2. Review with the employee the reason for the employee's attendance.
3. Review objectives and agenda with the employee.
4. Discuss objectives and performance expected after the training.

Immediately Following Attendance

1. Discuss what was learned and intended uses of the training.
2. Review the employee's assessment of the training program for its impact at the workplace and review the due date of the Post-Training Evaluation form.
3. Support the employee's use of the training at the work place.

Prior to Three Months Following Training

1. Employee after discussion with the supervisor login to the Employee Training Management System (ETMS) to complete the Post-Training Evaluation form.
2. Supervisor evaluates the effectiveness of the training on the employee's job performance and login to the ETMS to complete the Training Effectiveness Assessment form.

FORMAL TRAINING GUIDELINES

Welcome to formal training, an essential component in your career development.

Since 1969, our Department has been providing a continuously changing number of diverse training programs at its main training facility, the William Penn Mott Jr. Training Center. The Department strives to enhance your learning and job performance with formal training of the highest quality.

Our Department's dedication to training is only one aspect of its commitment to you and to the public. This commitment is costly and represents an important investment in you and your career. You and the Department realize a return on that investment by your positive participation in formal training itself and post training follow-through.

The program you will be participating in is described in this training syllabus, which outlines what you can expect from this training and what is expected of you. This syllabus details what you should do before you leave for training; what to do when you arrive; what you will be doing while in training; and, importantly, what you should be able to do when you return to your work site. Specifically:

1. **SYLLABUS:** Your copy of this syllabus is an important part of your training experience. Read it before you arrive and review it following the program along with material you received at training.
2. **PRE-TRAINING ASSIGNMENTS:** Your completion of pre-training assignments is essential to the success of your training. You are responsible for all reading assignments in preparation for classroom sessions. Time will be provided during working hours to accomplish any assignments (other than reading) which involve either individual or group efforts and resources. (Pre-training assignments are listed in the "Program Attendance Requirements" section.)
3. **TRAVEL:** Arrange your travel to and from the training through your District or Office. (No reimbursement for travel expense - including per diem costs - will be approved for travel not specifically authorized in advance by the District Superintendent.) Individuals may claim reimbursement for incidental expenses incurred as outlined in DAM 0410.6.

4. **HOUSING: Accommodations for this program will be at the Best Western Seacliff Inn, 7500 Old Dominion Court, Aptos, California 95003-3807, 831-688-7300** (see map on last page). Please see the Special Attendance Requirements on page 4 of this syllabus for information regarding the training location. Housing will be assigned to you on a shared-room basis. Check-in is after 3:00 p.m. on Sunday, November 4, 2012 and check-out is 12:00 noon on Friday, November 9.
5. **MEALS:** Breakfast is provided by the hotel. You may submit a reimbursement request via CalATERS for all other meals from dinner on November 4 through lunch on the last day of training. These expenses will be paid by the Training Section. All other expenses should be coded to your District
6. **COURSE LEADERS:** The formal training you will attend is developed and, for the most part, conducted by experienced State Park employees in field and staff positions. Some courses will be conducted by qualified instructors from other agencies and educational institutions. Your course leaders have proven their ability and knowledge in their profession, and provide a level of expertise difficult to match.
7. **TRAINING SECTION STAFF:** A Training Section staff member has been assigned responsibility for your training group as well as for your training program. That staff member usually serves as a Course Leader as well as a Coordinator. During the program, you may be asked to assist Training Section staff in the logistics of your training program (organizing field trip transportation, supervising classroom breaks, etc.). Training Section staff will do all within their power to make your training experience pleasant and meaningful.
8. **TRAINING MATERIALS:** May be made available to you at both your unit and the training. Handout materials issued at your unit should be brought to the training for possible use. Bring your own pens and pencils.
9. **ATTENDANCE:** Regular attendance is a critical course requirement and your participation is important to the success of this training. **An absence of more than 10% of the course hours constitutes grounds for dropping a participant from the course.**
10. **POST-TRAINING ASSIGNMENTS:** In connection with formal training are to be completed under the direction of your supervisor. See "Program Attendance Requirements" in this syllabus.
11. **CELL PHONES:** As a courtesy to your fellow participants and course leaders ensure that your cell phone is turned off during classes. Participants should not be receiving or making cell phone calls during class time. Please limit those calls to your breaks.

1. **EXERCISES:** To prepare for defensive tactics, wrist limbering and strengthening exercises, leg strengthening exercises, and back limbering exercises are necessary. Suggestions for wrist exercises are push-ups, squeezing a tennis or handball and using a lightweight dumbbell. Conditioning through physical training such as warm-up exercises, jogging, running, bicycling, etc., is highly recommended.
2. **UNIFORMS:** Due to the nature of this program and the extensive physical training involved, uniforms will not be required. Most of the program will be conducted in a gym-type classroom facility.
3. **CLOTHING:** Clothing which allows freedom of movement such as sweat clothes or warm-up suits are necessary for this program. Tennis shoes or other rubber soled athletic shoes and athletic socks are required. (No black soled shoes are allowed due to their scuffing potential.) All clothing should be neat and clean. Shorts or tank tops are not permitted.
4. **SAFETY GEAR:** Bring your Peace Officer Safety Equipment including baton. Participants are asked not to bring weapons or ammunition of any kind into the training area. Weapons shall be secured in your vehicle. Bring your handcuffs and handcuff key. It is advisable to bring a spare key if you have one.

POST-TRAINING ASSIGNMENT

Prior to ninety days after the completion of this program, the employee and his/her supervisor should sit down and discuss the impact and assess the effectiveness this program has had on the employee. Then both the supervisor and employee should login to the Employee Training Management System (ETMS) and complete the Post-Training Evaluation form (an email will be sent to both employee and supervisor notifying them that the evaluation needs to be completed). Once you login to the ETMS, you will need to fill out the evaluation form before you will be able to do anything else.

The post-training evaluation process is intended to provide a bridge between classroom instruction and the on-the-job application of training. The information obtained through this process will assist the training participant, supervisor, and Training Section in providing a return on the investment the Department has on training.
