Alternative Funding Subcommittee addresses high level and strategic choices for recreational boating decisions division-wide, including, but not limited to, evaluating, developing and recommending division approaches, programmatic enhancements and better financial investment of recreational boating resources.

Subcommittee objectives:

- a. Collaborative and inclusive sharing of ideas
- b. Evaluate current fiscal program allocations
- c. Develop recommendations for alternative funding for DBW programs

Agenda

1. Introductions/Agenda Additions
2. Review existing recommendations from allied industry
3. Create a set of recommendations with a phased approach
4. Next Steps

Next meeting: October (proposed week of 10th)
