CAMPsites: The park has 76 sites equipped with firepits and grills, cupboards, bear-proof lockers and tables. Two of the sites are designed for wheelchair use, and accessible restrooms are nearby.

The campgrounds are closed from early October to May. Camping is permitted in the day-use area adjacent to the park entrance during the winter.

RE-REGISTRATION: Campers without reservations who wish to re-register for another night must contact the entrance station before 9 a.m. on the morning they are due out. Site availability is not assured.

SPEED LIMIT: The maximum speed limit is 15 mph. When pedestrians, bicyclists and children are present, even 15 mph might be too fast. Use good judgment.

You may purchase firewood from the camp hosts or at the entrance station.

BICYCLES are allowed only on roadways.
