

CALIFORNIA NATURAL LANDMARKS PROGRAM

APPLICATION FOR DESIGNATION

Please answer all questions fully. Use N/A if a question is not applicable to your proposal. Indicate the features for which your property is being nominated. All landowners must provide contact information and sign the application, and consent for plaque placement must be provided. Attach additional pages as needed.

Date of Application: _____

Area Name: _____

Total Acreage: _____

1. Name, mailing address, e-mail address, and telephone numbers of all applicant landowners. If multiple landowners specify the acreage of each property. Indicate the primary contact.

2. Name, mailing address, e-mail address, and telephone numbers of representative or agent (if any).

3. Location of Property

County: _____

Township: _____

Range: _____

USGS 7.5 min quad map(s): _____

Directions from nearest town, with major highways and streets: _____

Acreage: _____

Zoning Designation: _____

4. Assessor's Parcel Number(s) listed by property owner (obtainable from tax bill or County Assessor).

5. Significant landform alteration can affect the CNLP designation. Describe any landform alteration on the subject property or nearby areas, and approximate date of alteration. Note any artificial or reconstructed natural areas on the site, the date constructed or restored, and the source of the materials.

6. Describe the fire history, past uses, the present condition of the property and how it is currently used/managed, including roads, trails, and visitor access.

7. Describe any pending changes in the current land management strategy.

12. Are there any rare or threatened plant or animal species known to be on the subject property? (Note: Scientific review will identify these populations but will be aided by information provided by applicant.)

13. Description of adjoining protected lands or open space (if any) that provides connectivity and/or corridors for wildlife movement.

14. Describe any scientific studies that may have been completed on the property. Give titles, authors, and dates of reports. If available, include copies with nomination materials. If unavailable, provide location.

15. Will a certificate of registration in the California Natural Landmarks Register be requested?

16. Will a plaque commemorating placement on the California Natural Landmarks Register be requested? Provide the signed consent of the affected landowner for placement of the plaque

17. Provide signatures and dates for all landowner applicants, and indicate the primary contact.
