#### THE MISSION

of the California Department of Parks and Recreation is to provide for the health, inspiration and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high quality outdoor recreation.

#### FORMAL TRAINING GUIDELINES

Welcome to formal training, an essential component in your career development.

Since 1969, our Department has been providing a continuously changing number of diverse training programs at its Training Center. The Department strives to enhance your learning and job performance with formal training of the highest quality. This fact demonstrates the commitment your Department has made to you in your service to the public. This commitment is costly and represents an important investment in you and your career. You and the Department realize a return on that investment by your positive participation and post training follow-through.

The program you will be participating in is described in this training syllabus, which outlines what you can expect from this training and what is expected of you. This syllabus details what you should do before you leave for training; what to do when you arrive; what you will be doing while in training; and, importantly, what you should be able to do when you return to your work site. Specifically:

- SYLLABUS: Your copy of this syllabus is an important part of your training experience and should be brought with you to the training. Read it before you arrive and review it following the program along with material you received at training.
- 2. PRE-TRAINING ASSIGNMENTS: Your completion of pre-training assignments is essential to the success of your training. You are responsible for all reading assignments in preparation for classroom sessions. Time will be provided during working hours to accomplish any assignments (other than reading) which involve either individual or group efforts and resources. (Pre-training assignments are listed in the "Program Attendance Requirements" section.)
- TRAVEL: Arrange your travel to and from the training through your District or Office. (No reimbursement for travel expense - including per diem costs - will be approved for travel not specifically authorized in advance by the District Superintendent.) Individuals may claim reimbursement for incidental expenses incurred as outlined in DAM 0410.6.

4. HOUSING: Accommodations for this program will be at:

Best Western Seacliff Inn 7500 Old Dominion Court Aptos, California 95003-3807 831-688-7300

(see map on the last page of this syllabus). Please see the **Special Attendance Requirements on page 4** of this syllabus for directions and information regarding the training location. Housing will be assigned to you on a shared-room basis. In the event of an emergency, staff must know your room assignment; therefore, you may not switch rooms without staff approval.

- 5. MEALS: Participants that are on travel status for this training will be reimbursed for lunch and dinner for the entire training session by the Training Center. Breakfast is provided by the hotel. Include on your Travel Expense Claim (STD 262A) for this training session all lunches and dinners starting with dinner on Sunday, October 1 and ending with lunch on Friday, October 6. Have your District forward your Travel Expense Claim (STD 262A) to the Training Center for coding and approval of these meals. All other expenses should be coded to your District.
- 6. COURSE LEADERS: The formal training you will attend is developed and, for the most part, conducted by experienced State Park employees in field and staff positions. Some courses will be conducted by qualified instructors from other agencies and educational institutions. Your course leaders have proven their ability and knowledge in their profession, and provide a level of expertise difficult to match.
- 7. TRAINING CENTER STAFF: A Training Center staff member has been assigned responsibility for your training group as well as for your training program. That staff member usually serves as a Course Leader as well as a Coordinator. During the program, you may be asked to assist Training Center staff in the logistics of your training program (organizing field trip transportation, supervising classroom breaks, etc.). Center staff will do all within their power to make your training experience pleasant and meaningful.
- 8. TRAINING MATERIALS: May be made available to you at both your unit and the training. Handout materials issued at your unit should be brought to the training for possible use. Bring your own pens and pencils.
- 9. ATTENDANCE: Regular attendance is a critical course requirement and your participation is important to the success of this training. An absence of more than 10% of the course hours constitutes grounds for dropping a participant from the course.
- 10. COLLEGE CREDIT: Most Training Center programs are accredited by Monterey Peninsula College for lower division credit. If you successfully complete an

- accredited program, you will receive either a letter grade or a credit/no-credit designation.
- 11. POST-TRAINING ASSIGNMENTS: In connection with formal training are to be completed under the direction of your supervisor. See "Program Attendance Requirements" in this syllabus.
- 12. CELL PHONES: As a courtesy to your fellow participants and course leaders ensure that your cell phone is turned off during classes. Participants should not be receiving or making cell phone calls during class time. Please limit those calls to your breaks.
