

**DEPARTMENT OF PARKS AND RECREATION  
DIVISION OF BOATING AND WATERWAYS  
PROJECT COMPLETION SUMMARY  
REPORT DATE: OCTOBER 15, 2021**

**Project Summary:**

The Division of Boating and Waterways (DBW) provided the City of Alameda a \$300,000 Planning Grant and \$1,450,000 in Construction Grant for improvements to the Encinal Boat Launching Facility project on Alameda Bay in Alameda County. Improvements included replacing the two-lane boat launch ramp, A standard-freeboard pile guided boarding float, and restroom, improving the parking area, and adding a low freeboard float for non-motorized vessels, lighting, ADA path of travel, and fish cleaning station. The facility is open and available to the public for boating access.
