1. Q: What changed in 2021 regarding the sales of the Mussel Fee Sticker?

A: The process for purchasing the sticker from the Department of Motor Vehicles (DMV) has been revised. The sticker is now a separate transaction from vessel registration. DMV no longer provides the option to purchase the sticker by phone, mail, or from a third-party vendor except for AAA. See below for how to purchase the sticker.

2. Q: How do I obtain the Mussel Fee Sticker, how much does it cost, and how long is it valid?

A: You can purchase the Mussel Fee Sticker from DMV online at dmv.ca.gov/musselfee, scan the QR code to the right, or visit a DMV field office. AAA members can purchase a Mussel Fee Sticker at local branch offices. Upon payment of the \$16 Mussel Fee*, DMV or AAA will provide two stickers, one for each side of the hull. The stickers will indicate the year through which they are valid. The color of each sticker will be the same as the color of the current vessel registration stickers, which are purchased separately.

The mussel fee amount shall be \$16 thereafter and shall be valid for a period of two calendar years. The Mussel Fee Sticker shall be valid through December 31 of every odd-numbered year. California Code of Regulations, Title 14, Section 5201.

3. Q: What if I do not pay the Mussel Fee or do not place the Mussel Fee Stickers on my boat?

5. Q: What is the marine water exemption? What do I need to do if I am exempt?

A: Boats used exclusively in salt water, such as along the California coast and bay areas such as San Francisco, Suisun Bay, Monterey, or San Diego are exempt from the Mussel Fee, and you do not need to purchase the Mussel Fee Sticker. Fresh water boaters must pay the mussel fee and display the stickers issued by DMV.

6. Q: Why are marine water boats exempt from paying the Mussel Fee?

A: Quagga and zebra mussels only live and reproduce in fresh water. Boat owners that do not operate in fresh water are exempt from the Mussel Fee Sticker for this reason.

7. Q: What if I pay the fee but then become marine exempt because I no longer use my boat in fresh water?

A: A refund of the Mussel Fee is subject to established DMV business rules and processing procedures. See DMV's [Application for Refund](#) form (ADM 399).

8. Q: I have always used my boat in salt water, but I am thinking of occasionally using it in fresh water such as in inland waterways, rivers, lakes, reservoirs, wetlands, or the Sacramento-San Joaquin Delta. Do I need the sticker?

A: Yes, you will need to purchase the Mussel Fee Sticker(s) at: dmv.ca.gov/musselfee or scan the QR code shown above, visit a DMV field office, or AAA office if you are a member.

9. Q: Why am I required to pay the “Mussel Fee” in addition to vessel registration?

A: Legislation requires the DMV to collect an additional fee (the “Mussel Fee”) on behalf of California State Parks Division of Boating and Waterways (DBW) on all recreational vessels subject to registration in the State of California.

By paying this Mussel Fee, you will aid and support infestation prevention efforts through grant funding, administered by DBW, to eligible agencies for quagga and zebra mussel prevention programs at reservoirs that allow boating and fishing recreation. Supplemental funding is also available for California Department of Fish and Wildlife’s prevention activities.

10. Who do I contact if my Mussel Fee Sticker is lost, damaged or stolen?

A: Contact the DMV to obtain the replacement Mussel Fee Sticker(s) for \$16, from their website at dmv.ca.gov/musselfee, scan the QR code shown above, visit a DMV field office or AAA office if you are a member.
