FORMAL TRAINING GUIDELINES

Welcome to formal training, an essential component in your career development.

Since 1969, our Department has been providing a continuously changing number of diverse training programs at its main training facility, the William Penn Mott Jr. Training Center, and other locations including Marconi Conference Center. The Department strives to enhance your learning and job performance with formal training of the highest quality.

Our Department's dedication to training is only one aspect of its commitment to you and to the public. This commitment is costly and represents an important investment in you and your career. You and the Department realize a return on that investment by your positive participation in formal training itself and post training follow-through.

The program you will be participating in is described in this training syllabus, which outlines what you can expect from this training and what is expected of you. This syllabus details what you should do before you leave for training; what to do when you arrive; what you will be doing while in training; and, importantly, what you should be able to do when you return to your work site. Specifically:

1. **SYLLABUS:** The syllabus is now accessible on the Employee Training Management System (ETMS). Your copy of this syllabus is an important part of your training experience and should be brought with you to training. Read it before you arrive and review it following the program along with material you received at training.
2. **PRE-TRAINING ASSIGNMENTS:** Your completion of pre-training assignments is essential to the success of your training. You are responsible for all reading assignments in preparation for classroom sessions. Time will be provided during working hours to accomplish any assignments which involve either individual or group efforts and resources.
3. **TRAVEL:** Arrange your travel to and from the training site through your District or Office. (No reimbursement for travel expense – including per diem costs – will be

approved for travel not specifically authorized in advance by the District Superintendent). Individuals may claim reimbursement for incidental expenses incurred as outlined in DAM 0410.6.

The cost of your travel (airfare, mileage, rental car, etc.) is paid by your District or Office **to** and **from** the location of training.

4. **HOUSING:** Participants will need to make their own arrangements for accommodations. In the past the Training Section has used the Best Western Seacliff Inn, 7500 Old Dominion Court, Aptos, CA 95003-3807, (831) 688-7300 (map on page 12). Your reimbursement for Santa Cruz County is at the \$90.00 state rate per night. **Make reservations through Concur.** You may submit a reimbursement request via CalATERS for your accommodations starting the night before the program to the last day of the program. You may also submit a travel advance through CalATERS. If you wish to share a room, you need to have the hotel split the room charges so both occupants have receipts for their CalATERS claim. You must add Ann Slaughter as a second approver.

See the Special Attendance Requirements on page 4 of this syllabus for information regarding the training location. Check-in is after 3:00 p.m. and checkout is 12:00 noon.

Note: You may be asked to present a valid credit or debit card while checking in to your room. Many motels require a credit card to cover charges incurred such as telephone calls, damages to rooms and/or furnishings, fees to clean rooms that have been smoked in that are not designated as smoking rooms, etc. Be prepared to handle this appropriately.

5. **ENROLLMENT OR HOUSING CANCELLATION POLICY:** To cancel participation in a course, the participant must have their District Superintendent or Section/Office Manager send an email to the Training Specialist assigned to the course requesting to remove the participant.
6. **MEALS:** You may submit a reimbursement request via CalATERS for meals from dinner on October 16th through lunch on the last day of training. These expenses will be paid by the Training Section. All other expenses should be coded to your District.
7. **CLOTHING:** Field uniforms as found in "Description of Required Field Uniforms", DOM Chapter 2300, Uniform Handbooks, not including optional items, will be worn daily by all uniformed employees during formal training sessions **unless otherwise specified in the Program Attendance Checklist.** Non-uniformed employees shall wear apparel normally worn on the job. Appropriate attire includes apparel suitable for professional office dress. It does not include such items as shorts, t-shirts, tank tops, or sandals.

Because we are on the conference grounds with many other groups, and the image we project as State Park employees is important not only during working hours but off duty hours as well, your informal sportswear should be appropriate.

8. **COURSE LEADERS:** The formal training you will attend is developed and, for the most part, conducted by experienced State Park employees in field and staff positions. Some courses will be conducted by qualified instructors from other agencies and educational institutions. Your course leaders have proven their ability and knowledge in their profession, and provide a level of expertise difficult to match.
9. **TRAINING SECTION STAFF:** Jeremy Alling is your Training Specialist and has been assigned the responsibility for your training group. That staff member usually serves as a Course Leader as well as a Coordinator. During the program, you may be asked to assist Training Section Staff in the logistics of your training program (organizing field trip transportation, supervising classroom breaks, etc.). Training Section Staff will do all within their power to make your training experience pleasant and meaningful.
10. **TRAINING MATERIALS:** May be made available to you at both your unit and the Mott Training Center. Handout materials issued at your unit should be brought to training for possible use. A conference binder or notebook will be issued to you at the training session for note taking and convenience in handling materials. Copies of DAM and DOM will be available to you for self-study. Bring your own pens and pencils.
11. **ATTENDANCE:** Regular attendance is a critical course requirement and your participation is important to the success of this training. An absence of more than 10% of the course hours constitutes grounds for dropping a participant from the course. The Department Training Officer may modify this requirement based upon participant knowledge level and/or the portion of the course missed. All absences, except those of an emergency nature, must be approved in advance by the Training Specialist.
12. **CELL PHONES:** As a courtesy to your fellow participants and course leaders ensure that your cell phone is turned off during classes. Participants should not be receiving or making cell phone calls during class time. Limit those calls to your breaks.
13. **POST-TRAINING ASSIGNMENTS:** In connection with formal training are to be completed under the direction of your supervisor.

SPECIAL ATTENDANCE REQUIREMENTS

Note: Defensive Tactics Instructor Update Group 35 will be held at the Pacific Institute of Defensive Tactics' Dojo, 4626 Soquel Drive, Soquel, CA 95073 (map on page 12 of syllabus).

PROGRAM ATTENDANCE CHECKLIST

In addition to the required clothing and personal items specified elsewhere in this syllabus, participants are requested to comply with the following instructions:

1. **EXERCISES:** To prepare for defensive tactics, wrist limbering and strengthening exercises, leg strengthening exercises, and back limbering exercises are necessary. Suggestions for wrist exercises are push-ups, squeezing a tennis or handball and using a lightweight dumbbell. Conditioning through physical training such as warm-up exercises, jogging, running, bicycling, etc., is highly recommended.
2. **UNIFORMS:** Due to the nature of this program and the extensive physical training involved, uniforms will not be required. Most of the program will be conducted in a gym-type classroom facility.
3. **CLOTHING:** Clothing which allows freedom of movement such as sweat clothes or warm-up suits are necessary for this program. Tennis shoes or other rubber soled athletic shoes and athletic socks are required. No black-sole shoes are allowed due to their scuffing potential. All clothing should be neat and clean. Shorts or tank tops are not permitted.
4. **SAFETY GEAR:** Bring your peace officer safety equipment including baton. Participants are asked not to bring weapons or ammunition of any kind into the training area. Weapons shall be secured in your vehicle. Bring your handcuffs and handcuff key. It is advisable to bring a spare key if you have one.
5. **FORMAT:** Methods used to provide instruction will include lecture, demonstrations, practical exercises, group discussion, and participant instructional practice. This course will emphasize participant involvement and practice throughout the process.

Participants will be evaluated on a pass/fail basis.
