

# Help Protect Your State Parks!

Color this bear, and learn how to save his park!

Read about ways to protect the parks. Then find the underlined words in the word search below!

1. Never feed the animals in a park.
2. Always stay on marked trails to protect plants and animals that are off the trail.
3. Throw away all of your trash.
4. Do not take anything out of the park. If everyone took home plants, there wouldn't be any left in the park!
5. Treat the earth and all living things with care and respect.
6. Read all rules before going to a park.

Use the space below to draw a picture of animal you might see in a park!
