DISTRICT SUPERINTENDENTS ORDER NO. 951-25-004
Supersedes Posted Order 951-24-004

Chino Hills State Park is surrounded by dense brush and vegetation. Atmospheric conditions and summer heat can increase the likelihood of wildfire, which endangers life, property and resources. The following are fire restrictions for Chino Hills State Park.

1. Open fires, including campfires and barbeques are not permitted within Chino Hills State Park except for designated campsites within the Rolling M Ranch Campground.
2. Additionally, as needed to parallel other local fire agency restrictions and fire related weather conditions, open fires, including campfires and charcoal barbeques may not be permitted within the Rolling M Ranch Campground. Portable gas fueled camp stoves, heaters, lanterns, and pits with an on/off switch will continue to be permitted within designated campsites during such restrictions, but must be at least 20 feet away from brush or vegetation.
3. Smoking, including "E" cigarettes is not allowed in the park except in developed area parking lots. Smoking on trails is never allowed. Smoking shall not be within 20 feet of any building or vegetation area. Smoking is allowed at the Rolling M Ranch Campground within the designated campground footprint. It is the user's responsibility to ensure that all cigarettes / cigars are properly extinguished and disposed of.
4. During "Red Flag" which is an atmospheric condition of high winds and heat and low humidity designated by the National Weather Service, the entire park including trails, campground, and most facilities will be closed. No park visitors are allowed during this closure.
5. Due to its proximity to a safe egress route, the Discovery Center facility can remain open if there is a pre-arranged school tour. A DPR coordinator must remain with the school group at all times. The general public will not be allowed in the lot or have access to trails.

6. Nothing herein shall affect any existing private contract or property rights.
7. Nothing herein shall be construed in derogation of other provisions of law.
