

Local Assistance Pumpout/Dump Station Equipment Grant Program
Division of Boating and Waterways
November 19, 2020

Summary:

The Pumpout/Dump Station Equipment Grant Program funds new or replacement pumpouts and dump stations or maintenance of sewage pumpouts and dump stations. Operation and maintenance grants provide assistance for pumpouts and dump stations. This program is funded by the federal Coastal Clean Vessel Act (CVA) grant.

The Division of Boating and Waterways (DBW) is the designated state entity responsible for implementing the federal CVA program in California and the US Fish and Wildlife Service is the responsible federal agency.

Application Deadline:

- Both programs accept applications on a continuous basis.

Application Procedure: Applications are submitted through the Online Grant Application System (OLGA).

FY 2020/21 Funding Available: \$474,750 (\$399,750 for pumpout and dump stations, \$75,000 for operations and maintenance).

Typical Grant Amount: Varies from \$500 - \$15,000 for an O&M grant and \$10,000 - \$40,000 for a pumpout or dump station equipment grant.

Funding Source(s): Coastal CVA grant from the federal Sport Fish Restoration and Boating Trust Fund.

Eligible Grant Recipients:

- For pumpout, dump station, and O&M grants: governmental entities and private businesses that own and operate boating facilities that are open to the general public.

Restrictions:

- a. All equipment installed with CVA funding must be open and available to public recreational boaters.
- b. Pumpout and dump station grantees are required to operate and maintain the pumpout and dump station equipment for 7 years.
- c. A minimum 25% local match is required.
- d. Live-aboard vessels are currently excluded from benefiting from CVA grant-funded equipment.

Accomplishments/Planning:

During the past year, DBW has received one application from the City of Redondo Beach for two new pumpouts that is currently being reviewed in addition to having executed agreements for installation of seven pumpouts at the following locations:
