Reasons to Hike

- Manages weight
- Improves circulation
- Helps breathing
- Combats depression
- Lengthens life span
- Lowers stress level
- Strengthens muscles, builds bone density, and keeps joints limber
- Improves sleep
- Kid-friendly

Safety and Comfort

- Safety – Walk with a buddy and carry a cell phone for emergencies. Walking at night is not recommended
- Water – Carry water whenever you go out on a walk
- Clothing – Wear comfortable and loose fitting clothing
- Shoes – Your shoes should fit well, but provide enough room to allow your feet to expand
- Consult your physician before starting any new exercise program

Additional Downtown Hikes

* At the southwest corner of the CAC, please note the Downtown San Diego Harborview Fitness Course kiosk. This kiosk provides information on additional hikes through downtown San Diego as well as helpful tips for a healthy walking program.
