

**DEPARTMENT OF PARKS AND RECREATION  
DIVISION OF BOATING AND WATERWAYS  
PROJECT COMPLETION SUMMARY  
REPORT DATE: August 25, 2021**

**Project Summary:**

The Division of Boating and Waterways (DBW) provided the City of Rio Vista a \$300,000 Planning Grant and a \$1,240,000 Construction grant for improvements to the Rio Vista Boat Launching Facility (BLF) project on the Sacramento River in Solano County. Improvements included replacing the two-lane boat launch ramp, improving the parking area, replacing the retaining walls, installing a new pile-guided boarding float, security lighting, accessible path of travel, and project signage. The improvements will provide boaters with easier boating access to the Rio Vista BLF for many years.
