FORMAL TRAINING GUIDELINES

Welcome to formal training, an essential component in your career development.

Since 1969, our Department has been providing a continuously changing number of diverse training programs at its main training facility, the William Penn Mott Jr. Training Center and other locations including the Marconi Conference Center and the McClellan Training Center. The Department strives to enhance your learning and job performance with formal training of the highest quality.

Our Department's dedication to training is only one aspect of its commitment to you and to the public. This commitment is costly and represents an important investment in you and your career. You and the Department realize a return on that investment by your positive participation in formal training itself and post training follow-through.

The program you will be participating in is described in this training syllabus, which outlines what you can expect from this training and what is expected of you. This syllabus details what you should do before you leave for training; what to do when you arrive; what you will be doing while in training; and, importantly, what you should be able to do when you return to your work site. Specifically:

1. **SYLLABUS:** The syllabus is now accessible on the Employee Training Management System (ETMS). Print a copy of the syllabus to bring with you to class. Read it before you arrive and review it following the program along with material you received at training.
2. **TRAVEL:** Arrange your travel to and from the training through your District or Office. (No reimbursement for travel expense - including per diem costs - will be approved for travel not specifically authorized in advance by the District Superintendent or Office Manager). Individuals may claim reimbursement for incidental expenses incurred as outlined in DAM 0410.6.

The cost of your travel (airfare, mileage, rental car, etc.) is paid by your District or Office **to** and **from** the location of the training.

3. HOUSING: Hotel reservations are the responsibility of the participant and are eligible for reimbursement pursuant to the “allowable state rate” for Sacramento County on the Park Intranet website at http://isearch/?page_id=1295 or http://isearch.parks.ca.gov/default.asp?page_id=1216
4. ENROLLMENT CANCELLATION POLICY: To cancel participation in a course, the participant must have their District Superintendent or Section/Office Manager send an email to the Training Specialist assigned to the course requesting to remove the participant.
5. ADDRESS AND PARKING: McClellan Training Center/SMCC, 4940 Lang Ave., McClellan, CA 95652 (also listed as Sacramento or North Highlands). The entry to the classroom is the last left door on the front side of the building. Park in front of or along the north side of the building, additional parking is available across the bridge adjacent to the service yard. Maps are included at the end of this syllabus.
6. MEALS: Please find the restaurant maps on the last page of this syllabus.
7. TRAVEL CLAIMS: Instructions on how to file a travel expense claim will be given prior to the last day of training. Training will reimburse those participants that meet the lodging and meal reimbursement requirements from lunch on the first day of training through lunch on the last day of training. Reimbursement rates and requirements can be found at the link: http://isearch.parks.ca.gov/default.asp?page_id=1216
8. REFRESHMENTS: The only onsite food and beverages are from a vending machine. You are welcome to bring your own lunch and refreshments. There is a refrigerator, microwave and break room onsite that you may use.
9. TRAINING MATERIALS: A conference binder will be issued to you at the training session.
10. ATTENDANCE: Regular attendance is a critical course requirement and your participation is important to the success of this training. All absences, except those of an emergency nature, must be approved in advance by the Training Specialist.
11. CELL PHONES: As a courtesy to your fellow participants and course leaders ensure that your cell phone is turned off during the program.
12. TELEPHONE: Your on-site coordinator is Karyn Lombard, phone (916) 657-0412.
