

STATE PARK AND RECREATION COMMISSION

Lancaster CA

October 21, 2022

STAFF REPORT: Community Engagement Division Report

STAFF: Sedrick Mitchell, Deputy Director, Community Engagement, In person presentation

SUBJECT: Status of existing grants and timelines and access programming

OBJECTIVE

To provide commission members with the status of programs offered by the Community Engagement Division

INTRODUCTION

The Community Engagement Division provides a multitude of grant programs aimed at providing grants to develop, expand or rehabilitate parks and open space projects in park-poor communities throughout California. The Division also provides several leadership capacity development programs aimed at providing access to communities that traditionally have lacked access to nature-based experiences.

PROJECT BACKGROUND

The division will update the commission on several programs that are either currently underway or are scheduled for implementation in 2023.
