California State Parks Announces a Concession Opportunity at Doheny State Beach

DANA POINT, Calif. – California State Parks is accepting proposals for a ten-year concession contract, with the option to extend the term an additional five-years, for beach stand operations, food and beverage services, including sales and rentals of recreational equipment at Doheny State Beach (SB). A pre-proposal meeting to operate the concession is scheduled at 5 p.m. Thursday, December 12, 2019 at the lifeguard headquarters garage at Doheny State Beach. A tour of the concession facilities and premises will be available prior to the meeting at 4:00 p.m.

Doheny SB is a 62-acre beach park located in Dana Point, midway between Los Angeles and San Diego. The park provides 120 overnight camping sites and extensive day-use development, which can accommodate 1,150 automobiles. Due to its proximity to the Los Angeles metropolitan area, favorable year-round weather conditions, and natural oceanfront setting, Doheny SB attracts approximately 1.3 million visitors annually. The park also attracts several hundred-picnic groups each year, including many large corporate events.

The park is divided into three visitor use areas. Concession facilities and services are confined primarily to the north day-use area, located northwest of San Juan Creek. The north day-use area encompasses approximately 13 acres for parking approximately 700 cars, ten acres of beach, a native plant garden, a butterfly garden with a picnic area, and a visitor center that contains a gift shop, a natural history museum, aquariums and a simulated tide pool.

The campground, located adjacent to the beach just southeast of the creek, offers 120 spaces for tent or recreational vehicle camping. Farther southeast is the south day-use area with approximately 567 parking spaces, two restroom buildings, additional chemical toilets, beach showers, fire rings, and seasonal lifeguard towers.
