

Millerton Lake State Recreation Area

Millerton Lake SRA • 5290 Millerton Road • Friant, CA 93626 • (559) 822-2332
North Shore Campground • 47597 Road 145 • Friant, CA 93626 • (559) 822-2225

With 47 miles of shoreline for water sports, this state recreation area offers visitors swimming, fishing, and boating. During winter, the park has special boat tours to view the bald eagles. The park's camping facilities include boat camping.

OCCUPANCY: Eight people maximum are allowed per campsite.

VEHICLE PARKING: Campsites are designed to accommodate no more than three vehicles. Additional vehicles must be parked in the overflow parking lot. Day users may not park in any campsite. Call for information on the extra vehicle charge.

VEHICLE RULES: Vehicles must stay on roads or trails. (This prevents damage to tree roots and plant life.)

TRAILERS: No water or effluent may be discharged onto the ground. Please use appropriate RV sanitation stations.

CHECK-OUT TIME is at noon. Please vacate your site by that time. Check-in time is 2 p.m.

QUIET HOURS are from 10 p.m. to 8 a.m. Radios and other sound-producing devices must not be audible beyond your immediate campsite. To ensure an enjoyable experience for everyone, please do not disturb other campers, regardless of the time of day or night.

GENERATORS may only be operated between the hours of 8 a.m. and 10 p.m.

DOGS must be kept on a 6-foot-maximum leash and may not be left unattended at any time. They are allowed only on paved roads or in your campsite. Dogs are not permitted on fire roads or trails (except for service dogs). Dogs must be confined to a vehicle or tent at night. Please clean up after your pets.

DIVING is not allowed in the park, including diving off of rocks or boat launches.

FIRES/FIREWOOD: Fires are allowed only in established fire rings or camp stoves. Do not build ground fires outside the fire rings or leave campfires unattended. Do not gather firewood in the park—the nutrients must be allowed to recycle back into the ecosystem.

BOATING: All watercraft entering the park must complete a self-inspection for invasive species. A two-stroke engine shall not operate on the water unless it meets a current emissions rating of two stars. Mooring to or coming in contact with any buoy or buoyline is strictly prohibited.

ALCOHOL CONSUMPTION is prohibited on the beaches. Operating a boat under the influence of alcohol or drugs is against the law.

THEFT WARNING: Keep your vehicles locked and your valuables out of sight. Do not leave property out at night. Report suspicious activity to a ranger or camp host.

PLEASE REMEMBER:

- Look out for rattlesnakes, mountain lions, and poison oak.
- Lifeguards are on duty only during summer. The law requires that children wear approved life jackets.

Poison oak

Rattlesnake
