DISTRICT SUPERINTENDENT'S ORDER No. #910-15-03

All Channel Coast District Units

Trail Use Designation

Amended regulation Section 4360 and 4360(a) of Title 14, California Code of Regulations, "Trail Use" Unless designated by the Department, all trails are open to pedestrians and closed to all other uses. All allowable trail uses will continue as they are designated at the date of adoption of these regulations unless and until a change is made by order of the District Superintendent. The Department may establish speed limits for designated trail use for units or portions thereof. If established, these speed limits will be posted.

4360(a) Trails in Reserves and Preserves as defined in Public Resource Code Sections 5019.65, 5019.71 and 5019.74 may be designated for bicycle or equestrian use when the District Superintendent has determined that such use is important for public access to the area or to make important connections to other trails and where it has been determined that impacts to the resources for which the area was established will not be significant as defined in Public Resources Code Section 21068 and Section 15382, California Code of Regulations Title 14.

- A. In accordance with the provisions of Section 4326 of Title 14, California Code of Regulations, the following locations are the only routes designated open to bicycles and/or equestrians on trails. All other trails or trail use shall adhere to the regulations established above in section 4360 and 4360(a) of Title 14, California Code of Regulations.

All designated routes must be posted open by the use of a California State Parks approved and produced sign with a bicycle or equestrian symbol.

- B. No person shall operate a bicycle in such a way as to endanger hikers, equestrians or others using State Park Property, or in such a way as to damage park resources. No person shall operate a bicycle within State Park Units of the, *Channel Coast District* at a greater speed than is reasonable and prudent, nor in any event in excess of 15 miles per hour. No person shall operate a bicycle in excess on 5 miles per hour when passing hikers or equestrians or when approaching and negotiating a blind turn. Blind turn is define as not being able to see oncoming traffic from a distance of 100 ft. or less.
- C. Nothing herein shall affect any existing private, contractual, and residential or property rights.
- D. Exceptions to this order may only be granted in writing by the District Superintendent

E. Nothing herein shall be construed to be in derogation of other provisions of law.

Definitions

- Roads are paved and intended for motor vehicle traffic.
- Fire roads are unpaved and have limited or emergency motor vehicle use only.
- Trails are routes of six feet width or less and designed for foot traffic only, unless otherwise open by this order.
