## **California State Parks Accessibility Archived Document**

This document is currently unavailable as we are working to re-mediate it in an effort to provide increased transparency and meet the digital needs of Californians with disabilities.

The California Department of Parks and Recreation continues to work diligently to make digital content accessible. In the meantime, you can request the archived document to be emailed to you by clicking the "REQUEST DOCUMENT" button below. (Be sure to copy the URL in the address bar above for use when you request the document.)
