	Route	Modify stairs - handrails and striping.	Ayala Cove Visitor's Center	14/15	Side entry ramp installed, exception for alternate entrance reported Jan. 2012.
	Activity	Install bench at Immigration Station restroom	Immigration Station	14/15	Handrails installed on side entry stairs, exception for alternate entrance reported Jan. 2012.
	Activity	Install hi/low drinking fountain at Immigration Station restroom	Immigration Station	14/15	

Año Nuevo SNR Level 2	Component	Description	Location	Year Completed	Notes
	Activity	Create accessible picnic sites.	Picnic Area	17/18	Project complete.
	Route	Create accessible routes to picnic sites	Picnic Area	17/18	Project complete.

Anza-Borrego Desert SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Create accessible campsites in each loop (4).	Borrego Palms Campground	09/10	
	Activity	Create accessible picnic sites (6).	Borrego Palms Campground	03/04	The picnic sites have been removed by the district and turned into campsites.
	Activity	Modify tent space and raise faucet height in designated sites (3).	Borrego Palms Campground	03/04	
	Activity	Relocate brochure rack at kiosk area.	Borrego Palms Campground	04/05	
	Activity	Remove curb or relocate pay telephone at kiosk area (2).	Borrego Palms Campground	04/05	
	Restroom	Install accessible portable toilets (4).	Borrego Palms Campground	05/06	Facilities removed
	Restroom	Modify unisex restroom #13 accessible toilet and shower rooms for grab bars, shower seat location (3).	Borrego Palms Campground	03/04	
	Restroom	Replace restrooms #9-12.	Borrego Palms Campground	01/02	
	Route	Create accessible path of travel in picnic area (6).	Borrego Palms Campground	03/04	Picnic area was removed by District.
	Route	Install accessible routes to portable toilets (4).	Borrego Palms Campground	05/06	Portable toilets have been removed.
	Activity	Install accessible campsites (2).	Bow Willow Campground	05/06	
	Restroom	Replace vault restroom.	Bow Willow Campground	05/06	CXT Vault restroom installed.

Anza-Borrego Desert SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Install route of travel.	Bow Willow Campground	05/06	
	Activity	Install accessible campsite.	Horse Campground	05/06	
	Restroom	Replace restroom/shower building.	Horse Campground	06/07	
	Route	Install accessible path of travel in campground.	Horse Campground	06/07	Route from campsite parking to campsite and route from parking to group use area were both completed.
	Restroom	Install compliant toilet facilities at each primitive campground (6).	Primitive Campgrounds	06/07	Bow Willow primitive camp is the only primitive camp with facilities and the only one to have fully compliant restroom.
	Activity	Install accessible campsites (2).	Tamarisk Grove Campground	03/04	
	Activity	Modify designated accessible campsite: raise water faucet, lower trash can height.	Tamarisk Grove Campground	03/04	
	Activity	Modify step up into office and widen sales aisles.	Tamarisk Grove Campground	08/09	Access to exterior porch is being provided where information is available and transactions can be made. Exception approved by MIG, October 2008.
	Activity	Provide wheelchair seating in Campfire Center.	Tamarisk Grove Campground	03/04	
	Parking	Install van accessible parking at office.	Tamarisk Grove Campground	03/04	Space was provided at the new restroom building.
	Parking	Parking at restrooms.	Tamarisk Grove Campground	04/05	

Anza-Borrego Desert SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Replace restroom/shower building.	Tamarisk Grove Campground	03/04	
	Route	Install path of travel to office.	Tamarisk Grove Campground	08/09	
	Route	Modify path of travel to campfire center.	Tamarisk Grove Campground	03/04	
	Route	Route to bathroom.	Tamarisk Grove Campground	04/05	
	Route	Repair route to overlook	Visitor Center	09/10	
	Activity	Park Office - Modify sales counter for height.	Visitor Center and Park Office	06/07	French Door
	Activity	Visitor Center - Modify exhibits for font and interactive control height (3).	Visitor Center and Park Office	05/06	
	Activity	Visitor Center - Modify fixed benches for height and clear space.	Visitor Center and Park Office	05/06	
	Activity	Visitor Center - Modify handrails to upper vista area and amphitheater and install wheelchair seating (4).	Visitor Center and Park Office	06/07	Existing handrails are ok.
	Activity	Visitor Center - Modify sales counter for height.	Visitor Center and Park Office	04/05	
	Parking	Park Office - Install van accessible parking.	Visitor Center and Park Office	03/04	

Anza-Borrego Desert SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Visitor Center - Install accessible restroom.	Visitor Center and Park Office	06/07	The existing visitor center restrooms could not be modified. The visitor center is built into a hillside and enlarging the restrooms was not feasible. We built a new restroom at the site that is fully compliant.
	Route	Install path of travel to park office.	Visitor Center and Park Office	05/06	
	Route	Modify path of travel from parking to visitor center.	Visitor Center and Park Office	06/07	Existing Route ok. Some of the surface irregularities were ground down.

Armstrong Redwoods SNR Level 2	Component	Description	Location	Year Completed	Notes
	Activity	Create 50 picnic sites (7).	Armstrong Redwood Tree Area	18/19	Project complete. Improvements were made to (8) picnic sites.
	Activity	Create 40% sites on route (3).	Armstrong Redwood Tree Area	18/19	Project complete.
	Parking	Create 1 van space.	Armstrong Redwood Tree Area	18/19	Project complete. Improvements were made to (1) van stall and (1) standard stall.
	Restroom	Replace restroom - medium.	Armstrong Redwood Tree Area	18/19	Project complete.
	Route	Modify route from parking to picnic.	Armstrong Redwood Tree Area	18/19	Project complete.
	Activity	1 - Modify interior counters.	Entrance Area/Visitor Center	18/19	Project complete.
	Activity	Modify ramp to visitor center.	Entrance Area/Visitor Center	18/19	Project complete.
	Activity	Modify stairs.	Entrance Area/Visitor Center	18/19	Project complete.
	Activity	Modify visitor center entrance.	Entrance Area/Visitor Center	18/19	Project complete.
	Parking	Modify for 1 van space.	Entrance Area/Visitor Center	18/19	Project complete.

Armstrong Redwoods SNR Level 2	Component	Description	Location	Year Completed	Notes
	Restroom	Retrofit restroom.	Entrance Area/Visitor Center	18/19	Project complete.
	Route	Modify route from parking to restroom.	Entrance Area/Visitor Center	18/19	Project complete.
	Route	Modify route from parking to visitor center.	Entrance Area/Visitor Center	18/19	Project complete.

Auburn SRA Level 2	Component	Description	Location	Year Completed	Notes
	Parking	Accessible parking in day use area AC over AB.	Mineral Bar	20/21	Project completed by District.
	Parking	Van parking.	Mineral Bar	20/21	Project completed by District.
	Restroom	Install accessible restroom.	Mineral Bar	09/10	
	Restroom	Install new restroom with parking	Mineral Bar	09/10	
	Restroom	Install restroom and parking for raft put-in area.	Mineral Bar	09/10	
	Activity	Display shelter.	Park Office	20/21	Project completed by District.
	Activity	Remove/replace interpretive display.	Park Office	20/21	Project completed by District.

Benbow Lake SRA Level 3	Component	Description	Location	Year Completed	Notes
	Activity	Modify stage, seating area, and routes	Campfire Center	18/19	Construction complete
	Activity	Replace 2 additional campsites with accessibly designed sites.	Camping	18/19	Construction complete
	Activity	Retrofit 2 campsites.	Camping	18/19	Construction complete
	Parking	Create van accessible parking.	Camping	18/19	Construction complete
	Restroom	Install accessible shower.	Camping	18/19	Construction complete
	Route	Install 4 accessible routes to restroom.	Camping	18/19	Construction complete

Bethany Reservoir SRA Level 4	Component	Description	Location	Year Completed	Notes
	Activity	Modify picnic site.	Picnic Area at Day Use	05/06	
	Parking	Add van accessible space.	Picnic Area at Day Use	05/06	
	Restroom	Replace portable toilet.	Picnic Area at Day Use	04/05	Replaced with vault style restroom.
	Route	Create route to restroom from picnic area.	Picnic Area at Day Use	05/06	

Bidwell-Sacramento River SP Level 3	Component	Description	Location	Year Completed	Notes
	Parking	Install 1 van space.	Pine Creek Boat Ramp Area	17/18	
	Parking	Install 2 accessible pull-throughs.	Pine Creek Boat Ramp Area	17/18	
	Restroom	Install comfort station.	Pine Creek Boat Ramp Area	17/18	
	Route	Install route from parking to restroom and launch ramp.	Pine Creek Boat Ramp Area	17/18	

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Sequoia Group Camp, Modify 1 group site	Big Basin	12/13	
	Activity	Sempervirens 3 campsites including routes and parking, water stations	Big Basin Campground - Sempervirens	12/13	
	Activity	Blooms Creek - Create accessible campsites (4).	Big Basin Campgrounds	11/12	
	Activity	Trail Camps - Create accessible campsites (2).	Big Basin Campgrounds	13/14	All 4 sites in Alder trail camp have been modified including the restroom.
	Parking	Blooms Creek - Modify parking space at combination building for van.	Big Basin Campgrounds	09/10	
	Parking	Huckleberry Tent Cabins - Create van space at combination building.	Big Basin Campgrounds	09/10	
	Parking	Sequoia Group Camp Area - Create van accessible parking.	Big Basin Campgrounds	09/10	
	Parking	Sequoia Group Camp Area - Create vehicle accessible parking.	Big Basin Campgrounds	09/10	
	Restroom	Blooms Creek - Modify combination building.	Big Basin Campgrounds	09/10	Combo building adjacent to campsite 137.
	Restroom	Huckleberry Tent Cabins - Modify combination building.	Big Basin Campgrounds	09/10	Adjacent to campsite # 8.
	Restroom	Sequoia Group Camp Area - Modify combination building.	Big Basin Campgrounds	09/10	

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Trail Camps - Replace pit toilets.	Big Basin Campgrounds	13/14	Alder Camp has new restroom.
	Restroom	Wastahi - Modify combination building.	Big Basin Campgrounds	09/10	This project moved to Sempervirens Campground. Terrain not feasible in Wastahi. Exception reported July 08.
	Route	Sequoia Group Camp Area - Create accessible route from parking to restroom (dirt).	Big Basin Campgrounds	09/10	
	Route	Trail Camps - Create accessible route from parking to campsites (2).	Big Basin Campgrounds	13/14	Alder Tail Camp is a hike in camp. The route to it is a park dirt road that is closed to unauthorized vehicles.
	Route	Trail Camps - Create accessible route from parking to restroom.	Big Basin Campgrounds	13/14	This is a hike in only camp. There is no parking at the restroom. There is a compliant route from all campsites in the campground to the restroom.
	Route	Wastahi - Modify stairs.	Big Basin Campgrounds	05/06	Terrain not feasible. Campground improvements will be done at Blooms Creek, Sempervirens, and Huckleberry Campgrounds.
	Activity	Huckleberry - 2 campsites exchange for Wastahi. Includes parking and routes.	Big Basin Campgrounds - Huckleberry	12/13	
	Restroom	Retrofit headquarters comfort station.	Entrance Area	12/13	
	Activity	Create wheelchair and companion seating in campfire center (large).	Entrance Area	12/13	
	Activity	Modify entrance for hardware and threshold.	Entrance Area	17/18	Project complete

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Modify exhibits for interactive controls, clear space and font (3).	Entrance Area	14/15	Exhibits inside the Semper Viren's Room are compliant.
	Activity	Replace drinking fountain.	Entrance Area	12/13	
	Parking	Create accessible van space at Campfire Center.	Entrance Area	12/13	
	Parking	Modify parking for one van accessible space at headquarters building/visitor center.	Entrance Area	12/13	Despite exception reported July 2011, unforeseen site conditions identified during construction permitted the installation of one accessible space near the Visitor Center and restroom.
	Route	Modify ramp for slope and install handrails.	Entrance Area	12/13	Revised design eliminated ramp conditions.
	Route	Modify route (stairs) from headquarters to restroom (paved).	Entrance Area	12/13	
	Route	Modify route from parking to campfire center (dirt).	Entrance Area	12/13	
	Route	Modify route from parking to headquarters (paved).	Entrance Area	12/13	
	Route	Modify route from parking to restroom (paved).	Entrance Area	12/13	
	Route	Modify stairs for proper handrails.	Entrance Area	12/13	
	Activity	Install 50% accessible picnic tables (4).	Park Store/Gift Shop/Nature Lodge	12/13	

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Modify drinking fountain.	Park Store/Gift Shop/Nature Lodge	13/14	
	Activity	Modify for text and some for clear space (3).	Park Store/Gift Shop/Nature Lodge	14/15	Clear space is compliant and alternate formats of exhibit text are available.
	Activity	Replace door at Gift Shop for hardware, threshold.	Park Store/Gift Shop/Nature Lodge	17/18	Project complete
	Activity	Replace door at Nature Lodge.	Park Store/Gift Shop/Nature Lodge	17/18	Project complete
	Activity	Replace door at Park Store.	Park Store/Gift Shop/Nature Lodge	17/18	Project complete
	Activity	Replace fixed benches (4).	Park Store/Gift Shop/Nature Lodge	12/13	
	Parking	Modify for van space.	Park Store/Gift Shop/Nature Lodge	12/13	
	Parking	Modify for vehicle space.	Park Store/Gift Shop/Nature Lodge	12/13	
	Route	Modify curb ramps (3).	Park Store/Gift Shop/Nature Lodge	12/13	
	Route	Replace north stairs at deck to Park Store.	Park Store/Gift Shop/Nature Lodge	12/13	Modifications limited to handrail on one side only. Full compliance would have negatively affected historic fabric.

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Replace north stairs outside Nature Lodge.	Park Store/Gift Shop/Nature Lodge	12/13	Handrails installed. Full compliance would have negatively affected historic fabric.
	Route	Replace south stairs at deck to Parks Store.	Park Store/Gift Shop/Nature Lodge	12/13	Handrails installed. Full compliance would have negatively affected historic fabric.
	Activity	Create 50% accessible picnic sites (15).	Picnic Areas	03/04	
	Activity	Modify picnic site in main picnic area.	Picnic Areas	03/04	
	Activity	Modify picnic sites at "Stature of Responsibility Tree" (2).	Picnic Areas	13/14	
	Restroom	Replace middle picnic restroom.	Picnic Areas	03/04	
	Restroom	South End - Retrofit/replace restroom.	Picnic Areas	04/05	Work to be done in main picnic area.
	Restroom	Toilets only Middle Picnic Area - replace (2).	Picnic Areas	04/05	All picnic work was done in main picnic area.
	Route	Create 40% on accessible route (6).	Picnic Areas	03/04	
	Route	Create accessible route to "Statue of Responsibility Tree."	Picnic Areas	13/14	
	Route	Create accessible route to restrooms.	Picnic Areas	03/04	Project was done in the main picnic area.

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Create accessible route to restrooms.	Picnic Areas	03/04	Completed in main picnic area.
	Route	Create accessible routes from parking to picnic areas (6).	Picnic Areas	03/04	
	Route	Modify route from parking to restroom.	Picnic Areas	03/04	
	Activity	Horse Camp Area - Replace drinking fountain.	Rancho del Oso Area	09/10	
	Activity	Horse Camp Area - Replace/relocate pay telephone.	Rancho del Oso Area	09/10	
	Activity	Nature Center - Modify entrance (door) for threshold.	Rancho del Oso Area	09/10	
	Activity	Nature Center - Modify exhibits for text size and font (3).	Rancho del Oso Area	13/14	
	Activity	Nature Center - Modify fixed benches (2).	Rancho del Oso Area	09/10	
	Activity	Nature Center - Modify picnic sites (4).	Rancho del Oso Area	09/10	2 sites modified
	Activity	Ranger Office/Visitor Center - Modify counter for height.	Rancho del Oso Area	05/06	Plenty of access at desk to serve public.
	Activity	Ranger Office/Visitor Center - Modify exhibit at entrance for clear space.	Rancho del Oso Area	09/10	
	Activity	Ranger Office/Visitor Center - Modify exhibits for font, text size and clear space (4).	Rancho del Oso Area	23/24	District project. Interior exhibits modified.
	Activity	Waddell Beach Area - Replace exhibit.	Rancho del Oso Area	09/10	
	Parking	Horse Camp Area - Create van accessible parking space.	Rancho del Oso Area	09/10	

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Nature Center - Create van accessible parking space.	Rancho del Oso Area	09/10	
	Parking	Ranger Office/Visitor Center - Create van accessible parking space.	Rancho del Oso Area	09/10	
	Parking	Waddell Beach Area - Create van accessible parking space.	Rancho del Oso Area	09/10	
	Restroom	Horse Camp Area - Replace portable toilet.	Rancho del Oso Area	09/10	Portable was replaced with permanent vault unit.
	Restroom	Nature Center - Retrofit/replace restrooms.	Rancho del Oso Area	09/10	
	Restroom	Waddell Beach Area - Replace pit toilet.	Rancho del Oso Area	09/10	
	Route	Create accessible route from parking to horse area.	Rancho del Oso Area	13/14	
	Route	Create accessible route from parking to nature center.	Rancho del Oso Area	09/10	
	Route	Modify route from parking to Ranger Office.	Rancho del Oso Area	13/14	
	Route	Modify stairs for handrails and striping.	Rancho del Oso Area	13/14	There are no stairs requiring handrails.
	Route	Modify stairs for handrails.	Rancho del Oso Area	13/14	Route modified, handrails not required.
	Route	Retrofit ramp for slope and handrails.	Rancho del Oso Area	13/14	Route modified, handrails not required.
	Activity	Minor modification to door.	Sector Office	13/14	
	Route	Modify ramp for landing.	Sector Office	13/14	
	Activity	Minor modification to door.	Sector Office	13/14	

Big Basin Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Modify ramp for landing.	Sector Office	13/14	

Bodie SHP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Modify font and stabilize exhibit viewing area in parking lot.	Main Parking/Restroom Area	05/06	
	Parking	Create accessible parking (with one van accessible space) (4).	Main Parking/Restroom Area	14/15	Only three spaces required.
	Restroom	Modify restrooms for water and door pressure and signage.	Main Parking/Restroom Area	14/15	Restroom was replaced.
	Route	Modify route to restroom for stability and 3" rise.	Main Parking/Restroom Area	05/06	
	Route	Improve route from parking to Green Street	Main Parking/Restroom Area	14/15	Trail from parking to Green Street improved for surface and level landings.
	Activity	Modify theater benches.	Museum/Visitor Center	14/15	Modular removable seats with armrests installed.
	Activity	Modify theater entrance.	Museum/Visitor Center	14/15	Level landing for drop off, bench and entry modified.
	Activity	Modify Entrance	Museum/Visitor Center	14/15	Level landing for drop off, route and entry modified.
	Activity	Create 50% accessible picnic sites (4).	Picnic Area	05/06	
	Restroom	Replace pit toilets (2).	Picnic Area	05/06	
	Route	Create routes to restrooms (2).	Picnic Area	05/06	

Bodie SHP Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Create van accessible space in cemetery.	Tour Routes	06/07	Parking space was not able to be installed due to cultural concerns. An accessible route was provided to the cemetery as an alternative.
	Restroom	Install new restrooms (2).	Tour Routes	05/06	Restroom in main parking lot and picnic area accessible.
	Restroom	Replace pit toilets (2).	Tour Routes	05/06	Restroom in main parking lot and picnic area are accessible.
	Route	Modify route in cemetery.	Tour Routes	05/06	

Bolsa Chica SB Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Replace pay telephones at restrooms.	Campground	04/05	
	Route	Modify curb ramps from campsites to multi-use pathway (4).	Campground	07/08	Curb ramps were installed to the restrooms which are connected to the multi-use pathway. Individual accessible campsites (two), have direct access to the multi use pathway. Note: Work was actually completed in June, 06/07.
	Restroom	minor modifications to combo building #16	Campground	11/12	
	Restroom	Install compliant doors	Day Use	10/11	
	Activity	Install proper signage for first aid.	Day Use Area	02/03	
	Activity	Modify door for threshold, slope and hardware.	Day Use Area	02/03	
	Activity	Modify drinking fountain pressure at building.	Day Use Area	02/03	
	Activity	Modify snack bar counters for proper height (5).	Day Use Area	02/03	
	Activity	Provide 50% accessible picnic sites (7).	Day Use Area	02/03	
	Activity	Relocate and replace pay telephones (4).	Day Use Area	02/03	
	Activity	Replace pay telephone with accessible model (3).	Day Use Area	02/03	

Bolsa Chica SB Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Modify curb ramps	Day Use Area	11/12	
	Parking	Modify van parking	Day Use Area	11/12	
	Parking	Modify van parking in lot 18 (1).	Day Use Area	02/03	
	Parking	Modify van parking in lot 21 (1).	Day Use Area	02/03	
	Parking	Modify vehicle parking in lot 16 (5).	Day Use Area	02/03	
	Parking	Modify vehicle parking in lot 18 (2).	Day Use Area	02/03	
	Parking	Modify vehicle parking in lot 21 (4).	Day Use Area	02/03	
	Parking	Modify vehicle parking in lot 24 (4).	Day Use Area	02/03	
	Restroom	Modify outdoor shower heads for height and adjust pressure of controls and time they stay on (5).	Day Use Area	02/03	
	Restroom	Replace buildings (13, 16, 18, 21 and 24) - threshold, hardware, slope of floor, grab bars, proper signage, stall width (large).	Day Use Area	02/03	
	Route	Provide 40% accessible picnic sites on routes of travel (30).	Day Use Area	02/03	
	Route	Replace handrails on multi-use pathway.	Day Use Area	02/03	This is an Outdoor Recreation Access Route - handrails are not required.

Bolsa Chica SB Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Modify Sector Office Doors	Sector Office	11/12	

Border Field SP / TJ Estuary Level 2	Component	Description	Location	Year Completed	Notes
	Activity	Create 15 accessible picnic sites.	Picnic Area	12/13	
	Restroom	Replace small comfort station.	Picnic Area	12/13	
	Route	Create routes to 6 picnic sites.	Picnic Area	12/13	
	Parking	Install 4 spaces.	Tijuana Estuary	12/13	Only 3 spaces required.

Bothe Napa Valley SP Level 2	Component	Description	Location	Year Completed	Notes
	Restroom	Install drinking fountain.	Campground	18/19	Project complete.
	Restroom	Modify combo buildings (2).	Campground	18/19	Project complete.
	Activity	Retrofit campsites (3).	Campground	10/11	
	Activity	Create 50% accessible sites (10).	Picnic Area	11/12	9 sites were completed. No additional sites needed. Only 4 required by the latest proposed Federal Outdoor Guidelines.
	Route	Create routes to 5 picnic sites.	Picnic Area	11/12	Have routes to all 9 accessible picnic sites.
	Parking	Modify parking	Picnic Area	18/19	Project complete.
	Route	Improve route to Visitor Center	Visitor Center	18/19	Project complete.
	Activity	Create accessible entry to VC	Visitor Center	18/19	Project complete.
	Restroom	Upgrade restroom in VC	Visitor Center	18/19	Project complete.

Brannan Island SRA Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Modify accessible space.		04/05	
	Activity	Fishing Pier - Modify fishing platform: install new handrails with accessible areas, curb guides (retrofit ok too).	"Beach"/Swimming Area	04/05	End of pier lowered for access, shelf installed to help with tackle boxes etc.
	Activity	North Picnic Area - Modify 50% of the picnic sites for accessibility (5).	"Beach"/Swimming Area	04/05	Group picnic had vault restroom installed near this location.
	Activity	Picnic Area - Modify picnic sites to make 50% accessible (4).	"Beach"/Swimming Area	04/05	
	Parking	Install van accessible space.	"Beach"/Swimming Area	04/05	Space installed.
	Parking	Modify (re-stripe) auto accessible spaces (loading zones too narrow) (5).	"Beach"/Swimming Area	04/05	
	Restroom	Fishing Pier - Replace portable toilet.	"Beach"/Swimming Area	04/05	District removed portable toilet because of cost. A permanent vault was evaluated for site. Set back requirements could not be met. Vault toilet installed at Group day use as alternate location. Parking was installed at fishing site.
	Restroom	Modify restrooms.	"Beach"/Swimming Area	04/05	Restrooms had fixtures, door signs and outdoor showers done.
	Route	Fishing Pier - Modify route to pier.	"Beach"/Swimming Area	04/05	

Brannan Island SRA Level 1	Component	Description	Location	Year Completed	Notes
	Route	North Picnic Area - Create accessible routes for accessible picnic sites (3).	"Beach"/Swimming Area	04/05	
	Route	Picnic Area - Create accessible routes for 2 of the 4 accessible sites.	"Beach"/Swimming Area	04/05	
	Activity	Install 4 wheelchair and companion seats in campfire center.	Campground	04/05	
	Activity	Retrofit designated accessible sites: install accessible tent sites, tables, spigots, drains and trash (4).	Campground	04/05	
	Activity	Retrofit/replace additional sites with accessible ones (3).	Campground	04/05	
	Restroom	Retrofit small combo restrooms (especially showers) (4).	Campground	04/05	
	Activity	Berthing Area - Install at least 2 new accessible walk-in campsites.	Delta Berthing Area	04/05	
	Activity	Berthing Area - Retrofit dock (widen; add handrails, curb guides, contrast stripes).	Delta Berthing Area	04/05	This is a proposed DBAW project. Compliant per ADAAG.
	Activity	Boat Launch - Replace fixed benches (4).	Delta Berthing Area	17/18	Project complete
	Parking	Boat Launch - Create more auto accessible parking (3).	Delta Berthing Area	17/18	Project complete
	Parking	Boat Launch - Install van accessible parking space.	Delta Berthing Area	17/18	Project complete
	Parking	Boat Launch - Modify current accessible parking spaces (stripe access/loading areas) (4).	Delta Berthing Area	17/18	Project complete

Brannan Island SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Replace combo restroom.	Delta Berthing Area	09/10	DBAW project not previously reported; actual completion 06/07.
	Route	Berthing Area - Create accessible route from parking to docks, slope, surfaces.	Delta Berthing Area	04/05	Proposed DBAW project. Compliant per ADAAG
	Route	Berthing Area - Create accessible routes from dock and from parking to campsites (2).	Delta Berthing Area	04/05	Route exists from docks to accessible camping. Compliant per ADAAG.
	Route	Boat Launch - Modify route to group picnic area.	Delta Berthing Area	04/05	
	Route	Modify route from parking to launch ramp.	Delta Berthing Area	17/18	Project complete
	Route	Boat Launch - Retrofit (re-grade or ramp) 150' route of travel from parking to docks.	Delta Berthing Area	04/05	Proposed DBAW project. Compliant per ADAAG.
	Route	Boat Launch - Install sidewalk from parking to restroom.	Delta Berthing Area	17/18	Project complete
	Activity	Kiosk Area - Install new drinking fountain.	Entrance Area	05/06	
	Activity	Rally (Picnic) Site - Install 6 accessible picnic sites.	Entrance Area	04/05	All sites are on native soil that is firm and stable.
	Activity	Visitor Center - Install new interpretive shelter panels (3).	Entrance Area	05/06	

Brannan Island SRA Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Visitor Center - Modify doorway to visitor center (clearance, hardware, threshold).	Entrance Area	05/06	
	Parking	Kiosk Area - Modify one parking space for van accessibility.	Entrance Area	04/05	Kiosk is drive up only. Space added at VC.
	Parking	Rally (Picnic) Site - Create 1 car and 1 van accessible space.	Entrance Area	04/05	No marked spaces. Area is level and firm, individual can choose where to park to meet individual needs. Site is normally a reserved site.
	Parking	Visitor Center - Install 1 new van accessible parking space.	Entrance Area	05/06	
	Restroom	Rally (Picnic) Site - Replace portable toilet.	Entrance Area	04/05	Permanent vault toilet installed instead of portable.
	Route	Kiosk Area - Create accessible route to new drinking fountain.	Entrance Area	05/06	
	Route	Kiosk Area - Create accessible route.	Entrance Area	04/05	Drive up only. No public pedestrian route to Kiosk.
	Route	Rally (Picnic) Site - Create 3 accessible routes to the 6 sites.	Entrance Area	05/06	
	Route	Rally (Picnic) Site - Create accessible routes of travel to picnic area.	Entrance Area	04/05	Existing surface acceptable when dry.
	Route	Visitor Center - Create new accessible route.	Entrance Area	04/05	Added parking and new route to ramp.

Brannan Island SRA Level 1	Component	Description	Location	Year Completed	Notes
	Route	Visitor Center - Install new building access ramp.	Entrance Area	04/05	Ramp has a 10% slope which meets ORR Guidelines. Handrails are being installed to help with access. Route is barrier free.
	Activity	Install at least 2 accessible campsites.	Group Camping	05/06	
	Parking	Install van accessible space.	Group Camping	04/05	Parking at RR done.
	Restroom	Modify restroom.	Group Camping	04/05	Modifications to interior fixtures and shower completed.
	Route	Modify route from parking to campsite.	Group Camping	05/06	
	Activity	Modify entrance doorway.	Park Office	05/06	
	Parking	Create van accessible space.	Park Office	05/06	
	Activity	Install accessible water spigots (2).	Windy Cove Area	05/06	
	Activity	Replace 50% of fixed benches (5).	Windy Cove Area	05/06	
	Restroom	Modify comfort station.	Windy Cove Area	05/06	Minor modifications done to RR. This includes outdoor showers.
	Restroom	Modify outdoor shower: needs grab bars, adjust head heights and pressures.	Windy Cove Area	05/06	
	Route	Create accessible routes to benches (2).	Windy Cove Area	05/06	
	Route	Modify routes to picnic area (2).	Windy Cove Area	05/06	

Brannan Island SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Modify comfort station.	Windy Cove Area	05/06	Minor modifications done to RR. This includes outdoor showers.
	Restroom	Modify outdoor shower: needs grab bars, adjust head heights and pressures.	Windy Cove Area	05/06	
	Route	Create accessible routes to benches (2).	Windy Cove Area	05/06	
	Route	Modify routes to picnic area (2).	Windy Cove Area	05/06	

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Beaver Creek Picnic Area - Install 50% accessible picnic sites (2).	Beaver Creek Area	09/10	
	Activity	South Grove Trailhead - Replace benches (2).	Beaver Creek Area	06/07	One bench was installed at trailhead, secondary trailhead where second bench is cannot be made accessible due to terrain and environmental issues. Slopes on existing route are too steep to be made accessible and a reroute is not feasible due to environmental issues.
	Activity	South Grove Trailhead - Replace exhibits (2).	Beaver Creek Area	06/07	There is only one exhibit at this location, not two. Exhibit was moved to accessible location at the trailhead.
	Parking	Beaver Creek Picnic Area - Install auto accessible parking space.	Beaver Creek Area	06/07	
	Parking	Beaver Creek Picnic Area - Install van accessible parking space.	Beaver Creek Area	06/07	
	Parking	Gate 30 Trailhead - Install van accessible parking space.	Beaver Creek Area	05/06	
	Parking	South Grove Trailhead - Install van accessible parking space.	Beaver Creek Area	06/07	

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Beaver Creek Picnic Area - Install an accessible restroom.	Beaver Creek Area	05/06	
	Restroom	Gate 30 Trailhead - Install an accessible restroom.	Beaver Creek Area	05/06	
	Route	Beaver Creek Picnic Area - Install accessible route from Beaver Creek Picnic Area to restroom.	Beaver Creek Area	06/07	
	Route	Beaver Creek Picnic Area - Install accessible routes to 40% of 50% sites at Beaver Creek Picnic Area (2).	Beaver Creek Area	06/07	Route was made to the required two (2) sites and the route was extended to an additional three (3) sites for a total of five (5) accessible sites.
	Route	Gate 30 Trailhead - Install accessible route to restroom.	Beaver Creek Area	05/06	
	Activity	Jack Knight Memorial Hall - Install accessible pay telephone.	Entrance Area	07/08	
	Activity	Jack Knight Memorial Hall - Install accessible soda machine.	Entrance Area	05/06	
	Activity	Jack Knight Memorial Hall - Modify entry.	Entrance Area	09/10	
	Activity	Jack Knight Memorial Hall - Replace at least 1 bench.	Entrance Area	09/10	
	Activity	Parking - Modify (lower) kiosk counter.	Entrance Area	09/10	
	Activity	Parking - Order accessible pay telephone.	Entrance Area	09/10	Accessible phone installed.

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Visitor Center - Install at least 2 accessible seat spaces in AV room.	Entrance Area	13/14	Visitor Center replaced.
	Activity	Visitor Center - Modify drinking fountain.	Entrance Area	12/13	
	Activity	Visitor Center - Modify information counter.	Entrance Area	13/14	Visitor Center replaced.
	Activity	Visitor Center - Replace benches (2).	Entrance Area	12/13	One required.
	Activity	Visitor Center - Replace exhibits (2).	Entrance Area	13/14	Visitor Center replaced.
	Parking	Install at least one van accessible parking space.	Entrance Area	12/13	
	Parking	Visitor Center - Modify parking area: correct slope, increase length to 18'.	Entrance Area	12/13	
	Restroom	Jack Knight Memorial Hall - Retrofit/replace restrooms (2).	Entrance Area	07/08	Two new restrooms were built. A comfort station and a combination building.
	Route	Jack Knight Memorial Hall - Replace ramp.	Entrance Area	07/08	
	Route	Jack Knight Memorial Hall - Retrofit stairs.	Entrance Area	09/10	Ramp to building is complete and is main route for all visitors. Stairs will not be done due to historical value.
	Route	Provide accessible route to phone.	Entrance Area	12/13	Pay phone at Jack Knight Hall.
	Route	Visitor Center - Modify ramp to correct 11% slope.	Entrance Area	12/13	

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Campfire Center - Install at least 4 more accessible seating spaces (need a total of 6).	North Grove Area	09/10	
	Activity	North Grove Campground - Modify designated accessible campsites: slopes, water spigots and drains, lack of shade (4).	North Grove Area	09/10	
	Activity	North Grove Lot Restrooms - Replace pay telephone.	North Grove Area	12/13	Pay phone removed from this area.
	Activity	North Grove Picnic Area - Install at least 50% accessible picnic sites (pad, furnishings, trash, water) (10).	North Grove Area	06/07	
	Activity	North Grove Picnic Area - Replace text in panels on Three Senses Trail (4).	North Grove Area	21/22	District-led project; project complete.
	Parking	North Grove Picnic Area - Modify parking: install van accessible space.	North Grove Area	06/07	
	Parking	Ranger Station Area - Modify parking: install at least one additional van accessible space.	North Grove Area	04/05	Done at entrance station.
	Restroom	North Grove Campground - Modify designated accessible restroom (improve slope, replace grab bar, insulate drain and hot water pipes).	North Grove Area	06/07	New restroom combination building constructed that services both campground and picnic area.

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	North Grove Campground - Replace other camp restrooms - vault (4).	North Grove Area	07/08	Vault restrooms are not being replaced. Two new additional combination building were built that service both the campground and picnic areas.
	Restroom	North Grove Campground - Retrofit shower stall.	North Grove Area	09/10	New restroom installed with compliant showers. Existing shower has been modified for improved access.
	Restroom	North Grove Picnic Area - Replace small restrooms (2).	North Grove Area	06/07	New combination building that services both campground and picnic area.
	Restroom	Retrofit North Grove Lot restroom.	North Grove Area	13/14	Accessible restrooms are located in the new visitor center.
	Route	Modify route to ranger station.	North Grove Area	04/05	Provided at new entrance station.
	Route	North Grove Picnic Area - Create accessible routes to 40% of 50% at North Grove Picnic Area (4).	North Grove Area	05/06	Additional picnic sites are done with Jack Knight Hall project.
	Activity	Install at least 3 additional accessible campsites.	Oak Hollow Campground Area	06/07	One accessible campsite provided. Terrain will not allow additional sites. Campground is located on the side of a mountain valley where level areas for accessible routes and features are not available. This will be addressed by additional accessible camping in North Grove Campground.
	Activity	Retrofit designated accessible campsites (#80): regrade, replace spigot and drain.	Oak Hollow Campground Area	06/07	

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Modify 14% slope at back of designated accessible parking space (2).	Oak Hollow Campground Area	07/08	
	Parking	Scenic Overlook Area - Install at least 1 van accessible parking space.	Oak Hollow Campground Area	06/07	
	Restroom	Modify restroom near site 80: install new grab bar, non twist sink handles.	Oak Hollow Campground Area	09/10	
	Restroom	Reconfigure shower: move controls to wall adjacent to bench.	Oak Hollow Campground Area	05/06	This is an approved DSA design. When building is fully renovated, controls will be relocated.
	Restroom	Replace restrooms by sites 97 and 109.	Oak Hollow Campground Area	04/05	Accessible camping provided in North Grove. Terrain not feasible at Oak Hollow.
	Restroom	Scenic Overlook Area - Install accessible restroom.	Oak Hollow Campground Area	05/06	
	Activity	Lava Bluffs Trailhead Area - Install 50% accessible picnic sites (2).	River Area Day Use	06/07	All picnic sites were removed by District in 06/07. There are no picnic sites at this location to be made accessible.
	Activity	Lava Bluffs Trailhead Area - Replace exhibit.	River Area Day Use	09/10	Exhibit has been moved to provide access.
	Activity	Oak Leaf Spring Picnic Area - Install 50% accessible picnic sites at (2).	River Area Day Use	05/06	Memorial plaque can be viewed from road.
	Activity	River Picnic Area - Install 50% accessible picnic sites (3).	River Area Day Use	04/05	Equivalent experience offered in other picnic areas within the park.

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	River Picnic Area - Replace exhibit on north side..	River Area Day Use	05/06	Equivalent experience offered in other picnic areas within the park.
	Parking	Lava Bluffs Trailhead Area - Install at least 1 van accessible parking space.	River Area Day Use	05/06	
	Parking	Oak Leaf Spring Picnic Area - Install 1 accessible van parking space.	River Area Day Use	05/06	Equivalent experience offered in other picnic areas within the park.
	Parking	River Picnic Area - Install 1 accessible auto parking space at picnic area.	River Area Day Use	06/07	
	Parking	River Picnic Area - Install 1 van accessible space in picnic area.	River Area Day Use	06/07	
	Parking	River Picnic Area - Install signs at accessible parking in north lot (2).	River Area Day Use	05/06	Equivalent experience offered in other locations.
	Parking	River Picnic Area - Install van accessible parking in south lot.	River Area Day Use	05/06	Equivalent experience offered in other locations.
	Restroom	Lava Bluffs Trailhead - Install an accessible restroom.	River Area Day Use	05/06	
	Route	Lava Bluffs Trailhead Area - Install accessible route from parking to new restroom.	River Area Day Use	06/07	
	Route	Lava Bluffs Trailhead Area - Install accessible routes to 40% of 50% sites (2).	River Area Day Use	06/07	District removed all picnic sites from this location.
	Route	Oak Leaf Spring Picnic Area - Install accessible route to picnic area.	River Area Day Use	05/06	Equivalent experience offered in other picnic areas within the park.

Calaveras Big Trees SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Oak Leaf Spring Picnic Area - Install accessible routes to 40% of 50% sites (2).	River Area Day Use	05/06	Equivalent experience offered in other picnic areas within the park.
	Route	River Picnic Area - Install accessible route to river.	River Area Day Use	07/08	The stair route to the river was improved to be compliant, and a separate compliant trail was made to the river.
	Route	River Picnic Area - Install accessible routes to 40% of 50% sites (2).	River Area Day Use	05/06	Equivalent experience offered in other picnic areas within the park.
	Activity	Create at least 2 accessible campsites.	White Fir Environmental Campground	09/10	Due to environmental issues and terrain access - one site has been made accessible. The second site is in a flood area and the route cannot be maintained as accessible. There are only 2 sites total. These are hike in sites. Exception Reported July, 08

California Citrus SHP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Modify route to Educational Pavilion	Educational Pavilion	10/11	
	Activity	Install 50% picnic sites.	Sunkist Center Area	09/10	
	Activity	Modify gazebo benches.	Sunkist Center Area	08/09	
	Activity	Modify light switches in Sunkist Center.	Sunkist Center Area	08/09	Controls are operated by park staff.
	Parking	Install 1 additional van space.	Sunkist Center Area	09/10	
	Restroom	Minor modification to restroom signage.	Sunkist Center Area	08/09	
	Route	Install accessible routes to 2 accessible picnic sites (A/C surface).	Sunkist Center Area	09/10	
	Route	Modify route to restroom.	Sunkist Center Area	09/10	
	Route	Modify route to Sunkist Center.	Sunkist Center Area	09/10	

Carnegie SVRA Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Modify for accessible campsites (5).	Campground	06/07	Construction in 2006/2007
	Activity	Replace pay telephone.	Campground	06/07	Construction 2006/2007

	Activity	Magendie Building (Grocery Store) - Retrofit entry doorway.	Remaining Area Between Main and Columbia Streets	13/14	
	Parking	Firehouse, Butcher Shop (Chinese Temple), Leather Shop, Tibbetts House, Barber Shop, Barn and Jail - Create accessible parking.	Remaining Area Between Main and Columbia Streets	13/14	Accessible parking on the corner of Jackson and Columbia St., or behind the City Hotel.
	Route	Firehouse, Butcher Shop (Chinese Temple), Leather Shop, Tibbetts House, Barber Shop, Barn and Jail - Install accessible routes (6).	Remaining Area Between Main and Columbia Streets	13/14	Issues with route; see notes in January 2014 cover letter.
	Activity	Install accessible drinking fountain.	Schoolhouse Area	03/04	
	Parking	Install one van accessible parking space.	Schoolhouse Area	03/04	
	Route	Create accessible route from parking to schoolhouse.	Schoolhouse Area	03/04	
	Route	Modify rear stairs.	Schoolhouse Area	03/04	
	Route	Retrofit ramp entry to schoolhouse.	Schoolhouse Area	03/04	
	Activity	Candy Kitchen, Bakery, Towle Leavitt Building, Photo Studio, Odd Fellows, Justice Court, Drug Store and Dental Office Exhibits - Modify doorways (6).	State/Jackson/Main Street Area	13/14	
	Activity	Museum/Park Information Center - Install accessible drinking fountain.	State/Jackson/Main Street Area	13/14	Adjacent to Sector Office on Jackson.

Columbia SHP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Museum/Park Information Center - Modify doorway threshold.	State/Jackson/Main Street Area	13/14	Sector Office on Jackson Street.
	Activity	Museum/Park Information Center - Modify exhibits (3).	State/Jackson/Main Street Area	05/06	
	Activity	Museum/Park Information Center - Modify sales/info counter.	State/Jackson/Main Street Area	05/06	
	Restroom	Museum/Park Information Center - Retrofit restrooms.	State/Jackson/Main Street Area	05/06	
	Route	Candy Kitchen, Bakery, Towle Leavitt Building, Photo Studio, Odd Fellows, Justice Court, Drug Store and Dental Office Exhibits - Modify routes of travel (9).	State/Jackson/Main Street Area	13/14	Issues with route; see notes in January 2014 cover letter.
	Route	Museum/Park Information Center - Modify path of travel to rear restrooms.	State/Jackson/Main Street Area	05/06	
	Route	Museum/Park Information Center - Modify path of travel to restroom.	State/Jackson/Main Street Area	05/06	
	Route	Museum/Park Information Center - Modify/retrofit ramp.	State/Jackson/Main Street Area	05/06	
	Route	Connection from existing accessible parking (south parking lot) to existing picnic areas, Miners Cabin, Mining Equipment Exhibit, Matelot Gulch Gold Panning, and Main St.	Washington/Main Street Area	20/21	Project complete.

Cuyamaca Rancho SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Arroyo Seco Day Use Area - Modify picnic sites (10).	Arroyo Seco Area	19/20	Project complete.
	Parking	Arroyo Seco Day Use Area - Modify parking for van accessible space.	Arroyo Seco Area	19/20	Project complete.
	Activity	Create wheelchair seating at campfire center.	Green Valley Campground	19/20	Project complete.
	Activity	Modify campsites (4).	Green Valley Campground	19/20	Project complete. Campsite(s) 25, 44, 69, and 78 were modified.
	Parking	Create accessible van parking space.	Green Valley Campground	19/20	Project complete.
	Restroom	Modify combination buildings (3).	Green Valley Campground	19/20	Project complete. One CB complete at equestrian campground, one CB complete at Green Valley campground, one CS complete at Arroyo Seco picnic area.
	Restroom	Modify drinking fountains on combination buildings (2).	Green Valley Campground	19/20	Project complete.
	Route	Create accessible route to campfire center.	Green Valley Campground	19/20	Project complete.
	Activity	Create two accessible campsites	Green Valley Equestrian Camp	10/11	One loop in the Green Valley campground was converted to equestrian camping. Two accessible campsites are complete.

Cuyamaca Rancho SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Create accessible campsites (2).	Los Caballos Horse Camp and Day Use		facility no longer in use due to fire
	Activity	Relocate and replace pay telephone.	Los Caballos Horse Camp and Day Use		facility no longer in use due to fire
	Activity	Relocate self pay machine.	Los Caballos Horse Camp and Day Use		facility no longer in use due to fire
	Restroom	Replace pit toilet.	Los Caballos Horse Camp and Day Use		facility no longer in use due to fire
	Restroom	Replace restrooms.	Los Caballos Horse Camp and Day Use		facility no longer in use due to fire
	Route	Create accessible routes from campsites to restrooms (2).	Los Caballos Horse Camp and Day Use		facility no longer in use due to fire
	Parking	Modify accessible space for striping and signage.	Park District Headquarters/Museum	09/10	
	Restroom	Replace restroom.	Park District Headquarters/Museum	09/10	This is called the Dyar House parking lot restroom.
	Route	Create accessible route from parking to restroom.	Park District Headquarters/Museum	09/10	
	Route	Modify ramp for handrails, slope and landings.	Park District Headquarters/Museum	19/20	Project complete.
	Route	Modify stairs to modular VC	Park District Headquarters/Museum	19/20	Project complete.
	Activity	Campfire Center - Create wheelchair seating.	Paso Picacho Area	19/20	Project complete
	Activity	Campground - Create accessible campsite.	Paso Picacho Area	17/18	Project complete

Cuyamaca Rancho SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Campground - Modify campsites (4).	Paso Picacho Area	17/18	Project complete
	Activity	Day Use - Create additional picnic sites (8).	Paso Picacho Area	19/20	Project complete. Ten total accessible picnic sites created. Exception to total number of accessible picnic sites reported January 2018.
	Activity	Day Use - Modify picnic sites (3).	Paso Picacho Area	19/20	Project complete. Ten total accessible picnic sites created. Exception to total number of accessible picnic sites reported January 2018.
	Activity	Second Cabin - Create accessible cabin.	Paso Picacho Area	17/18	Project complete - Exception reported July 2013.
	Parking	Group Camp - Create van accessible parking at each lot (2).	Paso Picacho Area	17/18	Project complete
	Restroom	Combination Building - Modify building (4) (new 8/2000).	Paso Picacho Area	17/18	Project complete
	Restroom	Day Use - Replace/retrofit restroom 1.	Paso Picacho Area	19/20	Project complete. Restroom modified.
	Restroom	Day Use - Very minor modifications to restrooms 2 and 3 (new 8/2000).	Paso Picacho Area	19/20	Project complete. Restrooms modified.
	Restroom	Historic Restroom - Replace/retrofit building (new building installed).	Paso Picacho Area	17/18	Project complete. This restroom is in the day use area and due to historic fabric cannot be modified. An adjacent day use area restroom facility has been modified. See April 2017 correspondence.

Cuyamaca Rancho SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Campfire Center - Modify route from road to campfire center.	Paso Picacho Area	19/20	Project complete.
	Route	Combination Building - Modify route from road to buildings (4) (new 8/2000).	Paso Picacho Area	17/18	Project complete.
	Route	Day Use - Create picnic sites on accessible routes (6).	Paso Picacho Area	19/20	Project complete.
	Route	Second Cabin - Create ramp from parking to cabin.	Paso Picacho Area	17/18	Project complete.

Doheny SB Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Create 5 more accessible campsites.	Campground	03/04	
	Activity	Create wheelchair and companion seating at campfire center.	Campground	03/04	
	Activity	Modify 2 campsites.	Campground	03/04	
	Activity	Replace pay telephone with accessible model and locate on accessible surface (2).	Campground	03/04	
	Parking	Modify parking space at combination building to make it van accessible.	Campground	07/08	
	Restroom	Modify combination building for sink, urinals (2).	Campground	07/08	
	Restroom	Modify comfort station buildings (3).	Campground	07/08	Two combination buildings with showers were replaced instead of modifying the three comfort stations without showers. Replacing the buildings with showers provides a greater accessible experience for the campground program.
	Restroom	Replace outdoor showers with accessible models (2).	Campground	07/08	Showers are at new restrooms.
	Route	Create accessible route by stabilizing surface.	Campground	07/08	Routes used in the campground are Outdoor Recreation Access Routes. All pedestrians use the camp loop road, including persons with disabilities.

Doheny SB Level 1	Component	Description	Location	Year Completed	Notes
	Route	Modify route from road to combination building (2).	Campground	07/08	
	Route	Modify route from road to comfort station (3).	Campground	07/08	Two combination buildings with showers were replaced instead of modifying the three comfort stations without showers. Replacing the buildings with showers provides a greater accessible experience for the campground program.
	Activity	Modify door for poundage.	Entrance Area	13/14	
	Activity	Modify fixed bench with back support, armrest and clear space.	Entrance Area	05/06	
	Activity	Modify sales counter for height.	Entrance Area	13/14	
	Activity	Modify some exhibits for height of text and text font (4).	Entrance Area	14/15	
	Activity	Replace pay telephone with accessible model and with enough clear space.	Entrance Area	14/15	Pay phone removed.
	Parking	Modify to create van accessible space with proper signage.	Entrance Area	04/05	
	Route	Create crossing zone from parking to visitor center, including modification for slope.	Entrance Area	04/05	

Doheny SB Level 1	Component	Description	Location	Year Completed	Notes
	Route	Modify curb ramp to visitor center.	Entrance Area	04/05	
	Activity	Create 50% accessible picnic sites in Promenade Picnic Area (10).	North Day Use Area	05/06

	Activity	Retrofit campfire center.	Burlington Campground	06/07	
	Parking	Install accessible parking at restroom by campsite 54.	Burlington Campground	06/07	
	Parking	Modify van accessible space at accessible combo restroom by campsite 33.	Burlington Campground	06/07	

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Modify combo restroom by campsite 33 (shower configuration).	Burlington Campground	06/07	Instead of modifying the combination building by campsite 33, which was approved by DSA as being compliant, we replaced the combination building by campsite 54.
	Route	Create accessible paths of travel to accessible restrooms for new sites (3).	Burlington Campground	11/12	Item no longer applicable as camp loop roads are now allowed to be used as routes.
	Route	Modify gaps in concrete path of travel to designated accessible combo restroom.	Burlington Campground	06/07	
	Activity	Create accessible equestrian feature(s) (mounting steps, mounting platform or hoist lift [see ATPG]).	Cuneo Creek Horse Camp	03/04	
	Activity	Install accessible amenity (hitching post or drinking fountain or table, etc.).	Cuneo Creek Horse Camp	03/04	
	Activity	Install at least 1 accessible campsite in family and group loops (2).	Cuneo Creek Horse Camp	03/04	
	Restroom	Replace pit toilets (2).	Cuneo Creek Horse Camp	05/06	The main restroom in this campground has been made accessible.
	Restroom	Retrofit combo restroom shower.	Cuneo Creek Horse Camp	03/04	

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Garden Club of America Grove - Install at least 2 accessible picnic sites.	Day Use Areas	05/06	Due to environmental issues and septic issues along the river, a restroom and picnic sites could not be done at this location. Accessible picnicking has been done at the other day use areas with similar experience.
	Activity	Group Campground - Create at least one accessible campsite in group camping area.	Day Use Areas	03/04	
	Activity	William's Grove - Create accessible picnic sites (4).	Day Use Areas	03/04	
	Activity	Women's Federation Grove - Install at least 10 accessible picnic sites.	Day Use Areas	03/04	Three picnic sites were installed. This was all the terrain allowed.
	Parking	Founder's Grove - Install van accessible parking.	Day Use Areas	03/04	
	Parking	William's Grove - Install van accessible parking.	Day Use Areas	03/04	
	Parking	Women's Federation Grove - Install auto accessible parking space (2).	Day Use Areas	03/04	
	Parking	Women's Federation Grove - Install van accessible parking space.	Day Use Areas	03/04	

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Founder's Grove - Modify designated accessible toilet rooms.	Day Use Areas	11/12	
	Restroom	Garden Club of America Grove - Install comfort station at an accessible location.	Day Use Areas	05/06	Due to environmental issues and septic issues along the river, a restroom and picnic sites could not be done at this location. Accessible picnicking has been done at the other day use areas with similar experience.
	Restroom	Group Campground - Create accessible combo restroom near accessible site.	Day Use Areas	09/10	Existing restroom is a compliant design. The project was to add showers. Due to environmental issues in this river setting the size of the septic system cannot be increased. The existing septic system will not support the addition of a shower. Accessible showers are available at Burlington or Hidden Springs campgrounds. Exception Reported July 08.
	Restroom	William's Grove - Install accessible comfort station near accessible picnic sites.	Day Use Areas	03/04	
	Restroom	Women's Federation Grove - Replace small restroom.	Day Use Areas	06/07	
	Route	Founder's Grove - Install accessible path of travel to Founder's Tree.	Day Use Areas	11/12	Start of route improved near restroom. The rest of route meets trail standards.
	Route	Founder's Grove - Modify ramped boardwalk/deck.	Day Use Areas	10/11	This is not a ramp; it is part of the trail system and is compliant.

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Garden Club of America Grove - Create accessible path to accessible picnic tables.	Day Use Areas	05/06	Due to environmental issues and septic issues along the river, a restroom and picnic sites could not be done at this location. Accessible picnicking has been done at the other day use areas with similar experience.
	Route	William's Grove - Create accessible routes from accessible picnic sites to comfort station.	Day Use Areas	03/04	
	Route	William's Grove - Create accessible routes of travel to each accessible picnic site from parking (4).	Day Use Areas	03/04	
	Route	Women's Federation - Create accessible route to Julia Morgan grill area.	Day Use Areas	03/04	
	Route	Women's Federation Grove - Create accessible route to restroom.	Day Use Areas	03/04	
	Route	Women's Federation Grove - Create accessible route to 4 of the accessible sites.	Day Use Areas	03/04	
	Activity	Create 7 accessible campsites dispersed in various loops.	Hidden Springs Campground	05/06	

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Install new drinking fountain and pad.	Hidden Springs Campground	05/06	
	Activity	Install new pay telephone and pad.	Hidden Springs Campground	05/06	
	Parking	Install accessible parking for all new accessible restrooms (3).	Hidden Springs Campground	05/06	
	Parking	Install accessible parking for all new accessible combo restrooms (2).	Hidden Springs Campground	05/06	
	Restroom	Modify combo restroom 4.	Hidden Springs Campground	06/07	
	Restroom	Replace combos 2 and 3 (partial DMP).	Hidden Springs Campground	03/04	
	Restroom	Replace restroom A, B and C.	Hidden Springs Campground	03/04	
	Restroom	Retrofit combo restroom 1.	Hidden Springs Campground	06/07	
	Route	Create accessible routes to accessible restrooms for each accessible site.	Hidden Springs Campground	05/06	
	Route	Create accessible routes to all accessible restrooms (3).	Hidden Springs Campground	05/06	
	Route	Create accessible routes to new accessible combo restrooms (2).	Hidden Springs Campground	05/06	
	Activity	Provide accessible seating and route at campfire center.	Hidden Springs Campground	07/08	The campfire center was not addressed in the original work plan.

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Park Headquarters - Modify door hardware.	Visitor Center Area	04/05	
	Activity	Park Headquarters - Modify doorway.	Visitor Center Area	09/10	Provided parking and alternate contact area. Historic property and elevation gains would not allow for fully accessible path. Exception reported July 08.
	Activity	Park Headquarters - Modify information counter.	Visitor Center Area	06/07	
	Activity	Visitor Center - Install 2 or more accessible benches on porch.	Visitor Center Area	04/05	
	Activity	Visitor Center - Install 2 or more accessible picnic sites on porch.	Visitor Center Area	04/05	
	Activity	Visitor Center - Install directional ISA to restroom.	Visitor Center Area	04/05	
	Parking	Park Headquarters - Install van accessible parking space.	Visitor Center Area	07/08	
	Parking	Visitor Center - Modify parking: restripe for van.	Visitor Center Area	07/08	
	Restroom	Modify designated accessible restroom.	Visitor Center Area	04/05	

Humboldt Redwoods SP Level 1	Component	Description	Location	Year Completed	Notes
	Route	Park Headquarters - Install accessible concrete path of travel.	Visitor Center Area	04/05	
	Route	Park Headquarters - Install building access ramp.	Visitor Center Area	09/10	This park office is a historic structure. Due to terrain, excessive slopes, and the historic nature of the facility, staff contact will be provided at the Visitor Center which is accessible. The museum is located on the other end of the parking lot. Exception reported July 08.
	Route	Visitor Center - Install accessible path of travel.	Visitor Center Area	04/05	
	Route	Visitor Center - Modify exterior building access ramp.	Visitor Center Area	04/05	
	Route	Visitor Center - Modify slope of path from visitor center to restroom or add ramp with rails and wheel guards at drop-off areas.	Visitor Center Area	04/05	

Hungry Valley SVRA Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Install 50% accessible tables in picnic area (8).	4 Wheel Drive Practice Area	03/04	
	Parking	Restripe existing parking space to make it van accessible and install proper signage.	4 Wheel Drive Practice Area	03/04

	Activity	Installed water station.	Picnic Area	15/16	
	Route	Patched walkways.	Picnic Area	15/16	

San Clemente SB Level 2	Component	Description	Location	Year Completed	Notes
	Activity	Modify stage and seating area for access	Campfire Center	19/20	Project complete.
	Activity	Create 4 accessible campsites - hook-up	Campground	19/20	Project complete. Improved campsites 73, 93, 98, 113, 126, 138, 141, 155, and 159.
	Activity	Modify 5 campsites - tent.	Campground	19/20	Project complete. Improved campsites 73, 93, 98, 113, 126, 138, 141, 155, and 159.
	Activity	Replace exhibit panels at restrooms.	Campground	19/20	Project complete.
	Parking	Modify day-use parking.	Day-use	19/20	Project complete.
	Route	Route from parking.	Day-use	19/20	Project complete.

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Boat Ramp Area - Modify 50% picnic sites (3).	Basalt Area	04/05	
	Activity	Boat Ramp Area - Modify boat ramp for slope.	Basalt Area	06/07	Ramp slope meets federal guidelines. Ramp will not be replaced.
	Activity	Boat Ramp Area - Modify drinking fountain for pressure to operate and route for slope.	Basalt Area	04/05	
	Activity	Boat Ramp Area - Modify fish cleaning station for clear space slope and height of counter.	Basalt Area	04/05	
	Activity	Boat Ramp Area - Modify gangplank from ramp to dock for slope, add curbs or wheel guides and handrails, striping.	Basalt Area	07/08	The gangplank to the boarding float meets the current federal guidelines for boating and does not require further modification. Transition plate has been modified for a slope not to exceed 5%.
	Activity	Boat Ramp Area - Replace fixed bench.	Basalt Area	06/07	This bench has been removed.
	Activity	Campfire Center - Create additional wheelchair seating and proper size.	Basalt Area	05/06	
	Activity	Campground - Modify campsites (5).	Basalt Area	08/09	
	Activity	Entrance Station - Modify exhibit case for clear space.	Basalt Area	04/05	
	Activity	Entrance Station - Modify exhibits for font (2).	Basalt Area	04/05	
	Activity	Entrance Station - Modify kiosk counter for height.	Basalt Area	04/05	

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Entrance Station - Replace pay telephone with accessible model and create clear space.	Basalt Area	04/05	
	Parking	Boat Ramp Area - Modify van accessible parking.	Basalt Area	06/07	This project was completed by Dept of Boating and Waterways.
	Parking	Boat Ramp Area - Modify vehicle accessible parking (4).	Basalt Area	06/07	This project was completed by Dept of Boating and Waterways.
	Parking	Campfire Center - Modify parking for van accessible zone.	Basalt Area	05/06	
	Parking	Combination Building - Modify parking for van accessible spaces (2).	Basalt Area	07/08	These are the campground combination buildings.
	Parking	Entrance Station - Relocate parking closer to kiosk and create 1 van accessible space.	Basalt Area	04/05	
	Parking	Parking Lot off Basalt-Goosehead - Modify vehicle accessible parking spaces (2).	Basalt Area	08/09	
	Parking	Parking Lot off Basalt-Goosehead Lot - Modify van accessible parking.	Basalt Area	08/09	
	Restroom	Boat Ramp Area - Modify restroom: door poundage, adequate strike edge clearance, proper signage.	Basalt Area	03/04	
	Restroom	Combination Building - Minor modification to drinking fountain (2).	Basalt Area	07/08	These are the campground combination buildings.
	Restroom	Combination Building - Modify building (2).	Basalt Area	07/08	These are the campground combination buildings. They were replaced not modified.

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Parking Lot off Basalt-Goosehead - Replace portable toilets with accessible model.	Basalt Area	06/07	Toilets have been removed by park.
	Route	Boat Ramp Area - Modify 40% picnic sites to be on accessible routes.	Basalt Area	06/07	
	Route	Boat Ramp Area - Modify route from parking to fish cleaning station for slope.	Basalt Area	06/07	
	Route	Boat Ramp Area - Modify routes from parking to picnic sites.	Basalt Area	06/07	
	Route	Combination Building - Minor modification to route for slope.	Basalt Area	06/07	
	Route	Entrance Station - Create accessible route.	Basalt Area	04/05	
	Route	Parking Lot off Basalt-Goosehead - Create accessible route from parking to fishing.	Basalt Area	06/07	Accessible parking was created in paved parking lot. Fisherman are also able to drive to waters edge as the reservoir level drops each year.
	Activity	Curb Island - Modify drinking fountain for controls and knee space.	Dinosaur Point	06/07	
	Activity	Curb Island - Replace boat dock.	Dinosaur Point	08/09	Transition plate modified to meet requirements

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Curb Island - Replace boat ramp due to slope.	Dinosaur Point	06/07	The boat launching ramp was designed to meet boat launching standards and fit the terrain where it was installed. This is a seasonal only ramp. Ramps that are year round with less slope are located at the Basalt location.
	Activity	Curb Island - Replace fixed bench.	Dinosaur Point	06/07	
	Activity	Curb Island - Replace pay telephone.	Dinosaur Point	08/09	Pay phone removed
	Activity	Picnic/Primitive Camping Sites - Modify 2 sites for cooking facilities, water and trash (2).	Dinosaur Point	08/09	
	Parking	Modify to create 5 accessible parking spaces with 1 van accessible space.	Dinosaur Point	08/09	
	Route	Curb Island - Modify curb ramp for slope and add grooved borders.	Dinosaur Point	08/09	
	Route	Picnic/Primitive Camping Sites - Modify 2 ramadas for access - route.	Dinosaur Point	08/09	
	Activity	Modify counter for height.	District Office	08/09	
	Activity	Modify entry door for pressure and threshold.	District Office	08/09	
	Parking	Modify parking to make a van accessible space.	District Office	08/09	

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Replace, if to be used.	District Office	08/09	
	Activity	Boat Launch Area - Modify picnic/campsite for cooking facility, water faucet.	Los Banos Creek Reservoir	10/11	
	Activity	Boat Launch Area - Modify ramp for slope.	Los Banos Creek Reservoir	08/09	The existing boat launching ramp meets slope requirements. The boarding float assembly has been replaced.
	Activity	Boat Launch Area - Replace dock.	Los Banos Creek Reservoir	08/09	The boarding float assembly has been replaced.
	Activity	Camping Area 2nd Loop - Create accessible campsites (2).	Los Banos Creek Reservoir	06/07	Medeiros campground provides similar experience. Los Banos is on hillside. No room to provide compliant facilities.
	Activity	Entrance Area - Modify kiosk counter for height.	Los Banos Creek Reservoir	04/05	
	Activity	Entrance Area - Replace and relocate pay telephone.	Los Banos Creek Reservoir	08/09	The pay phone was removed.
	Activity	Horse Camp - Create 2 accessible sites with accessible tables and parking.	Los Banos Creek Reservoir	05/06	This project is not able to be done. The site is a Native American village site and cannot be modified. Park to remove all facilities at location.
	Activity	Horse Camp - Create accessible equestrian facilities.	Los Banos Creek Reservoir	05/06	This project is not able to be done. The site is a Native American village site and cannot be modified. Park to remove all facilities at location.
	Parking	Boat Launch Area - Modify parking for van accessible space.	Los Banos Creek Reservoir	08/09	

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Camping Area 2nd Loop - Replace portable toilet with accessible model (2).	Los Banos Creek Reservoir	05/06	Medeiros campground provides similar experience. Los Banos is on hillside. No room to provide compliant facilities.
	Restroom	Horse Camp - Replace portable toilet with accessible model.	Los Banos Creek Reservoir	05/06	This project is not able to be done. The site is a Native American village site and cannot be modified. Park to remove all facilities at location.
	Route	Boat Launch Area - Modify route from parking to boat area.	Los Banos Creek Reservoir	07/08	
	Route	Camping Area 2nd Loop - Create accessible route from campsites to beach area.	Los Banos Creek Reservoir	05/06	Medeiros campground provides similar experience. Los Banos is on hillside. No room to provide compliant facilities.
	Route	Camping Area 2nd Loop - Create accessible route from campsites to restrooms (2).	Los Banos Creek Reservoir	05/06	Medeiros campground provides similar experience. Los Banos is on hillside. No room to provide compliant facilities.
	Route	Entrance Area - Modify route around kiosk for obstacles.	Los Banos Creek Reservoir	05/06	This is designed as a drive up kiosk. There are no facilities for anyone to safely use this as a walk up kiosk.
	Activity	Boat Dock - Replace boat dock and ramp.	Medeiros	05/06	This facility is no longer in use.
	Activity	Camping Sites - Modify 3 sites to include accessible table, cooking facilities and route to restrooms.	Medeiros	08/09	This campground is no longer in use.
	Activity	Entrance Area - Replace pay telephone.	Medeiros	07/08	Pay phone removed.
	Parking	Boat Dock - Create van accessible parking space.	Medeiros	04/05	This facility is no longer in use.

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Entrance Area - Create van accessible space with proper signage and stabilize surface.	Medeiros	05/06	No designated parking area, employee area only. No space designated.
	Parking	Group Camp - Create accessible van parking space with proper signage.	Medeiros	08/09	
	Restroom	Boat Dock - Replace portable toilets with accessible model.	Medeiros	05/06	The facility is no longer in use.
	Restroom	Camping Sites - Replace portable toilets with accessible models (2).	Medeiros	08/09	Three accessible vault toilets, permanent structures, have been installed instead of portable restrooms.
	Restroom	Entrance Area - Modify restroom for grab bars, slope on floor.	Medeiros	08/09	
	Restroom	Group Camp - Modify hardware on door.	Medeiros	08/09	
	Restroom	Group Camp - Modify restrooms for proper signage, and adjust grab bars.	Medeiros	08/09	
	Route	Entrance Area - Create accessible route from parking to kiosk.	Medeiros	05/06	There is no formal parking. This facility is a drive up only facility and not intended for visitors to walk to kiosk.
	Route	Entrance Area - Create accessible route to restroom to avoid crossing traffic lanes.	Medeiros	05/06	No public route, employee only.
	Route	Group Camp - Create accessible route from parking to restroom.	Medeiros	08/09	

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Route	Group Camp - Modify ramp for curbs, handrails, landings.	Medeiros	08/09	
	Activity	Boat Ramp Area - Modify docks and connections for wheel guards, slope, handrails and striping.	San Luis Creek Area	05/06	Meets Federal standards.
	Activity	Boat Ramp Area - Modify fish cleaning station for counter height.	San Luis Creek Area	05/06	
	Activity	Boat Ramp Area - Replace drinking fountain.	San Luis Creek Area	05/06	
	Activity	Check 12 - Modify 50% picnic sites to make accessible water and clear space (3).	San Luis Creek Area	08/09	
	Activity	Entrance Station - Modify drinking fountain for height.	San Luis Creek Area	08/09	
	Activity	North Beach Day Use - Minor modifications to drinking fountain (2).	San Luis Creek Area	05/06	
	Activity	North Beach Day Use - Modify 50% sites, mainly cooking facilities (35).	San Luis Creek Area	05/06	
	Activity	North Beach Day Use - Replace outdoor showers.	San Luis Creek Area	05/06	
	Activity	San Luis Creek Campground - Modify campsites for water and trash (4).	San Luis Creek Area	08/09	
	Activity	San Luis Creek Campground - Replace pay telephone with accessible model.	San Luis Creek Area	08/09	Phone removed
	Activity	South Beach Day Use - Replace outdoor showers.	San Luis Creek Area	07/08	
	Parking	Boat Ramp Area - Modify parking lot.	San Luis Creek Area	07/08	

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Parking	Boat Ramp Area - Modify van accessible parking space.	San Luis Creek Area	07/08	
	Parking	Boat Ramp Area - Modify vehicle accessible parking space.	San Luis Creek Area	07/08	
	Parking	Check 12 - Modify parking for van accessible space.	San Luis Creek Area	05/06	
	Parking	Entrance Station - Install proper signage for parking.	San Luis Creek Area	08/09	
	Parking	North Beach Day Use - Modify parking for van accessible space.	San Luis Creek Area	04/05	
	Parking	San Luis Creek Campground - Modify entrance area for accessible van parking and clear space for exhibit and pay phone.	San Luis Creek Area	05/06	
	Parking	San Luis Creek Campground - Modify parking at restrooms to make them van accessible spaces (2).	San Luis Creek Area	05/06	
	Parking	San Luis Creek Group Campground - Modify parking to make van accessible parking space and signage (2).	San Luis Creek Area	05/06	
	Parking	South Beach Day Use - Modify parking lots for proper number of van spaces with proper signage (5).	San Luis Creek Area	07/08	This use area is for boat in. Ped access from main parking lot.
	Restroom	Boat Ramp Area - Modify restroom/dressing room.	San Luis Creek Area	07/08	New restroom installed.
	Restroom	Check 12 - Modify restroom for proper signage, minor modifications to grab bars.	San Luis Creek Area	08/09	New restroom installed
	Restroom	Entrance Area - Replace portable toilets with accessible model.	San Luis Creek Area	08/09	New restrooms installed

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	North Beach Day Use - Minor modifications to restrooms (2).	San Luis Creek Area	07/08	The San Luis Creek area has 5 restrooms. The 3 restrooms along the water that are most used were replaced.
	Restroom	North Beach Day Use - Minor modifications to restrooms/dressing room building.	San Luis Creek Area	07/08	The San Luis Creek area has 5 restrooms. The 3 restrooms along the water that are most used were replaced.
	Restroom	San Luis Creek Campground - Modify restroom doors for strike edge clearance and hardware (2).	San Luis Creek Area	08/09	
	Restroom	San Luis Creek Campground - Modify restrooms for toilet seat height, proper signage, clothes hooks (2).	San Luis Creek Area	08/09	
	Restroom	San Luis Creek Group Campground - Minor modifications to restroom.	San Luis Creek Area	08/09	
	Restroom	San Luis Creek Group Campground - Modify shower stalls.	San Luis Creek Area	08/09	This is the old CA shower design with the shower controls on the facing wall instead of the side wall. DRA agreed to this design. See August 20, 2007 letter from DRA to Ms. Aceituno.
	Restroom	South Beach Day Use - Comfort stations (2).	San Luis Creek Area	07/08	The San Luis Creek area has 5 restrooms. The 3 restrooms along the water that are most used were replaced.

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	South Beach Day Use - Restroom/dressing room building.	San Luis Creek Area	07/08	The San Luis Creek area has 5 restrooms. The 3 restrooms along the water that are most used were replaced.
	Route	Boat Ramp Area - Modify gangway to fishing dock structure for edge protection, handrails and widen gate.	San Luis Creek Area	04/05	
	Route	Boat Ramp Area - Modify route from parking to fish cleaning station, remove curb and slope.	San Luis Creek Area	04/05	
	Route	Boat Ramp Area - Modify route to fishing dock structure for slope and obstructions.	San Luis Creek Area	04/05	
	Route	Check 12 - Modify route from parking to picnic area for slope and surface.	San Luis Creek Area	04/05	
	Route	Check 12 - Modify route from parking to restroom for slope and surface.	San Luis Creek Area	04/05	
	Route	Entrance Station - Modify route from parking to kiosk for barriers.	San Luis Creek Area	08/09	This is a drive up only kiosk. There is no public route to modify. See MIG Comments, Semi - Annual Report - January 30, 2008. Exemption B, for drive-up entrance stations.
	Route	North Beach Day Use - Create accessible route from picnic areas to beach (3).	San Luis Creek Area	04/05	

San Luis Reservoir SRA Level 1	Component	Description	Location	Year Completed	Notes
	Route	North Beach Day Use - Modify routes to 40% picnic sites for slope and terrain (15).	San Luis Creek Area	04/05	
	Route	San Luis Creek Group Campground - Modify curb ramps for slope.	San Luis Creek Area	08/09	
	Activity	Modify entrance door for pressure.	Visitor Center	08/09	
	Activity	Modify sink area for space underneath.	Visitor Center	08/09	
	Activity	Replace sink controls.	Visitor Center	08/09	
	Parking	Modify space for surface, proper signage and slope.	Visitor Center	08/09	Accepted Deviation #1 is being used for the slope at this location. "Surface slope of accessible parking spaces at developed parking lots may vary from the standard by up to 1%."
	Restroom	Minor modification for dispensers, hot water pipes insulation, grab bars.	Visitor Center	08/09	
	Restroom	Modify door for proper signage and poundage.	Visitor Center	08/09	

Seacliff SB Level 1	Component	Description	Location	Year Completed	Notes
	Activity	Campground - Install at least 2 additional accessible campsites, dispersed throughout.	Campground Area	10/11	
	Activity	Campground - Modify designated accessible site.	Campground Area	10/11	
	Activity	Parking Lots A, B and C by Campground - Modify drinking fountains at restrooms (3).	Campground Area	10/11	
	Parking	Campground - Modify designated accessible parking space at combo.	Campground Area	10/11	Parking at CG restrooms eliminated due to operational need. All campground restrooms are on accessible routes.
	Parking	Parking Lots A, B and C by Campground - Install at least 1 van accessible space in Lots A, B (overflow parking) and C.	Campground Area	10/11	Parking at CG restrooms eliminated due to operational need. All campground restrooms are on accessible routes.
	Restroom	Campground - Modify combo restroom.	Campground Area	18/19	Project complete. (3) comfort stations in campground renovated, (1) comfort station in group picnic area reconstructed, and (1) comfort station in day use area renovated.
	Restroom	Campground - Modify drinking fountain at combo.	Campground Area	10/11	
	Restroom	Campground - Retrofit shower in combo restroom.	Campground Area	10/11	
	Restroom	Parking Lots A, B and C by Campground - Modify restrooms at each end of Lot B (2).	Campground Area	18/19	Project complete. (3) comfort stations in campground renovated, (1) comfort station in group picnic area reconstructed, and (1) comfort station in day use area renovated.

Seacliff SB Level 1	Component	Description	Location	Year Completed	Notes
	Restroom	Parking Lots A, B and C by Campground - Replace outside showers at restrooms (3).	Campground Area	18/19	Project complete. (3) comfort stations in campground renovated, (1) comfort station in group picnic area reconstructed, and (1) comfort station in day use area renovated.
	Restroom	Parking Lots A, B and C by Campground - Retrofit exterior sinks at restrooms (3).	Campground Area	10/11	Accessible toilet rooms include interior sinks.
	Route	Parking Lots A, B and C by Campground - Modify (slope) route to north restroom.	Campground Area	10/11	
	Activity	Replace outdoor showers (2).	Rio del Mar Area	05/06	
	Activity	Replace telephone by south restroom.	Rio del Mar Area	05/06	
	Parking	Create 1 van accessible parking space in south lot to bring total to 3.	Rio del Mar Area	05/06	
	Restroom	Retrofit large comfort station in north and south lots (2).	Rio del Mar Area	05/06	
	Restroom	Retrofit/replace dressing rooms in north and south lot restrooms.	Rio del Mar Area	05/06	
	Route	Create an accessible route to beach.	Rio del Mar Area	05/06	
	Route	Modify route to north restroom.	Rio del Mar Area	05/06
