FORMAL TRAINING GUIDELINES

Welcome to formal training, an essential component in your career development.

Since 1969, our Department has been providing a continuously changing number of diverse training programs at its main training facility, the William Penn Mott Jr. Training Center, and other locations including Marconi Conference Center and, most recently, the Two Rivers Training Facility in Sacramento. The Department strives to enhance your learning and job performance with formal training of the highest quality.

Our Department's dedication to training is only one aspect of its commitment to you and to the public. This commitment is costly and represents an important investment in you and your career. You and the Department realize a return on that investment by your positive participation in formal training itself and post training follow-through.

The program you will be participating in is described in this training syllabus. The syllabus outlines what you can expect from this training and what is expected of you. It also details what you should do before you leave for training; what to do when you arrive; what you will be doing while in training; and, importantly, what you should be able to do when you return to your work site. Specifically:

1. **TRAINING LOCATION:** The training for this program will occur at the Two Rivers Training Facility located at One Capitol Mall, Suite 350, Sacramento, CA 95814. One Capitol Mall is located on Capitol Mall (a street in downtown Sacramento), immediately east of the historic Tower Bridge. The building is immediately to the south of the Old Sacramento tourist area. A map and directions to the training facility are provided as an attachment to this syllabus.
2. **SYLLABUS:** The syllabus is now accessible on the Employee Training Management System (ETMS). Your copy of this syllabus is an important part of your training experience and should be brought with you to training. Read it before you arrive and review it following the program along with material you received at training.

3. PRE-TRAINING ASSIGNMENTS: Your completion of pre-training assignments is essential to the success of your training. You are responsible for all reading and other assignments in preparation for classroom sessions. Time will be provided during working hours to accomplish any assignments which involve either individual or group efforts and resources. (Pre-training assignments are listed in the "Training Attendance Requirements" section.)
4. TRAVEL: Arrange your travel to and from Sacramento through your District or Office. (No reimbursement for travel expense -- including per diem costs -- will be approved for travel not specifically authorized in advance by the District Superintendent.) Individuals may claim reimbursement for incidental expenses incurred as outlined in DAM 0410.1. The Training Section does not have the capability to provide transportation to or from the Sacramento International Airport.
5. HOUSING: **The Training Section has reserved rooms at the SpringHill Suites Marriot for individuals who reside outside of the Sacramento region only. You will need to call or email Eric Marks at 916-319-9653 or emarks@parks.ca.gov to secure your lodging. Please state that you are with the Department of Parks and Recreation Camp Facilities Group 7 and confirm your lodging request.**

Your accommodations will be paid for by the Training Section. You may choose to stay in another facility; however, securing lodging at another location will be at the participant's own expense. Housing will be available from 3:00 p.m. on the date of arrival until 12:00 noon on the date of departure. If you need to cancel or change your reservation, you must contact Eric Marks directly. When you arrive at the SpringHill, go directly to the front desk for your room key.

The hotel is located at 2555 Venture Oaks Way, Sacramento. Directions to the hotel are on page 6 of this syllabus.

6. MEALS: Meals are arranged at the discretion of the participant. There are numerous restaurants within walking distance of the Two Rivers Training Facility and elsewhere in the downtown Sacramento area. The Training Section will reimburse the cost of your meals at the current per diem rate. Send a Travel Expense Claim (Std. 262a) to Mott Training Center for approval and processing. (The Training Center will reimburse meals starting with dinner on the first day and ending with lunch on the last day.)
7. PARKING: There is a public lot (the Tower Bridge lot, operated by the City of Sacramento) located directly west of the One Capitol Mall building where your training will occur. Parking locations are listed on page 6 of this syllabus. You will be reimbursed for parking by the Training Center via a Travel Expense Claim (Std. 262a).

8. CLOTHING: **Field Uniforms are not required.** Professional business attire may be worn.

One Capitol Mall houses both Department offices and offices of numerous private sector organizations. As such, the image we project as State Park employees is important. The clothing you wear should be appropriate.

9. BREAK TIMES: Participants will be given break times throughout the training day to visit the first-floor coffee kiosk, make telephone calls, etc. Please be considerate of your fellow Department employees and other groups working in adjoining office spaces by not requesting from them special use of telephones, copiers, fax equipment, etc. In addition, please be considerate of your fellow employees' work schedules by limiting your visitation to other Department offices during breaks or before or after formal training. Loud conversations, laughter, etc. should not be conducted in the hallway areas at any time.
10. COURSE LEADERS: The formal training you will attend is developed and, for the most part, conducted by experienced State Park employees in field and staff positions. Some courses will be conducted by qualified instructors from other agencies and educational institutions. Your course leaders have proven their ability and knowledge in their profession, and provide a level of expertise difficult to match.
11. TRAINING SECTION STAFF: Eric Marks (916-319-9653) is your contact while attending the course and has been assigned responsibility for your training group as well as for your training program. During the program, you may be asked to assist Training Section staff in the logistics of your training program; please work with Training Staff to help make your training experience pleasant and meaningful.
12. TRAINING MATERIALS: Training materials may be made available to you at both your unit and the Two Rivers Training Facility. Handout materials issued at your unit should be brought to training for possible use. A conference binder or notebook will be issued to you at the training session for note taking and convenience in handling materials. Bring your own pens and pencils.
13. ATTENDANCE: Regular attendance is a critical course requirement and your participation is important to the success of this training. All absences, except those of an emergency nature, must be approved in advance by the Training Specialist.
14. CELL PHONES: As a courtesy to your fellow participants and course leaders ensure that your cell phone is turned off during classes. Participants should not be receiving or making cell phone calls during class time. Please limit those calls to your breaks.
15. FAX: The Two Rivers Training Facility's FAX number is (916) 319-9656.

16. TELEPHONE: Limit phone calls during classroom hours to urgent business or emergencies. Anyone wishing to contact you by telephone during working hours should call (916) 319-9653.
17. COLLEGE CREDIT: Most Training Section programs are accredited by Monterey Peninsula College for lower division credit. If you successfully complete an accredited program, you will receive either a letter grade or a credit/no-credit designation.
18. **MPC STUDENT ID:** If you have filled out an MPC application before, you have already been issued a student ID number to use in lieu of your SSN on future applications. You can obtain your MPC ID number by going to their secure website and providing your SSN number (no name required) and birthdate.

<https://autobahn.mpc.edu/scripts/autobahn.exe/Execute?Application=WebReq&Program=REPORT-SR-FIND-SSN>

Newcomers to training will still need to provide their SSN on the first MPC application only, after which a student ID number will be assigned and available at the web address above within a few weeks of the program's conclusion. You can store your MPC ID numbers in your ETMS Profile for future reference.

19. POST-TRAINING ASSIGNMENTS: In connection with formal training are to be completed under the direction of your supervisor.
20. TRAVEL: The cost of your travel (air fair, mileage, rental car, ECT) is paid by your District or Office **to** and **from** the location of the training.
21. **HOUSING CANCELLATION POLICY:** Hotel, lodging, registration and associated fees will be charged to the employees District or Office if the training cancellation is received with less than 72 hours notice.

POST-TRAINING ASSIGNMENT

Prior to ninety days after the completion of this program, the employee and his/her supervisor should sit down and discuss the impact and assess the effectiveness this program has had on the employee. Then both the supervisor and employee should login to the Employee Training Management System (ETMS) and complete the Post-Training Evaluation form (an email will be sent to both employee and supervisor notifying them that the evaluation needs to be completed).

The post-training evaluation process is intended to provide a bridge between classroom instruction and the on-the-job application of training.
