

**DEPARTMENT OF PARKS AND RECREATION
DIVISION OF BOATING AND WATERWAYS
PROJECT COMPLETION SUMMARY
REPORT DATE: APRIL 21, 2021**

Project Summary:

The Division of Boating and Waterways (DBW) provided \$1,690,377.90 in grant funding for improvements to the Red Bluff Boat Launching Facility project on the Sacramento River in Tehama County. This was a partnership between DBW, the Wildlife Conservation Board (WCB), and the City of Red Bluff (City). DBW provided funding to complete the planning and construction of a new two-lane boat launch ramp, boarding floats, slope protection, an access roadway, sidewalks, curbs and lighting near the boat ramp, and a project credit sign. WCB funded partial mitigation, restroom, trails, lighting, and parking improvement expenses. The City of Red Bluff funded the restroom and shade pavilion. The improvements will provide river access to the City of Red Bluff.

Red Bluff River Park BLF project credit sign

Access roadway from the parking area to the boat ramp

Project Details:

Project

- Red Bluff BLF (1053)
- Agreement #C4122006
