything about these people?</p>	Sep 7, 2012 9:11 AM
522	I am from northern CA and spent much time in the mountains there and in Oregon. I was surprised to find a pine forest campground in San Diego County. I am impressed on how well the campground is kept. Whoever runs that place is on top of it. As I stated previously, the behavior of the group of drunk lesbians was a little out of bounds, but I am sure that is why they were there (not many other places can 15 lesbians sort of do what they want). I would have said something if one of my kids said something, but I think they did not notice.	Sep 7, 2012 9:10 AM
523	The equestrian group campsite is not the best for camping. It can get pretty cramped on the asphalt. The trails near Green Valley Falls need to be better maintained. It would also be nice to have an area to do some ground work with your horse.	Sep 7, 2012 9:07 AM
524	Green Valley restrooms- fair. Paso Picacho restrooms- very good condition.	Sep 7, 2012 9:00 AM
525	Very happy to see you made another horse camp after the fire at the single horse camp by the lake. I would like to see another singles horse camp by the lake. It is hard to get alot of people together for the group camp.	Sep 7, 2012 8:57 AM
526	Keep the parks open!!	Sep 7, 2012 8:47 AM
527	keep the parks open!! we need funding!! but you already know that :)	Sep 7, 2012 8:45 AM
528	We had a great time at the park with our boy scout troop.	Sep 7, 2012 8:39 AM
529	The ranger in charge of cleaning the bathrooms by campsites 71/72 at Paso Pachico was so pleasant and kept those bathrooms as spotless as humanly possible. Great park employee. Hope he is still there the next time we visit.	Sep 7, 2012 8:38 AM

530	Dont let them close you down my love of camping came from my father taking me camping all the time and now I am doing the same with my sons who love it and will hopefully take their kids camping when they get older...it would be sad to lose that opportunity... or for it to become cost prohibative (imagine Disney land costing less for two days than camping for two days)	Sep 7, 2012 8:38 AM
531	I believe it is necessary to preserve these park systems for future generations. Seeing the amount of people out camping during a recession reiterates the importance of these parks for affordable family vacations.	Sep 7, 2012 8:36 AM
532	Love the campsites at Green Valley, nicely wooded and feel kinda private even though they're close together	Sep 7, 2012 8:36 AM
533	We would love to visit the State Beaches more often in our RV, but it's almost cheaper to get a hotel room rather than pay the high RV beach camping fees; especially when adding in the price of gasoline. We've done some tent camping just because it's a bit less money.	Sep 7, 2012 8:35 AM
534	I would go a lot more often if I could bring my dog on a hike (leashed, of course)	Sep 7, 2012 8:35 AM
535	Ok, you asked for it, so here it goes. On my last few visits Green Valley campground has been closed, it needs to be open. When I've stayed at Pasa Pacacho it been crowded because of this. Also, the "Volunteer" campground hosts needs to be more friendly. I think Bob was his name, he came across as an old grouch who didn't seem to think a friendly attitude was needed in his "Volunteer" job. Also, free parking near the Stonewall Peak trail head would be great. Should I mention trail maintenance? Some of the trails have been closed for an awfully long time, what, since the 2003 fires. Isn't it time to sink a little funding into the reopening of some of these trails. Or at least get some crews out to clear out some of the bushes that have over grown some great trails? (Like Monument trail and Upper Descanso Creek trail, just two examples) Do you still have a volunteer trail crew program? Where do people find out about this? Cuyamaca is one of the best California State Parks, keep it that way. Clean up the dead trees in the camp grounds, that I'm sure are safety issues (and probably your justification to keep camp sites closed). Open up and maintain the trails. Give more access to mountain bikers. Reduce or eliminate the day use fees (it's not like you sink much money into the picnic areas). I love this park, it's my "go to" when I need to hit the trail, the views from Oakzanita Peak keep me smiling (and I can see my house from up there). Thanks for listening to my rant. Joe LaRocque	Sep 7, 2012 8:34 AM
536	It would have been nice to have water at the camp site or easier access to water (for dishwashing etc.) at the restrooms.	Sep 7, 2012 8:32 AM
537	Survey way too long, Park is great, more campsites needed, less space for each so more people can enjoy the park :)	Sep 7, 2012 8:32 AM
538	don't charge for parking, \$8-\$10 proposed is ridiculous for day use of a state park. The state parks have stashed away \$54 million dollars yet they want to charge tax payers \$10 to go on a 1 mile hike in the park	Sep 7, 2012 8:30 AM

539	Have been going there for over 20 years. It has many wonderful memories. It hasn't changed much and that's what we like.	Sep 7, 2012 8:26 AM
540	I love to go and get away from everything. I just wish it was more private.	Sep 7, 2012 8:23 AM
541	The one thing that we were never told is, "What are we supposed to do if we have a real emergency and don't have a cell phone?"	Sep 7, 2012 8:20 AM
542	We love Cuyamaca Rancho State Park and will camp there again!	Sep 7, 2012 8:19 AM
543	Cuyamaca Rancho State Park is one of the most beautiful parks in the area. We enjoy discovering new parks through the CA State Park System.	Sep 7, 2012 8:16 AM
544	everything was great, keep up the good work...	Sep 7, 2012 8:15 AM
545	thank you for all your hard work	Sep 7, 2012 8:13 AM
546	You need to see about restoring the trout fishery in the Sweetwater river drainage and tributary streams. Trout are unable to return to these waters on their own like coyotes and other ground creatures. Since they can't migrate naturally, just restore some small stocks and let the fish repopulate.	Sep 7, 2012 8:11 AM
547	Just love it - well done to the rangers for doing a great job	Sep 7, 2012 8:11 AM
548	I love Cuyamaca state park just the way it is. I wouldn't change a thing. My family and I have been visiting the park for 23 years when the kids were young and we keep going back and always enjoy our time there.	Sep 7, 2012 8:08 AM
549	The site had swarms of flies during all daylight hours. We couldn't leave the cabin unless we wanted to be swarmed with flies.	Sep 7, 2012 8:00 AM
550	My husband and I LOVE Cuyamaca Rancho State Park and go as often as we can. It's a beautiful park and so close to home. You should really get more information out to local San Diego residents through advertisements and the like. There are tons of people new to San Diego every day. It's important to get new interests in the State Park aside from the local residents that already know about it. Don't discount advertising the Park in San Diego just because it is close by.	Sep 7, 2012 7:57 AM
551	Please do not let the government take this wonderful pastime and recreation (even if we do have to pay for it) away from us. It is getting very hard for the equestrians to camp overnight and pay the fees, and I do not know what the other campers have to pay, but in this	Sep 7, 2012 7:56 AM

	economy it is very hard.	
552	Less group noise, especially at night. How about splitting campground into two sections and ask visitors what the goal of their stay is. If with large group or there to party into the night...go to this area of park. If there to relax and enjoy nature and don't wish to listen to generators, loud music etc, go to another area of the park.	Sep 7, 2012 7:56 AM
553	Just too expensive for a regular size family to camp.	Sep 7, 2012 7:55 AM
554	On our last visit, my husband, 3 daughters and I climbed Stone Wall Peak midday in the heat of summer. When we arrived at the top, the kids were exhausted and hot so I told them I would make them t shirts that said," I survived Stone Wall Peak!" When we got back to Paso Picacho we saw a t shirt on display that said just that. The ranger told us that they are only on sale on the weekends at the visitor center. We were disappointed because we always travel midweek and would not be close enough to return to purchase them. Other than that I have had nothing but awesome experiences at Paso and Green Valley. I camped here as a child with my family and now as an adult we return every year to the delight of our children. Thanks!	Sep 7, 2012 7:54 AM
555	We love our yearly trips over memorial weekend to your campsite! However, this year we were less than satisfied with the camp ground host. He was rude when we arrived and made several snide remarks about our dogs whom we bring every year and have never had issues with. This continued throughout the weekend. After this experience we have decided to make sure we do not book a site anywhere near his even though we really enjoyed that particular site.	Sep 7, 2012 7:49 AM
556	Kudos to the friendly staff. They are awesome!	Sep 7, 2012 7:46 AM
557	I love this park sooo much. I grew up camping here, and now take my kids and horses hiking and camping there quite frequently. Thanks for a GREAT PARK!!	Sep 7, 2012 7:43 AM
558	I especially appreciate the way the trails are marked and the availability of a trail condition report. Extremely helpful when you're exploring the area. Also, the mounted patrol have been very helpful with directions and information.	Sep 7, 2012 7:42 AM
559	Love your parks and look forward to our yearly camping trip. The location of the parks make it easy to enjoy Julian, Cuyamaca lake and Laguna Mountians and other neighboring locations within minutes.	Sep 7, 2012 7:41 AM
560	At GVF it's sad to still see the closed area around campsite 27. There should be some way to reopen that section.  We are hopeful the Cuyamaca Rancho State Park camping areas will be kept open for years to come.	Sep 7, 2012 7:40 AM

**Page 10, Q28. Is there anything else you would like to tell us about Cuyamaca Rancho State Park or about the California State Park System as a whole? If so, please respond below.**

	2 cars when each one accommodates 8 people doesn't make sense. You're losing out on potential parking money.	
562	Thank you for efforts in keeping these campsites open and available to us with pricing that still offers great value for family togetherness. God bless your work. Mike	Sep 7, 2012 7:31 AM
563	We found a couple trails that were not cleared and we were blocked by down trees that we could not get around. The "plane monument trail"? Ticks were horrible. 200 on my horse when I got back to camp. I think we were the first to travel this path. We went in May 2012. We enjoy the State Park system and stay at many throughout the year. 564	No	Sep 7, 2012 7:28 AM
565	The head ranger at Green Valley was extremely rude and prejudicial in his interactions with me and my group. Without talking to us pr investigating whatsoever, he asked half of my group to leave a day early based on a neighbors complaint, which I believe was related to a different camp. He would not hear us out or reconsider, or double check that we were the group the neighbor was complaining about. We took a little time packing up, as we had only recently finished setting up camp, and he came by and ticketed three of our cars without warning. It was completely inappropriate and in my opinion he was biased both by our age (25-30) and our ethnic diversity. I will never camp there again.	Sep 7, 2012 7:27 AM
566	Cuyamaca is a wonderful place but the trails need more maintenance. Several are overgrown ever since the fire and not passable - more trail maintenance needed	Sep 7, 2012 7:20 AM
567	generally overall the experience was such that husband and i will visit again	Sep 7, 2012 7:20 AM
568	The parks are a great asset to all who live and visit California. They allow many to experience our worlds beauty. Through visiting the parks, families spend valuable family time together. California Parks are well organized, beautiful and historical. The parks provide our concrete generation an opportunity to see flowers, mountians, trees.....	Sep 7, 2012 7:18 AM
569	Attracting responsible touring motorcyclists can be a great money maker for our State Parks. Consider advertising in the better magazines such as Rider, Motorcyclist, or Cycle World. In the Carolinas and elsewhere motorcycle touring is a big draw, fueled by lots of out-of-state visitors. Emphasize our year-round riding season. With motorbike rentals located at LAX, a winter touring escape would interest many snowbound motorcyclists from across the country. CRSP and other California State Parks would be an easy sell! --	Sep 7, 2012 7:17 AM
570	We love the hiking trails and the fresh air	Sep 7, 2012 7:12 AM

571	An amazing place. My wife and I spent our first anniversary camping there and hiking through the slowly recovering Cedar Fire area. We really enjoyed our stay and will be back to see how the planting process has gone.	Sep 7, 2012 7:11 AM
572	Better description of campsites on website - especially the presence or lack of shade. San Diego County parks website far superior in this aspect.	Sep 7, 2012 7:11 AM
573	Check more on the drinking adults at the park. There could have been violence!!	Sep 7, 2012 7:09 AM
574	We know the parks are very threatened by budget cuts and we strongly value the Parks System.	Sep 7, 2012 7:04 AM
575	Just keep them open, useable and affordable.	Sep 7, 2012 7:04 AM
576	Prices are high, but I'll happily pay it to keep it open.	Sep 7, 2012 7:02 AM
577	we love paso picacho park. we have been camping there every summer for 26 years. it is part of our treasured family traditions and memories.	Sep 7, 2012 7:01 AM
578	Again you have a great park! I visit at all times of the year and have for many years. I tent camp (real camping). A big part of the beauty of your park is the sounds... Birds, Fire crackling, kids laughing. Not generators. The generator problem at your park has gotten much worse. If you must have trailer camping... Then you must have electrical hook ups to protect your parks beauty. Thank You	Sep 7, 2012 6:58 AM
579	Great State Park, Thank you!	Sep 7, 2012 6:55 AM
580	Please re-open Arroyo Seco primitive camp.	Sep 7, 2012 6:53 AM
581	Please include equestrian users for information when updating the CRSP general plan. We are a large user and volunteer group who have and will support the park and who truly appreciate having it. Equestrian users are the friendliest of all park users as well as being the cleanest. Equestrian users also advocate Leave No Trace which benefits everyone. Thank you for this opportunity.	Sep 7, 2012 6:51 AM
582	Again like I posted before the female ranger the weekend I was there, July 27-29 she was completely out of line and rude. Again feel free to call me. I would love to plan another trip but this woman has put a huge damper on ever going back again.	Sep 7, 2012 6:47 AM
583	I was shocked to see the many dead trees, I remember the park looking nicer.	Sep 7, 2012 6:46 AM
